Grand Knight's Message

Brothers, I hope you spent quality time with family and friends and enjoyed your Summer Break to the fullest. The weather certainly was agreeable and made travelling so much more rewarding. We had a great BBQ in July and one at Fern's in August. It is time once again to get back to performing our Knights of Columbus commitments. This year's objectives will be the same. Grow our Council Membership and serve our parishes. That will bring in more money and allow our Council to increase our charitable donations.

We will face many challenges in the coming year, demanding more participation from our Council Brothers. Take time for some soul searching and tally up the times you have been physically involved with your Brothers in Council Activities, not just attending Monthly Council Meetings. We need more members to GET INVOLVED!

Some of our Brothers are already heavily involved in Council activities and commitments. Others are not so involved! Please help ease their work-load by becoming an active Member of Council 11886. Get involved.

Your Grand Knight Jim

Import Notice for all Knights of Council 11886

Council 11886 Meetings are now on the 2nd Tuesday of each month vise the 2nd Monday of each month. Hence, our next meeting is Tuesday, 10 October.

A word from the Editor

If you have any content for Knight Moves please forward to the Editor - Robert Charest at rcharest@cogeco.ca no later than the Tuesday of the week prior to the council meeting. Also, please forward any comments or feedback on Knight Moves that you might have. Thank You.

Your Prayers are needed

At the 11886 Council Meeting 5 June, 2017 the Knights were asked to pray for the following Knights and their family members who are ill:

Benoit Gervais, Hudson MacIsaac, Stanley Pietak, the Olivier family and David Sullivan.

A word from the Gift Card Coordinator

Thank you Brother Knights who have actively supported the program whether as periodic gifts or for your regular shopping for Groceries, Gas, Dining Out or LCBO. Sadly less than half of the council actually supports this easy fundraiser. But for those willing to participate, together we have raised over \$2800 this year by doing nothing more than using gift cards for the regular purchases that you were already spending money on. I look forward to greater participation. Please contact me if you have any questions on the program. Vivat Jesus.
Sir Knight Pete Scott

Who is John Moreno? Our youngest Knight.

John Moreno requested to become a Knight on his 18th birthday and became a knight a couple of weeks later on the 30 May, 2017. He has an older brother, Erik and presently lives with his parents at Canadian Forces Base (CFB) Kingston.

In June of this year he completed Grade 11 from Regiopolis-Notre Dame Catholic High School. His favorite subjects were Gym, Religion and English. In September, 2018 he plans to enter the Police Foundations Program at Algonquin College in Ottawa.

John has volunteered at St. Vincent de Paul working in the kitchen. As well he volunteered at the Family Fun Day at CFB Kingston. At the commencement of summer when this article was written, he was investigating joining the Prince of Wales' Own Regiment.

He states that the big plus of being a Knight is, "providing a sense of brotherhood and thus a sense of belonging and purpose which will help him grow into a better catholic man."

At this time John is the youngest Knight and perhaps the youngest ever, of Council 11886.

Who is Basil Brosso? Our oldest Knight.

Family and Church Life

In 1921, Sir Basil Brosso was born in Kingston. He had another sibling, an older brother. He attended KCVI for high school and completed his grade 12. In 1939 he met his future wife at F.W. Woolworth's in Kingston, where she worked as a sales clerk, and she fell for his natural charm and personality. In 1942, while in military service, they married. They have two sons and one of them, like his father, became a Knight.

When WW II broke out Basil was working at a local radio station, CFRC in Kingston. He filled the roles of a part-time radio announcer, radio operator and other duties as required. He also was a member of the the reserve infantry unit, the Princess of Wales' Regiment (PWOR).

Basil has been a member of Holy Name of Jesus Church for 64 years and has been a charter Knight for 21 years, since conception of the Knights of Columbus Council 11886. He has served on the council in various positions including the execu-

tive. Basil indicated that with some exceptions, he has known and worked with many Knights, some who are now deceased, who enlightened him to become their friend and associate with a common purpose. He also served in the church council on the Financial Committee and is still a member of the Property Committee.

