Grand Knight's Message

Hello Brother Knights

The thought of going into another year of the pandemic is difficult to say the least. It may continue for some time, perhaps years. The science tells us masks and vaccines work. We must take these precautions and others for the safety of our families and our community. Our council will observe KFLA Health Unit regulations for our events and all must cooperate in these measures. At our first public event on the 26 Sep, our 25th Anniversary Event, which will be outdoors please refer to page 8 for the latest details. For all of our events it is *mandatory* that all attendees of age 12 years and up be vaccinated and that proof must be provided upon arrival. The vaccine passport comes into affect the 22 Sep and the phone version of this will be available 1 October. Hence, this should facilitate things for our events.

There are parishioners not comfortable attending mass due to health and perhaps other reasons. Hence, we cannot expect that all knights participate in our events at this time but only if they are comfortable to do so. However, our council must learn to live safely with this pandemic.

Since our last meeting in June our Executive members, Trustees, and Directors have been busy with planning for the year, as well as volunteers have been busy at Vincent de Paul, grass cutting, the vestibule and porch renovations at Holy Name of Jesus parish. Please read on about these activities. Our grass crew did not get a break in August as the lawn grew as if it was the month of June. However, Sir Knight Roger Levac gave the crew reprieve for July by hiring contractors for this month. **Thank you Roger.** They relished this break from the hot weather.

On the 29th Sep we have a Fraternal Insurance on-line event. Please invite your friends and family to view with you. We can all learn from these keynote speakers and it is wiser to learn these things early in life. As a council we have to have representation at these events. Please advise your GK if you may attend.

We are pencilled in to work on the Fridays of 1 and 29 Oct for Habitat for Humanity in Grenadier Village in Kingston. Four homes are being constructed. If you are interested contact the GK soonest.

Robert Charest, GK of K of C Council 11886, P.S.– Our website has changed to 11886knights.github.io/

A word from the Editor

If you have content for Knight Moves please forward to the Editor - Robert Charest at knight11886RC@gmail.com no later than the Tuesday of the week prior to the council meeting. If you submit after that there is no guarantee that it will appear in the next issue. Also, please forward any comments or feedback on Knight Moves

Your Prayers are needed

At our June meeting Knights were asked to pray for the following who are ill or in distress : Derien Smith, Basil Brosso, Dot Robinson, Rolande Turcotte, Lawrence Kennedy, Christine Grant and Roger Cole.

A Personal Experience with God

"I remember a particularly vivid personal experience I had with God while being tortured in prison. It was during the second of two long torture sessions of five continuous days and nights in what we called 'The Rig.' I realized that I had reached the limit of my endurance — that if the pain continued I would be forced to do anything they asked. So I simply said: 'God, I'm putting it all in your hands now. I've taken all I can take.'

"Never before have I had a prayer answered so spectacularly. From the instant I phrased it, it was answered. I never before have experienced such physical comfort and serenity of mind."

From "What is America?" by Rear Adm. Jeremiah A. Denton Jr., August 1975 *Columbia*. Denton, a prisoner of war in Vietnam for more than seven years, became famous for communicating the treatment of POWs to the world by blinking the word "TORTURE" in Morse code during a propaganda broadcast. A member of the Knights, Denton served as a U.S. senator from 1981-1987.

Honourary Life Membership

On Aug 5 Tadeusz Miksa received his Honourary Life Membership Card for achieving 25 years as a Knight.. In fact he achieved this milestone as of 12 Nov, 2020. However, due to the pandemic many things are behind schedule in the administrative world. Achieving this milestone means he no longer is required to pay the council's yearly dues.

Bulletin Bloopers

- ♦ Please place your donation in the envelope along with the deceased person you want remembered.
- ♦ A bean supper will be held on Tuesday evening in the church hall. Music will follow.
- ♦ For those of you who have children and don't know it, we have a nursery downstairs.
- ♦ Next Thursday there will be tryouts for the choir. GK participates. They need all the help they can get.

Rain Barrel - Continuation of the Fundraiser

Due to demand we had a second delivery of 59 additional barrels on the 11 Jun. Brothers Scotty Smith, Pete Scott (the organizer of the event) and Robert Charest unloaded the truck of barrels on a beautiful Friday morning at Holy Name of Jesus Church grounds. The next day about 30 barrels were picked up by customers. On the 19 June we planned another sale in the Valu-mart parking lot at the Rideau Town Centre. However, forecast was rain so the GK cancelled it on 17 June. In the end, the 19th June turned out to be a beautiful day, the nicest day in June. Lesson learnt—the weather forecast is not always correct. We scheduled a sale the 26th June and the day's weather was cloudy with some rain. We sold 7 barrels which was not great for Brother Ray Paquin and Robert Charest's who weathered the outside rainy and cloudy day. Brother Pete Scott, individually, slowly sold the barrels over the next month.

