**KNIGHTS OF COLUMBUS  
HOLY NAME OF JESUS COUNCIL 11886**

Volume 24 Issue 1

Kingston

November 2018

## Grand Knight's Message

Brother Knights,

November is a month for Remembrance.

We had our Remembrance Day Wreath Laying Ceremony November 11th, and our Council Memorial Mass will be held on November 24th at 5 PM at Holy Name Church, where the names of our deceased members are read out and remembered. We also remember deceased members of our families.

Thank-you to all the Knights that participated (Alter Servers, Readers, Ministers of Communion, Pall Bearers, attendees) at Thérèse Olivier's funeral mass October 10th. Our deepest condolences to Brother Ken Olivier.

Thank-you also to all the attendees at former Brother Stan Pietak's funeral November 06.

Please remember our military members both deployed and in Canada. They serve all of us.

Please make the effort to stay connected with your fellow Brothers, and encourage them to come out and actively participate!

Please take a few moments to read through this newsletter to see where your skills and abilities can best help our community and others. For those who heard me and others speak from the pulpit at the Masses in October, heard the call to the all men of our Parishes, I will add here: You don't need to do everything within our Council, please just do something!

Jim Laudanski, Grand Knight Council 11886

## A word from the editor

## Your Prayers are needed.

At the 11886 Council Meeting 2 October 2018 the Knights were asked to pray for the following who are ill: Guy Lahaie, Pat Murray, Hudson MacIsaac, and Linda Goodfriend; and who recently passed away: Thérèse Olivier and Stan Pietak.

## Who is Paul Jackson?

Paul Jackson was born in Kingston, Ontario and then lived in the city of Kingston till he was 10 years old. His father is from Elginburg, his mother is from Bath and they were both school teachers. The family moved to Ottawa for jobs and he lived there for approximately 10 years. He has a younger brother who in 2018 became a proud owner of one of our rain barrels. This year, on the day our truck of barrels came in, Paul, sold it to him over the phone. He easily meets the qualifications of Rain Barrel Salesman in his retirement years and is highly recommended to be one again next year for our council

**Note:** This is not an advertisement notice, but readers and relatives should know we now have sold 61 barrels and two are remaining (1 terra cotta and 1 black). Contact the Editor if you wish or know someone who wants to be the proud owner of a deluxe rain barrel at the rock bottom price of \$55 which includes tax and a charitable gift receipt upon request from the Kingston Hospital Foundation.

Paul attended Fisher Park High School in Ottawa. He played house league hockey and was also a runner on the high school track team. He indicated however, that his parents did not have to buy a cabinet for his sports awards. In school, his favourite subject was not Mathematics but Geography. Mathematics was at the other end of his achievement spectrum. He states that it was later in life, he acquired a taste for learning.

Paul comes from a family of school teachers. His dad has three sisters who were all teachers and two of them are also married to teachers. One of his mother's brothers was also in the occupation as well. After graduating high school what path did Paul choose? He entered Teacher's

College in Ottawa and graduated in 1965.

His first teaching job was in Sudbury, Ontario and he remained there for four years. In 1969 he was offered the position of a school principal (grades 3-7) in Bergland River, Ontario and was there for four years. In those eight years of teaching he learnt that young children recount things at school which parents may find somewhat embarrassing but would be of great human nature interest. In other words, he learnt a lot of tidbits of information about the parents and family life of his students by just being a listener. From 1974-1988 he was the principal of five different elementary schools in Fort Frances, Ontario. In 1991 he became the Superintendent of two Catholic School Boards. One was in Dryden, Ontario and the other was in Fort Frances. The two locations are about a 200 kilometres drive apart which in winter was about a 3-hour drive. Hence, he would spend half a week at one location and the rest of the week at the other location. In 1997, he became the Director of Education for the school boards in Fort Frances and Dryden and his first job was to amalgamate them as per the direction of the Harris Provincial Government. In 1999, he retired and moved to Rainy River Ontario.

In 1970, he met a fellow teacher by the name of Margaret and they both could not keep their eyes off each other. Hence, to make the Harlequin romance part of his story short and concise, I will just say they married. They have one son who is a Detective with the OPP. Paul has two grandchildren, a boy and a girl.