War Years

At the outbreak of War, Basil applied to enter the Royal Canadian Air Force. He arrived in Ottawa on a weekend for the screening process. However, he was told to report in on Monday as they were not prepared to receive him till then. Hence, he decided to return back to Kingston and go back to Ottawa after the weekend. Unfortunately, during that weekend he came down with appendicitis and was in the hospital for 10 days. As he missed the Air Force screening process he decided to visit the Commanding Officer (CO) of the PWOR and ask about Officer Training. He then enlisted at Fort Frontenac for the Basic Officer Training Course (BOTC) conducted at the training centre in Barriefield. He finished the BOTC and became a Corporal teaching Basic Military Training (BMT) at the centre. After a year or so the hierarchy heard of Basil's radio operating background and he was sent to Vimy Barracks to become a member of the Royal Canadian Corps of Signals as an Infantry Radio Operator. In 1942, he was shipped to England to the 1 Canadian Signal Reinforcement Unit at Farmborough.

Besides spending time in England during WW II, Basil was also in France, Belgium and the Netherlands. By war's end he had risen to the rank of Acting Sergeant. At this time, the people of the Netherlands

Continuation of Who is Basil Brosso???

were starving. He remembers the day, 8th May 1945, when the Germans capitulated and then saw the many flights of Dakota aircraft dropping down to 400 ft. and then releasing bundles of food for the people.

At the end of the war, due to the shortage of troop carriers to return troops home, he had to remain in the Netherlands till Dec of 1945. The forces did many things to try to keep morale high while the troops waited for their trip home. One of them was giving the troops what the military call furlough and what the civilian world call holidays. In Basil's case he received a two weeks furlough and decided to go to Paris. The biggest difficulty was getting from the Netherlands to Brussels where he could catch a train to Paris. However, Basil was resourceful and got a ride on a Beer Truck carrier that was going back to Brussels. Unfortunately, the Beer Truck was heading south which meant it was empty for the returned journey. He sat on the barrels and painfully recalled that the ride was rough and backbreaking as the cobblestone roads at that time were in terrible shape. For his trip, he had amassed pockets full of Dutch currency by selling his cigarettes for a guilder per cigarette which was the going rate at the time. Upon arriving in Paris he went to the American Embassy where he exchanged his guilders for French Francs. In Paris, he stayed at the posh Hotel D'Orsay which was in the center of the city and within walking distance to all the sights: Champs Elyssées, Arc de triomphe. Place Pigalle, Jardin de Tuileries, etc. He indicated that during his stay he was told that the women at the Folies Bergères, the famous cabaret and music hall, were very tall.

He recounted how one soldier in Italy sold his jeep to get money for his furlough. After selling it to an Italian, he told the Provost (Military Police) that his jeep was stolen. The Provost then, after being told where it may be located, confiscated it and returned it to the soldier. Fortunately, the Italian was not charged but he was out of pocket as a result of believing in a good deal too good to be true.

Sir Basil's World War II decorations include: France and Germany Star, 1939-1945 Star, Canadian Volunteer Service Medal with Overseas Clasp, War Medal 1939-1945.

Post-War Years

Basil went back to England to a holding camp and then was shipped back to North America on the Queen Elizabeth arriving in New York City in mid-January 1946. On the crossing, the ship stopped completely in the mid-Atlantic without the passengers being forewarned of the stop. Later it was learnt that a member of the Canadian Women's Army Corps came down with appendicitis and the ship stopped to reduce movement for the required surgery.

After WW II, he took advantage of a veterans' education program. He first went to Hamilton for a year to complete subjects for his grade 13 and the following year attended Queen's University. In 1952, he graduated with a degree in civil engineering and proudly wears his engineering ring to this day.

In the summers of university years he worked for the Engineers Group in the military district of Kingston. In Basil's day, this group grew to a staff of over 150 personnel. Today the group is called Base Construction Engineering (BCE). After graduating he went to work with BCE doing a lot of survey work in connection with engineering programs. He retired on May 1990 and his years of service were acknowledged on a military parade at the base. With his war years he served his country 44 years, an accomplishment seldom matched in the public service.

Sir Basil and five others formed the Camp Homebuilders Cooperated Limited. Basil was President and the organization established the Cana Subdivision in the former Pittsburg Township located near Holy Name of Jesus Church and the school. The subdivision was the first division in the township with central water and a sewage plant. Basil also designed Monsignor Raby House which was first the residence for the Sisters of St Martha. At one time the council's meeting room was a classroom. It was Sir Mike Stenson's grade one classroom.

