Grand Knight's Message

Good day Brothers.

This will be my last article as your Grand Knight and I would like to take the opportunity to thank the Council Membership for all the wonderful cooperation and assistance I received during my tenure.

It was a very satisfying time in office for me. It allowed me the freedom to achieve some very important personal goals. My style is Scotty's style. What you see is what you get. No political involvement, with the good of the Council foremost in my actions.

I know you have elected an excellent new Council Grand Knight and Executive Committee. They will do Council 11886 proud.

Thank you and God Bless.

Unity in Prayer.

Scotty, Grand Knight Council 11886

A word from the editor

If you have any content for Knight Moves please forward to the Editor - Robert Charest at rcharrest@cogeco.ca no later than the Tuesday of the week prior to the council meeting. Also, please forward any comments or feedback on Knight Moves that you might have.

Thank you to all of the contributors to this issue. Please continue.

Note: Knight Moves will not be published in July and August,

Your Prayers are needed

At the 11886 Council Meeting 8 May, 2017 the Knights were asked to pray for the following Knights and their family members who are ill:

Marcus Hacault, Yvette DeBennetti, Thérèse Olivier and Dr Stand Pietak

Who is Jean Pellerin???

Note: We have two Knights who have the name of Jean Pellerin. This article is on one of them.

Left -

Master Warrant Officer (Retired) Jean Pellerin

Right -

Senior Knight Jean Pellerin in full regalia

Master Warrant Officer Jean Pellerin (Retired) was born in Grand-Mère, Québec, on 20 Mar 1961. He is the first in a family of six children. He has two brothers and three sisters.

On the 26 October 1978, at the age of 17, Jean commenced Basic Training in the Canadian Armed Forces (CAF) at St-Jean, Quebec. In 1980, after his occupation training as a Signal Operator, he commenced his first posting at 708 Communication Squadron in Trenton, Ontario where he was employed as a Communication Centre Shift Operator for the next four years. During that time he spent six months in Israel with the United Nations Disengagement Observer Force as a Communication Centre Operator. On completion of this posting, he was transferred to Mons, Belgium at the North Atlantic Treaty Organization (NATO) Headquarters of Allied Power Europe where he spent the next four years as a Communication Centre Shift Supervisor. In 1988, he was posted to the 1 Canadian Signal Regiment (CSR) in Kingston as a Master Corporal where he was employed as a Detachment Supervisor.

In 1992, he was promoted to the rank of Sergeant and was posted to the Canadian Forces School of Communication and Electronics (CFSCE) in Kingston as the Course Director for the Teletype Operator training Qualification Level (QL) -3 and QL-5. In 1996, he was posted to the 79 Communication Regiment in Kingston where he assumed the duties of a Ground Satellite Terminal Detachment Supervisor. His primary responsibilities were to co-ordinate circuit restoration in communications and information networks, and planned communications services as a rear link between Canada and all other NATO countries. During these four years, he spent two tours of duties in Bosnia; one in Zgon and the other in Velika Kladusa.

In 2000, he was promoted to the rank of Warrant Officer and was posted to the Headquarter and Signals Squadron in Petawawa where he was employed as a Radio Troop and Node Supervisor. His duties were to conduct communication exercises using radio, switchboard, computer, and microwave and satellite links and also to train Non-Commissioned Members (NCMs) in long-range man-pack and vehicle mounted radios. In 2002, he was posted to the 3rd Royal Canadian Infantry (RCR) Battalion in Petawawa where he assumed the role of Platoon Warrant Officer and Troop Commander. His duties, in part, consisted as a Battalion and Brigade advisor providing reliable voice and data communications by means of satellite, digitized, fix, air transportable and mobile information and communication equipment. Acting as Platoon Commander required him to monitor and supervise installation of satellite communication systems and digitized HF, VHF and UHF frequencies radios with all types of fixed and improvised antennas. At the age of 44, while with 3 RCR, he obtained his jumper wings. In 2003, he spent six months in Afghanistan on Operation ATHENA as the Battalion advisor on all communication requirements.

In 2005, Jean was promoted to the rank of Master Warrant Officer (MWO). Commencing in February 2006, he work with the Chief Land Staff (CLS) in the Directorate Land Command and Information team (DLCI) as the Army G6 Land Forces Formation Communications Security Authority and Land Staff Communications Security advisor for the Commander of DLCI.

Continuation of Who is Jean Pellerin???

For the next three years, after retiring from the Canadian Forces in May of 2008, he started his civilian career driving Motor Coaches for McCoy Bus Service and Tours. Brother Jean joined the Fraternal Organization of the Knights of Columbus in 2012 and assumed the position of Grand Knight from the fall 2013 to the summer of 2015. Jean states that being a Knight means being involved within your Council, Parish and the Community and that whenever you do get involved you have a feeling of accomplishment. Sir Knight Jean also dedicates his time volunteering for different organizations within the City of Kingston including the OPP and Kingston REACT (Radio Emergency Assistance Communication Team). In the early 80's he was a scout leader for five years.

Jean married on the 5 December, 1981 to Madeleine St-Pierre from Rimouski, Québec. Jean and his wife, a retired Administration Officer at the Canadian Defense Academy in Kingston, have two sons: Steve 32, presently posted in Petawawa as a future CAF Squadron Commander and William 30, currently working for the Department of Veteran Affairs as a Case Manager.