To become a Director of Education Paul undertook an extensive education program. After teacher's college he spent 7 years on a part-time basis working on his Bachelor of Arts. He attended courses in the evening at Laurentian University in Sudbury and at Lakehead University, graduating in 1977 from Lakehead University. Over the summer months of 1978-1981 he took courses from University of Ottawa graduating in 1981 with a Master's of Education Degree in the field of Psychology.

## Continuation of Who is Paul Jackson?

Over the winter months of 1978-1982 he took courses at Bemidji State University in Bemidji Minnesota graduating in 1982 with a Master's in School Administration. Hence, he was working on two master's degrees from 1978-1981. It is a good thing that Paul used the 24 hours in a day efficiently.

In 2000, he moved back to Rainy River and had a house built by the river on the 150 acres he owned. The land had been clear cut of its lumber many years ago. He decided to replant trees on the land and bring it back to its natural state. Over the next decade or so he planted 25 thousand pine trees. Hence, Council 11886 has a professional tree planter in their midst. Perhaps, Knight Roger Bedard could use his help in his tree planting project on his acreage but I believe he has finished this task. Paul was later recognized for his land restoration by a local environmental group and received a base ball cap with their logo. He now had something to put in his trophy case. In 2014, due to grandchildren sympathy pains they returned to Kingston.

Prior to being a member of Knight of council 11886 Paul was a member of the council in Rainy River as well as in Fort Frances. He participated in as many activities as he could with the various councils, but he indicated one council was more active than the other. He was pleased to become a member of our council as he met members of his community he would not otherwise have a chance to meet. He enjoys participating in the council's activities, and the fraternal and social opportunities.

## Father Dany Perreault Receives Knights Life Membership Card

Father Dany Perreault (centre) is seen receiving his Knights Membership for Life Card from the Deputy/GK Robert Charest (right in picture) with Father Werunga (Holy Family Chapel's Chaplain) present, prior to mass at Holy Family Chapel on Sunday 28 October. Father Dany became a member of our council in September of this year. Prior to his arrival at the Canadian Forces Base (CFB) Kingston he was a military priest at CFB Valcartier. The chapel has not had a French speaking priest for almost five years, so his arrival was warmly received.

The D/GK had received the card after being away for almost 3 weeks visiting out West. He decided, with little thought, that he should present it to him before mass the coming Sunday. Upon receiving it, Father Dany stated, "I have already received one." The D/GK, replied, "Is it possible that our Knights Supreme Office has made a mistake?" The D/GK indicated to Father Dany, that, "as he was about to go into the confessional prior to the next mass, he must be in a forgiving mood, and should consider forgiving the Supreme office." A parishioner, overhearing, indicated that the Supreme office probably did not give it to him by mistake and that in all likelihood it is to be used while he is in heaven. Could this be plausible?

In any case, Father Dany thanked us for the second card and went to his confessional. Afterwards, the D/GK thought that the GK should have presented this card in lieu of him and considered following Father Dany to the confessional to ask him and the GK for forgiveness.

## A little Catholic Humour

A photographer on vacation was inside a church taking photographs when he noticed a golden telephone mounted on the wall with a sign that read '\$10,000 per call'. The American, being intrigued, asked a priest who was strolling by what the telephone was used for. The priest replied that it was a direct line to heaven and that for \$10,000 you could talk to God. The American thanked the priest and went along his way.

Next stop was in Atlanta. There, at a very large cathedral, he saw the same golden telephone with the same sign under it. He wondered if this was the same kind of telephone he saw in Orlando ad he asked a nearby nun what its purpose was. She told him that it was a direct line to heaven and that for \$10,000 he could talk to God " Okay, thank you" said the American.

He then travelled to Indianapolis, Washington DC, Philadelphia, Boston and New York. In every church he saw the same golden telephone with the same '\$10,000 per call' sign under it.

The American, upon leaving Vermont, decided to travel up to Canada to see if Canadians had the same phone. He arrived in Canada, and again in the first church he entered, there was the same golden telephone, but this time the sign under it read '50 cents per call'. The American was surprised so he asked the priest about the sign. "Father, I've traveled all over America and I've seen this same golden telephone in many churches. I'm told that it is a direct line to Heaven, but in the US the price was \$10,000 per call. Why is it so cheap here?"