In August, Brother Mike Stenson presented a cheque, from our rain Barrel profits, \$2479 to St. Vincent de Paul for the construction of the new St. Vincent de Paul. This is 1K more than forecasted. Lesson Learnt—Never underestimate the demand of a Rain Barrel Sale. The GK has indicated this is the greatest amount of funds he has ever been involved in raising with the Knights. The credit though must go to Brother Pete Scott who organized the year's event. If a knight wishes to organize if for next year please speak to the GK.

Substance Abuse Poster Contest

Picture at left: Student from St Martha school is one of the Council 's two District 20 (Medallion around neck) and Eastern Region Award Winner (the plaque) of the Ontario Knights of Columbus Substance Abuse Awareness Poster Contest.

Knights of Columbus Substance Abuse Awareness Poster Contest must fall under one of these topics: Alcohol Awareness and Abuse or Drug Awareness and Abuse. Each poster must contain a slogan reflecting either of the topics visual image. The age divisions of submitted and winning posters for each of the "Alcohol Awareness and Abuse" and the "Drug Awareness and Abuse" categories are: Age 8-10; Age 11-13, and Age 14-17. The schools who are normally involved are Holy Name, St Martha's and St. Francis Assisi. The posters are judged by the Community Director at the council level, then the winners go to the District level and the winners from this level go to the Eastern Regional Level. This was a challenge to our Community Director,

Brother Jim Laudanski, to our schools and their teachers and students, during this year of the Covid-19 pandemic. Organizing the contest was made more difficult due to limited access, school structure changes, closures and delays. Historically councils who sponsor the poster contest enjoy a great relationship between the local school principals, teachers and students and the Knights of Columbus in their community. There were five regional winners and two are from St Martha's sponsored by Council 11886.

Holy Name of Jesus's Church Renovations to the Presbytery

9 Jun - Report by Knight Joe Stenson

I was going to tackle the painting job of the white boards on the porch after the sealing of the church vestibule was finished. So, we erected scaffolding and I proceeded to tackle the job. We came across several boards that were rotten and needed to be replaced. We asked Pete Bodnick a parishioner, a professional in the area of renovations, to stop in and look at the situation.

He asked us to open some of the facia so he could look at the internal supports and structure. We found trusses that support the roof rotted away, supports that hold the upper level up, rotted away and the main deck support had collapsed. We had planned on doing the main deck support in July. Pete Bodnick suggested that we move up the timeline, due to the serious weakness in the whole structure.

He was/is our lead foreman, along with Fr. Wes. Pete came down and we braced and lifted the upper level. Then we removed and replaced the front main deck support. Installed 2 new 6x6 corner posts. We tore out the old deck floor joists, as they were mostly rotten and put in new floor joists.

We are in the process of scrapping, sanding and painting the facia boards that were removed, in order to put the puzzle back together so it should look like it was before (only stronger, straighter and better looking with new paint) and keeping to the Heritage Building Designation specs. We are in the process of ordering all new windows on the upper level, as the framework was also rotten. Windows will take from 3 to 8 weeks to come and Pete will be our lead hand on that project. Pete has only worked on the site for 2 1/2 days and I suspect somewhere short of 2 days to complete the windows

Helpers names are as following. Peter Bodnick and Knights Father Wes, Paul Coulter, Mathieu LaRose, Pat Stenson and Joe Stenson. Others have volunteered to help but we had to turn them down as you can too many people on the project at one time.

June 23 Report submitted by Sir Knight Pat Stenson

Picture at left: Just 76 days after Brother Jim Laudanski's double knee operation he is at the job-site sanding boards. The week before he had been played golf.

Holy Name of Jesus's Church Renovations to the Presbytery - Continuation

Picture at right: Brother Pat, as on-site foreman, giving some direction to Brother Robert. Due to the fact that the presbytery is a heritage site as much of the original wood had to be saved and used. Hence, the members went to a great deal of effort to save as much of the original wood as possible. Like all renovations you do not know how much work is involved until everything is opened up and determine what is required.

Picture at left: **Friday 25 June,** Brother Robert Bouvier sanding a porch banister to the beat of Brother Robert Charest's singing and the roar of a lawn tractor in the background driven by Brother Paul Jackson. That day there were knights cutting the lawn as well. The Knights were like bees and they were everywhere on the church grounds.

On that day Brother Pat Stenson's knife landed in a pail of paint by accident. After the moment of

this happening, Brother Robert C's left hand and arm dived into the bucket to retrieve it. After the primer bath & a clean water rinse the knife was as good as new. Ask Pat about the details of the story. Hence, if you wonder why there is paint on the hose at Mgr Raby House this has something to do with it.

That day Fr. Wes worked on installing the trim on the porch and then Pat Stenson caulked the seams, did a little finishing sanding & put on the final coat of colour. *The next day Brother Joe Stenson, at his weekly coffee break at Tim Horton's, indicated he had spent at least 200 hours on this project.*

Picture at left: 21 Jul,
Father Wes is seen pre-

paring to tile front foundation supports prior to building new front steps. He is a true jack of all trades.