St. Vincent De Paul Lunch - May 10

On the 10th of May 2017, several Knights from Council 11886 were on the loose, but with good deeds on their agenda. At the prearranged start time of 0800 at St Vincent de Paul lunch room, 5 brothers arrived ready for a hard and fun day's work. Laurie (chef), filled with confidence and great ideas, put each knight to work independently. Brother Steve Coombs mastered the duty of cleaning and chopping vegetables after which he cut the apple pies. Brother Raymond Paquin eloquently diced and sliced fruit plates for a secondary desert. Brother Robert Charest helped with all tasks; however, he dutifully manned the dish washer machine keeping all dishes sparkling clean. Time to serve the meal drew near as Scotty Smith and Mac Mackenzie arrived to complete our team. The serving was done quickly and efficiently allowing all patrons to enjoy a delicious meal in a timely fashion. We cleaned up, washed the floor and left for home. The whole experience was extremely successful and the Knights had a great time supporting the St Vincent de Paul lunch program.

Departure of Father David Berezowski

Grand Knight "Scotty Smith" presents a gift to Father David Berezowski, our round table priest at Holy Family Chapel, on his departure from the chapel and his retirement from the Canadian Armed Forces.

Father David Berezowski was the chaplain at Holy Family Church for four years. We all wish him well on his next journey in life.

Even God Likes a Good Laugh

Life Explained

A boat docked in a tiny Mexican fishing village.

A tourist complimented the local fishermen on the quality of their fish and asked how long it took them to catch them. "Not very long," they answered in unison. "Why didn't you stay out longer and catch more?" The fishermen explained that their small catches were sufficient to meet their needs and those of their families."

Tourist asked, "But what do you do with the rest of your time?" The fishermen replied, "We sleep late, fish a little, play with our children, and take siestas with our wives. In the evenings, we go into the village to see our friends, have a few drinks, play the guitar, and sing a few songs. We have a full life."

The tourist interrupted, "I have an MBA from Harvard and I can help you! You should start by fishing longer every day. You can then sell the extra fish you catch. With the extra revenue, you can buy a bigger boat."

"And after that?", asked the fishermen. The tourist replied, "With the extra money the larger boat will bring, you can buy a second one and a third one, and so on until you have an entire fleet of trawlers. Instead of selling your fish to a middle man, you can then negotiate directly with the processing plants and maybe even open your own plant. You can then leave this little village and move to Mexico City, Los Angeles, or even New York City! From there you can direct your huge new enterprise."

"How long would that take?" asked the fishermen again. "Twenty, perhaps twenty-five years." replied the tourist. "And after that?", said the fishermen. "Afterwards? Well my friend, that's when it gets really interesting," answered the tourist, laughing. "When your business gets really big, you can start buying and selling stocks and make millions!" "Millions? Really? And after that?" asked the fishermen. "After that you'll be able to retire, live in a tiny village near the coast, sleep late, play with your children, catch a few fish, take a siesta with your wife and spend your evenings drinking and enjoying your friends."

And the moral of this story is: Know where you're going in life.... you may already be there.

Knights' Support of Annual Fish Fry

On Friday 5 May, Holy Name of Jesus Parish's Mission Committee held its annual Fish Fry dinner at Rideau Acres. For the past several years, rather than having the fish fry during Lent, it has been postponed until after Easter Sunday. In fact, for the past couple of years it has been scheduled for early May and coincidental with Mother's Day weekend. Early May has allowed for parishioners who spend their winters in southern, warmer climates like Florida to return and participate in the event. The fish fry has become the Mission Committee's largest fund raiser of the year.

This year, the dinner was the week before Mother's Day weekend, but we still had an excellent turn out and very successful fundraiser. So, you might be wondering why a Mission Committee event and fundraiser story is being included in our Knight Moves newsletter. I suppose to start with, it may provide some free advertising for future Mission Committee fish fry events. It also just happens that I am a member of both the Mission Committee and the Knights of Columbus. However, the main reason this article is appearing in the Council newsletter is to recognize and thank the members of our Council for the contribution some of them make to the dinner – not just this year, but each year that the Committee has organized a fish fry dinner.

Knights, like other diners, pay to enjoy the fish fry dinner, but unlike other diners, often six or more of them each year help serve the dinner, spelling each other off during the course of the meal. Suffice it to say that, as a Mission committee consisting of just 4 people, if it were not for the assistance of others like the Knights, we could not put this dinner on, at least not without it costing us more and cutting into the fundraising effort.

In closing, I would just like to thank my brother Knights again for all their support, from year-to-year, in helping to make the Mission Committee Fish Fry a fundraising success. We look forward to your support again next year, the Friday evening of Mother's Day weekend.

Note: The editor has been to the dinner two years in a row. The fresh fish, home made salads and deserts make the meal one of total enjoyment. If you have not been to a fish fry yet do not miss the opportunity to go in the coming years.

Would you buy a rain barrel from the two shown in the picture below?

On 6-7 May, Robert Charest (shown on the left) and Ray Paquin (on the right) sold rain barrels outside the Valu-Mart on Gore Road. They are shown here distributing the rain barrels the following Saturday. Unfortunately, it rained on the 6-7 May weekend which made it difficult to sell rain barrels. As well, it was colder than normal for a May weekend. Robert wore his snow pants to try to keep warm. However, made \$30 in donations singing to his potential customers. To trigger the donations he thinks the “pity” factor was involved on this cold day.

The organizer for selling the rain barrels was Peter Scott. He was also the **best salesman** out of the three knights and on the 6-7 May weekend he was also the **wise one** as he remained indoors. At the time of printing \$402 was raised for the new Providence Manor. We have 3 remaining barrels. Contact Peter Scott or Robert Charest (rcharest@cogeco.ca) if you are interested in purchasing one.