At the age of 94, a few years ago, Sir Knight Basil Brasso was selected to be part of the official contingent to travel to the Netherlands and participate in the various ceremonies celebrating the 70th anniversary of liberation. In one of these events Mrs. Harper attended. During this visit he wore his original khaki beret from the war. A reporter was told this who then snapped a close up picture of him adjusting his beret. This picture and story appeared in various papers around the world. He became somewhat a celebrity around the world for a day.

Visit Sir Basil and learn more on his interesting life. An interesting story, and he has many, is to ask him about his French Canadian Ancestry.

Knights Work at Providence Manor Barbecue

Holy Family Chapel of CFB Kingston invited the veteran residents of Providence Manor to their Sunday 20 August summer barbecue. To facilitate things for the residents, the barbecue was held on-site at Providence Manor. A mass in their chapel preceded the event. Over, twenty veterans attended as well as several manor staff and volunteers. In all, about 60 people cherished the fresh air meal.

A number of Knights were involved in the execution of the barbecue and the mass that preceded it. Brother Len Matiowsky directed the choir. Brothers Dave Maleck and Robert Charest cooked the hamburgers, and hot dogs, Brother Father Anthony assisted the priest at the mass and hot dogs, Sir Raymond Paquin coordinated the efforts of everyone. The Knights along with a church member set up and took down the tables, chairs and 150 Canada year decorations. The weather cooperated and the site for the barbecue was in a lovely area shaded by mature trees. Each veteran's meal plate had to be approved by the staff to ensure it was within the parameters of their diet. Many stories were told and heard. A great time was held by all and the Base Chapel have been invited by Providence Manor to do the same next year.

St. Vincent De Paul Lunch - 12 Jun

Knights Mike Stenson, Scotty Smith, Jim Laudanski, Raymond Paquin and Robert Charest made and served 105 meals at St. Vincent De Paul the 12 June, 2017. As well, Knight Mackenzie (Mac) Robinson dropped by to see if they needed any additional help.

Editor Error: The Editor apologizes for referring under the St. Vincent de Paul section of the June newsletter to Mac Robinson as Mac Mackenzie. Mac is shown at left in an earlier time at St. Vincent de Paul washing the floor with his Knight's smile.

A little Catholic Humour

Service Program Personnel.

The Pope goes to Toronto. He is picked up at the airport by a limousine. He looks at the beautiful car and says to the driver, "You know, I hardly ever get to drive. Would you please let me?" The driver is understandably hesitant and says, "I'm sorry, but I don't think I'm supposed to do that." But the Pope persists, "Please?" The driver lets up. "Oh, all right, I can't really say no to the Pope."

So the Pope takes the wheel, and boy, is he a speed demon! He hits the gas and goes around 100 mph in a 45 zone. A policeman notices and pulls him over. The cop walks up and asks the Pope to roll down the window. Startled and surprised, the young officer asks the Pope to wait a minute. He goes back to his patrol car and radios the chief.

Cop: Chief, I have a problem. **Chief:** What sort of problem? **Cop:** Well, you see, I pulled over this guy for driving way over the speed limit but it's someone really important. **Chief:** Important like the mayor? **Cop:** No, no, much more important than that. **Chief:** Important like the Premier? **Cop:** Wayyyyyy more important than that. **Chief:** Like the Prime Minister? **Cop:** More. **Chief:** Who's more important than the Prime Minister?

Cop: I don't know, but he's got the Pope driving for him!

Council 11886 16 July Barbecue

Council 11886 Knights of Columbus Barbecue took place on the 16 July. Approximately 50 people attended. Sir Jean Pellerin was the organizer for the event. He had helped help from many Knights including Steve Coombs, Roger and Francois Bédard (their spouses supervised their cooking), Peter Scott (and spouse Lynn) and Mac Robinson who ran the "Determine the number of Beans in the Jar Contest." Jeanne Paquin won and went home richer than she came. She did not want to share her winnings with her husband.

