Grand Knight's Message

Brothers, as this year draws to a close, we can look back with some pride for what our Council accomplished. We increased our Council Membership and Insurance Members. We are blessed with a group of six Activity Directors, who ensured our Council successfully completed a full slate of activities within our Service Program. The activities the Council was involved with are far to numerous to list here, but they do emphasize our involvement with both our Churches and Communities, as well as our commitment to outside organizations and charities. Planning is in full swing for our Council End of Year BBQ, where we will gather and enjoy the company of Brother Knights, Spouses and friends. A big thank you goes out to our dedicated Brother Knights and their Spouses. The ladies are very much involved in the success of Council functions and workings. We will take some Summer time off, to relax with family. We will then come back in September refreshed, ready to face what I am sure will be another busy and satisfying year. Thank you all and God Bless Scotty.

KNIGHTS STATE LOTTERY

Brother Mike Stenson and his grand-daughter Marissa were busy selling State Lottery Tickets in May. Dave Bennett graciously gave us access to the entrance of Valu-Mart. Mike and his volunteer team made excellent use of it. Thursday afternoon, Friday and Saturday completed the Council ticket sales. They sold over 44 books of tickets once again seeking public support for the Arthritis Society and Special Olympics.

This marks the final year that the council will be selling these tickets due to the Knights of Columbus Ontario Charities Foundations' withdrawal of

support for the Arthritis Society and the overall low margin of funds that actually reaches charitable activity. Other notable sales efforts were the Staff of Braebury Homes on behalf of Peter Splinter, Roger Levac, and Pat Stenson with other Knights selling a book or two or assisting Mike in his marathon weekend effort. Thank You everyone!

Meeting Reminder: 2nd Monday each month at Holy Name of Jesus. Meetings begin at 7PM.

PARISH BBQ

Holy Name of Jesus Parish BBQ will be held 25 June after the 5 PM Mass. There is a rain option of delaying until 26 June but the possibility of moving it to Holy Name School on the 25th is also being explored in case of poor weather. Volunteers are needed and the planning meeting will happen Tuesday evening 14 June at 6:30 in St Joseph's Room. Don't sit back and complain how it could have been done better, come out and help make the event the best it can be.

All are welcome to attend, there are sign up sheets in the church entrance for volunteers, dessert makers.

Fr Wes wanted this event to be financially accessible to all parishioners; thus, the church will cover the costs and will simply accept donations to assist in keeping the financial burden low but permit everyone to participate within their means.

This will also be an opportunity for the parish community to congratulate Fr Wes on the 35th Anniversary of his ordination as a priest.

BRING YOUR IDEAS AND TALENTS TO THE TUESDAY MEETING

AND SHOW THE PARISH YOU CARE

SUMMER 2016

WHILE school will soon be out and many people will look forward to some time off, please remember that your parish still needs you. There will be grass to cut, gardens to tend, repairs that need attention. Christine always needs an extra pair of hands to complete some parish task. Parishioners who will still need physical assistance as well as your prayers.

Pat Stenson will have many requests for tents during the summer and will need a hand to set up and tear down although he often does it alone because no one else seems to be available. Give Pat your number so he can easily ask for assistance.

People still eat groceries, dine out and use gasoline. Some deck or other renovations plans may be in the works so do not forget about your gift card program. The cards can still find you even if there is no meeting.

It is great weather for driving so please consider supporting the Cathedral fundraiser for St Mary's Cathedral and see a Blue Jay Game, Argonauts Home Game or Redblacks home game. You won't beat the ticket prices where are less than box office, treat your family and yourself.

For something new there is a Privately hosted Folk Festival in Seeley's Bay 9 July 2016. Private in that it is not formally open to the public at large. Donations by participants go towards Ted Harris's designated charity supporting Dogs for Post Traumatic Stress Victims. Ted has been a huge supporter of the military and this is the fourth summer he has hosted this folk festival. If you want more information contact Pete Scott and he can easily extend your invitation to this excellent event. It has included a pig roast each year and there is camping available on the grounds if you wish to listen to the music all evening long.

HIGHWAY CLEANUP

Our Ontario Licence plate caption reads: Yours to Discover. We certainly discovered lots at our recent Highway Clean Up but what we found was in the ditches. We had a great turnout for our Knights of Columbus project that helps keep Ontario beautiful. We had a heaping truck load of garbage collected on Highway 15 from Startek to the railway bridge near the former Codes Corners. I include some photos of the gang. We took Bro. Pete's alone since he started so early. I want to say "Thanks" to Peter Scott, Grand Knight Scotty Smith, Our founding Grand Knight Gary Richards, Steve Coombs, Pat Murray, Bob Portman & Al Sullivan. Most wouldn't know about Al & he's not in the photos since we had all dispersed to the ditches early and when Al arrived he thought he had the wrong date. We finished up early thanks to the good turnout and then we all had a break at Tim Horton's. We likely picked up 50 Tim Horton cups that day but the best ones we picked up were at the counter. Gary mentioned that this is around 20 years we have been doing this community service & you just can't imagine the volume of garbage that we have cleaned up in that time, it's amazing! Thank you very much for all your help this time and for all the help over the years from so many members of the Knights.

EDITOR FAREWELL

Our KNIGHT MOVES has been in publication since the Council began over 19 years ago..This November the Council will celebrate its 20th Anniversary. While I have tried to steer the publication over the past couple of years it is time for a fresh face, fresh ideas, fresh motivation. Despite requests for assistance it has been a struggle to obtain input from our council members, to the point that I am doubtful we are providing full value to our sponsors who generously support us so that we can afford the printing and mailing of the various issues. I look forward to learning who the next Knight will be who will take KNIGHT MOVES energetically forward into the 20th year and beyond. Thank You to those who have supported the effort. Pete Scott

4TH DEGREE EXEMPLIFICATION

Congratulations to Sir Knight Raymond Paquin on his exemplification to the 4th Degree of the Knights of Columbus. The exemplification meet and greet was hosted by our own Kingston Mills 4th Degree Knights Friday 27 May with the Exemplification being conducted at Our Lady of Fatima 28 May. His Grace, Archbishop Brendan O'Brien conducted an exemplification Mass at St Mary's Cathedral and the formal banquet was also held at Our Lady of Fatima. Welcome Sir Knight Raymond and Lady Jeanne.

The Exemplification was held in honour of Veteran Knights of the Second World War. Two were in attendance at the banquet; including our very own Brother Basil Brosso. Below is a screen capture of the tribute provided in the Exemplification Souvenir Booklet.