The priest smiled and answered "You're in Canada now, my son. It's a local call."

## Memorial Bench Service - 27 September

(A Memorial Bench Service for three deceased Knights of our council took place on 27 September at Holy Name of Jesus Parish after the 5 PM mass. Below are the words of Sir Knight Gary Richards, our first Grand Knight of our council, spoken at the event. Sir Knight Pat Stenson assisted him in organizing the event for the event).

Every day, Knights all over the world are given opportunities to make a difference,----whether through community service, raising money or prayer. We celebrate each Knight for his strength, his compassion and his dedication to building a better world.

Today, our Council 11886 would like to honour three of our deceased members in a public way; to demonstrate that they are and will be missed. To thank them for all they did in the short time they were here with us, and to wish them happiness in Heaven with our Holy Father.

Accordingly; our Knights of Columbus at Holy Name of Jesus will be dedicating a nameplate for each that will be attached to our Memorial Bench in order that we have a place to pray and remember them. Family and friends take comfort from our Memorial Bench and value it as a lasting way to honour a loved one.

The first of our three recently deceased members we would like to honour is Brother Andre Deraps: Andre joined the Knights of Columbus just before our Council was formed, November 1996. He joined and received his 1rst, 2nd and 3rd Degrees in April 1996 and lived in Barrie Ontario at the time. In 1999 the family moved to Kingston, and in 2004; Andre advanced to what we refer to as, "The Patriotic Degree", the 4th Degree, and became a member of Assembly 0857, here in the City. Although not many of us knew him well at the time; he must have been a valuable Knight of Columbus because he became a field agent and sold Knights of Columbus insurance during the years 2000 thru 2007; a job whose primary purpose is rendering pecuniary aid to our members, their families, and beneficiaries of members and their families. Something Andre' strongly believed in. Andre served in our Canadian Armed Forces with the Royal Canadian Airforce and attained the rank of Chief Warrant Officer (24 years). To Brother Andre always liked, and always pleasant to those who knew him, passed 15 August 2012. We thank you for your service for all those years. God Bless.

The second of our recently deceased members we would like to honour is Brother Ray Croxford:Ray originally joined the Knights of Columbus in 1988 with Council 4177 in Gananoque. Not many know; but Ray started the K of C Squires group in Gananoque and one of his Squires was Father Brett Brennan, currently a priest of our Diocese here in Kingston. Ray became a 4th Degree Knight 15 September 1999, the same class as me! He was a good Color Corp member and participated, wearing his regalia on many occasions. In 1999 he was elected Deputy Grand Knight for two years serving our Council in that very important role. Ray was an accomplished welder and we can thank him for the wonderful Wrought Iron Railing that graces the entrance to our Church, the wrought iron rail in our St. Joseph's flower garden, and the base for the cross on the alter. He was a valued member of our 9:00 A.M. Church Choir for a long time. With all the things Ray had done while in our presence; it is easy to recognize him as having been a Worthy Knight. Ray passed May 3rd, 2018, God Bless.

The third of our recently deceased members we would like to honour is Brother Bill Walker. Bill joined the Knights of Columbus when our Council 11886, was formed November 5th, 1996, so he was a charter Member. Bill gained respectability very quickly and was elected Deputy Grand Knight for the first two years of existence for this Council. He was then elected Grand Knight for the Fraternal years 1998 and 1999; so he inherited a relatively new Council that still required a large training component. Bill was an inspiration to the members of our Council and demonstrated a natural leadership ability which is what was required from a Grand Knight leading a group of relatively new Knights of Columbus at that time. He went on to become a 4th Degree Knight and was an active participant in their honour guards and parades. Bill was a member of the Canadian Forces and worked for Correctional Services Canada prior to his retirement. He was a long-time parishioner of Holy Name of Jesus. He was a great asset to the Knights of Columbus right up to his passing January 24, 2017. He will be missed. God Bless.

Brother Knights and Parishioners; We already have 7 deceased members that we have honoured in the past. Their name plates are on the Memorial Bench, so we can remember and pray for them. They are:

James Stenson

Thomas Stenson

Robert Dundon

Ronald Arsenault

Patrick Sheehan

Philip Marshall

Carmel Violette