Left -Jean Pellerin enjoying the fruits of his labour. He spent 3 days putting the barbecue together. He is a firm believer in shopping around for the food requirements. He was able to get at least a 50% reduction in the cost of steaks. We must all thank him.

At the barbecue two presentations were made. Sir Scotty Smith, our former Grand Knight, was named Knight of the Year. Under his direction the council received the Star council award in 2016 and in 2017 the council met the requirements for the award again.

Right - Deputy-Grand Knight R. Charest (left) presenting Scotty with his certificate

Left—Former Grand Knight Scotty Smith (left) received, on behalf of our council, an award from our new District Deputy Peter Scott. District Deputy Peter Scott made a presentation from the Ontario State Council. The presentation is in recognition of the council's help in raising recruitment in May and June resulting in the District increasing Knight enrolment for the first time in 15 years.

The Knights of Columbus family of the year was announced as well.

Right - Peter and Lynn Scott (Right) received this honour from the Deputy-Grand Knight Robert Charest. Peter is involved in many activities with the Knights at many levels When Peter is at an event his wife Lynn is there as well. They both donate their time freely to Holy Name of Jesus church. They make a great team.

Knights A1-Building-Demolition -Team Come to the Rescue

Father Wes, of Holy Name of Jesus, made a request through Pat Stenson seeking Knights of Columbus help for a parishioner. The man had a roof collapse during the winter on an out building at his home in Kingston. While he had hoped to clear the debris himself, failing health and the requirement of regular dialysis appointments has prevented that.

After a hard day's work in June the collapsed roof was completely dismantled. One dumpster worth was hauled away, the remainder sits on the old floor awaiting a second session. Pat Stenson, too eager, was taken to the hospital and is recovering under his wife Patty's supervision. The other Knights who participated in the event were: Mike Stenson, Patrick Jordan, George Caron, Jean Pellerin, Gary Richards, Paul Jackson, Steve Coombs, Scotty Smith, and Peter Scott. We await word when a second dumpster will be in place to load the remainder.

Youth Activities Section

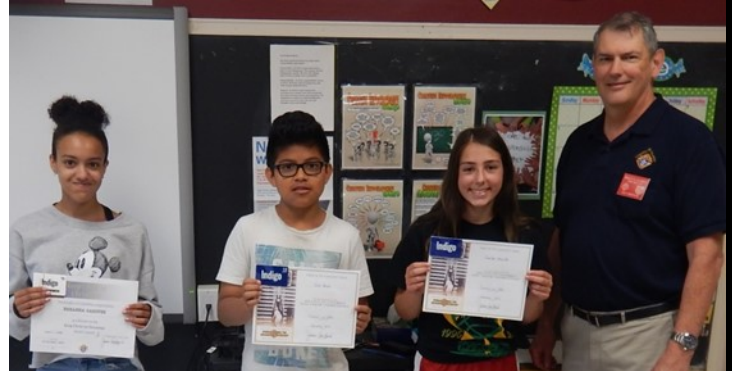

In the month of June several Knights were involved in visiting the schools to present certificates and prizes to:

- individuals at five schools in the six age categories for the Basketball Free Throw competition who had the highest and the second highest number of points;
- the winner and runner-up in a number of age categories at the four schools involved in the Keep Christ in Christmas Poster Contest and the Substance Abuse Contest.

The Knights who presented the certificates and gifts as well as the recipients are shown in the photographs below. Note the many smiling faces, including Knights. The gifts consisted of Indigo gift certificates.

New District-Deputy

Sir Peter Scott, a member of Council 11886 District Deputy and a member of our council is seen here on 1 July, 2017 in front of city hall in his new attire and accoutrements. His cape and plumes in his hat are purple in lieu of red. We all wish Peter well in his new role with the Knights.

A new Knights uniform has come out which is substantially different from the present one. Basically, the uniform consists of dress pants, blue blazer, white shirt and tie with a green beret. However, presently members can still wear their tuxedo version.

A word from our District Deputy

No doubt some of you have heard concerns being raised regarding uniforms of the 4th Degree. Normally you would be expecting me to be encouraging your membership in the Assembly. We are not in normal times. The issue is the recent directive issued forcing a drastic change to the uniform of the 4th Degree.

