## Grand Knight's Message

Good day Brothers.

I am sitting here watching the Sun pouring in the front door and starting to think that Spring is finally here.

Spring brings new energy and promises of good things to come. Time get out and start gathering new Members to our Council, bringing in fresh ideas and broadening the scope of activities already in place.

Spring also brings the thoughts of Council Executive Elections and how we can be more activity involved in our Council workings. By thinking about accepting an Executive position, or by nominating Council Brothers for positions you feel they are best suited for.

God Bless

Scotty, Grand Knight Council 11886

## A word from the editor

If you have any content for Knight Moves please forward to the Editor - Robert Charest at [rcharst@cogeco.ca](mailto:rcharst@cogeco.ca) no later than the Tuesday of the week prior to the council meeting. The Volunteer and the Calendar Sections need to remain current and I need all of your help to do this. Hence, if there are any activity or calendar changes there you aware of please forward them. For our new members, such as myself, these sections are very important.

Please forward any comments or feedback on Knight Moves that you might have. Together we can improve it as I am still learning.

## Your Prayers are needed

At the 11886 Council Meeting 13 Mar 10, the Knights were asked to pray for the following members of Knights' families who are ill:

## March for Life – May 11, 2017

### 1. Attendance

The Rally on the Hill starts at 12:30 PM after the Peace Tower Carillon's daily performance and goes on until 1:30 PM when the March begins. After the marching, everyone is encouraged to return to the Hill for an impromptu concert performed by our March for Life band followed by powerful testimonies by the women and men of the Silent No More Awareness Campaign. The program on the Hill wraps up at 4 PM with a closing prayer service led by the Eastern Catholic Chaplaincy of Ottawa.

### 2. Symbolic Attendance

Campaign Life Coalition is providing an opportunity for those unable to attend the National March for Life, to symbolically be part of the Candlelight Vigil. The vigil allows pro-lifers across Canada to witness to the pro-life effort in this country and to demand from our Federal Government that it protect the lives of Canada's children who are threatened by abortion. Candles can be pledged for a minimum offer of \$5.00. Please – fill in the pledge form and join in spirit with us during this major pro-life event. Your pledges also help defray the substantial costs of organizing and promoting this event.

<http://marchforlife.ca/candlelight-vigil-pledge/>

The National Organizing Committee is requesting all pro-life people in Canada to join us in prayer at 8:45 pm, Ottawa time, on May 10 and again at 12:00 noon on May 11.

## Even God Likes a Good Laugh

### 1. The Temptation of Jesus

### 2. Grandmother's Apron

The principal use of grandma's apron was to protect the dress underneath, but along with that, it served as a potholder for removing hot pans from the oven.

It was wonderful for drying children's tears, and on occasion was even used for cleaning out dirty ears.

From the chicken coop, the apron was used for carrying eggs, fuzzy chicks, and sometimes half-hatched eggs to be finished in the warming oven.

When company came, those aprons were ideal hiding places for shy kids.

And when the weather was cold, grandma wrapped it around her arms.

Those big old aprons wiped many a perspiring brow, bent over the hot wood-stove.

Chips and kindling wood were brought into the kitchen in that apron.

From the garden, it carried all sorts of vegetables. After the peas had been shelled, it carried out the hulls. In the fall, the apron was used to bring in apples that had fallen from the trees.

When unexpected company drove up the road, it was surprising how much furniture that old apron could dust in matter of seconds.

When dinner was ready, grandma walked out onto the porch, waved her apron, and the men knew it was time to come in from the fields to dinner.

It will be a long time before someone invents something that will replace that 'old-time apron' that served so many worth-while purposes. Remember:

Grandma used to set her hot baked apple pies on the window sill to cool.

Her granddaughters set theirs on the window sill to thaw.

They would go crazy now trying to figure out how many germs were on that apron.

I don't think I ever caught anything from an apron --- except love. Author: Unknown

## Knights Show off their Aprons

After reading a copy of the article “**Grandmother’s Apron**” as shown on the previous page, the Knights who prepared and served the St. Vincent de Paul lunch meal on the 22 March decided they would show off their aprons by having a group photograph taken. They are from left to right: Mac Robinson, Robert Charest who is using his apron to wipe his tears caused by the peeling of onions, Grand Knight Scotty Smith with his mustache smile, Mike Stenson who provided the article, and Raymond Paquin who some may recall on a previous occasion at St. Vincent de Paul used a carrot in demonstrating a Pinocchio like nose.

## Victoria Order of Nurses (VON) Need Volunteers

The VON is always in need of volunteers to assist with a variety of activities.

Of course, they make every effort to match you with a program that sparks your interest. Volunteers are needed for delivering Meals on Wheels, taking clients to appointments, or providing clerical assistance in the office or at a foot care clinic. Your skills may be put to use in ways you never imagined.

If interested in becoming involved contact Nicola Wheeler at 813-634-0130 ext 2305.

## Gift Card Program

So far the Participants in the Gift Card Program have helped to raise over \$1200. More folk are opting to use cards for their every day shopping rather than just for gifts. Generally, we all spend money on groceries, gas, restaurants, Home and Garden centers, etc. so why not use the cards. They are also eligible to be used as cash for your favourite rewards program.

The question is obvious...why isn't everyone doing it.