While I fully respect the authority to order changes and understand the philosophy why a change has been deemed a step forward and I hope that the few well intentioned men arrived at the decision in full belief it was best for the 4th Degree section of the order, I fear they were ill informed during their deliberation. No stranger to change I am not opposed to the desire to adopt new measures; however, the drastic nature and good of the entire international order may have been ill advised.

The visible arm has adopted a less than visible uniform, it mimics the dress of multiple community service organizations; thus, we will be lost in the crowd. It has in fact almost exactly mirrored the Royal Canadian Legion. The adoption of the beret is a barrier I will not cross. Perhaps in other nations it has different meaning but in Canada it signifies the sacrifice of the suffering living and the sacrificed dead of those whose patriotism went to a level far beyond what the Order could hope to ever achieve. A proud veteran in my own right I cannot and will not desecrate the symbolism of the beret by wearing it in the service of another organization.

The rationale for the new uniform seems honourable in intent, but with the overarching concern to attract new members versus the insult to the clear majority of existing members who will likely be deceased in the next 20 years seemed to be worth the sacrifice. I do note that the new uniform is similar to the recent uniforms of area Catholic high schools which have been dropped being considered out dated and no longer relevant to current generations. The new membership that the Order is trying to attract has actually already outdated the new uniform.

The process of the uniform selection is disappointing and perhaps had it happened several years ago the reaction would be different; however, at this time it mirrors the autocratic executive orders being issued by the US Administration that often not only lack sensibility but have repeatedly been proven to be divisive if not outlandish. The institution of the buy American policy for the uniform was unfortunate in its timing and insulting in its delivery. The "project manager" of the uniform delivery grossly failed to consider that while providing some of the significant Knight of Columbus symbols might have required central control, the remainder of the uniform could be delivered from multiple source much cheaper than the "US only currency and delivery" point which only served to subordinate itself, perhaps unintentionally, to the American protectionism agenda. May Chinese entrepreneurs quickly produced knock offs at an affordable price.

I fully recognize the right of the Board to make the decision, and fully recognize that as a 4th degree Knight my duty is to obey the 4th Degree laws and rules. I know that only a small minority of the Assembly and including many in our council currently participate in the Guards and visible representation of the Assembly. Thus the uniform decision may have no meaning as continuing to pay annual dues and do nothing is very possible. But then what meaning is the Assembly? I know for the reasons stated that I cannot, effective 1 July 2018, obey the adoption of the new uniform on that date. I refuse to be a hypocrite and simply pay dues without being an active and visible participant. My decision may result in formal resignation from the 4th Degree in June 2018. Yet perhaps this turning point will force a new discussion. Can the 4th Degree Assembly be making visible and important contributions to our Diocese and civil community without a uniform? If an active visible reason can be found without the adoption of the US enforced uniform then perhaps I will have reason to once again proudly invite you to join me in the 4th Degree.

I will continue to pray that the Order will take appropriate measures to reconsider its current path and find room for appropriate amendments to consider those in the Order who are not focused on the American centrist agenda. I plan to continue in proud service as a 3rd Degree Knight in support of my Priest, Parish, Council and the Ontario Council as there remains excellence in the Order regardless of the viability of the 4th degree. I ask for your prayer during these deliberations.

Vivat Jesus

A Word from the Knights Deal Coordinator

Over the summer the program which originated with the Assembly has been migrated to the Council. Essentially we use group discounts to obtain tickets to events at less than box office price. We pass on most of that saving to the people who support us by purchasing the tickets to events they want to attend, and we retain a small margin as our fundraiser. Events include Blue Jays, RedBlacks, Argonauts, Ottawa 67s, Senators, some TD Place concerts, and other theatres. We have some special savings from local retailers as we negotiate them. Details are on the website www.knightsdeals.ca or in the flyer normally included in the Knight Moves newsletter. We are always seeking new partnerships which are updated on the website. You may not be personally interested but no doubt you have friends, family, and neighbours who are fans of these teams. I need you to make them aware of the potential savings they can achieve by purchasing through us. Over the course of the next few weeks the Grand Knight and executive will determine how the proceeds of this program will be used to support the council charitable outreach. Your voice in how to spend the money will have greater meaning if you are assisting to raise the funds. Please help me by sharing the word. Vivat Jesus. Sir Knight Pete Scott