Picture at right: 3 Aug. The porch is awaiting the arrival of the windows floor and some final touches. This was a large project to take on. Will Brother Pat volunteer to coordinate another project? I will await for a response. Thank you to all volunteers and especially Pete Bodnick and Brothers Father Wes, Joe and Pat Stenson.

Phase II OF Holy Name of Jesus Vestibule Project

Picture at left: Brothers Pete Scott and Jim Laudanski take a moment to discuss some aspect of the Holy Name of Jesus Parish vestibule work for Phase II. Phase I consisted of finding and repairing the leak in the vestibule. Phase II is renovating the damage inside the church vestibule. Like the porch project, it is a parish project and not a Knights activity. However, the majority of workers are Knights. Brother Jim Laudanski is the site-foreman. So far Brothers Joe, Mike and Pat Stenson, Phil Henderson and Pete Scott have been involved. The work commenced in early August. At this time the next step is for the contractor to come in for the insulation work. After that additional volunteers will be required to do the drywall work. At press time the drywall worked stopped due to another leak.

St. Vincent de Paul Lunch Program

Picture at left on 9 June – Brother Mathieu Larose stops momentarily from his task of packaging the take-out lunches.

Brothers Mathieu and Robert Charest with spouse Joan prepared and served the lunch to 141 people. Brother Robert took his regular recuperation nap that afternoon but it lasted 2 hrs.

Picture at right on 30 June - Jeanne Turcotte (Brother Raymond Paquin's spouse) and Brothers Ray and Mike Stenson prepared and served lunch to 122 people. In this picture they are preparing a macaroni salad. The difficulty in this task is finding the correct lid for the different salad dish. Unfortunately during the pandemic the St. Vincent de Paul daily meal has had to resort to using a lot plastic and cost for the meals.

Picture 2 at right on 30 June - On this day our council had assistance from a drop-in volunteer, Brother Adam, the DGK for St. Joseph's Parish Knights Council. In this picture, Brother Adam is the farthest to the right. The Editor thinks our aprons are nicer than St Joseph's council. What do you think?

Picture at left on 11 Aug: Sir Knight Roger Levac is seen preparing the bags of take-out lunches. I wonder if his spouse realizes he is very handy in the kitchen? She has mentioned to the editor he spends a significant amount of time working on projects in his garage. On many occasions in the past Roger has come in to sharpen all the knives at St. Vincent de Paul. Afterwards, the volunteers comment when they commence work that the knives have been sharpened and he has been around. Joan Charest and Brother Robert assisted him as well that day. 101 lunches were made and served.

St. Vincent de Paul Society - Donation to new bldg. Construction.

Picture at left- Brother Mike Stenson, Council Chancellor and Coordinator for the St. Vincent de Paul Lunch Program, is seen presenting a cheque for \$2479 to Laurie Day, Staff Member of the Society for their new building. Their present building had outgrown their space. We have Knights and spouses who work there on the 2nd and fifth Wednesday of every month. This donation was raised from our Rain Barrel Sales which was organized by Brother Pete Scott and was a huge success. Over 150 barrels were sold. Funds from this sales program also went to Catholic Christian Missions (\$200) and the Priest Retirement Fund(\$200).

The St Vincent de Paul Society plan is to commence in the spring of 2022. They have a fundraising program, at present, which is well underway. The council has also raised over \$1K in donations from our Video Fundraiser at:

<https://youtu.be/G5AmMNIw1NU>

then go to gofundme and search for “11886” to donate..

If you want a good laugh you must put this on your To Do Viewing. At the time of printing of this edition we have raised \$1041 (with other cheque donations) and a pledge for 2.5K upon the start of construction. **Thank you Brothers Mike and Gary for promoting the event!** Hence our council efforts will have raised about 6K to this effort.

Blow Drying tents

Picture below: Pat Stenson is blow drying a tent. He discovered a leaf blower does a very good job in drying a tent after a rainfall. The council has a couple of large tents (10x20) and one (10 x 25) which we rent out for use. We also have a large BBQ which is

used for the parishes, the council and occasionally rented. Hence, this is a source of income for the council. Brother Pat, is in charge of this activity. However, for this task he needs volunteers periodically to put up and take down the tents. To set up one of these tents it takes 3 persons to do it safely and quickly and takes about 30 minutes for the task. If you can volunteer for this give your name to Brother Pat. He would like a list of knights to call periodically to call on a rotation basis.

Note: We are looking for a small and light utility trailer to move and store the tents. Contact Pat if you have a lead on one.

Continuation from page 2 on Joe Jordan's Online at 7 PM 29 Sep Presentation

Join us for an informative online presentation by inspirational speaker and behavioral finance expert Joe Jordan. Joe will discuss "**Stress-Free Retirement Planning**," including how to plan for your financial future and a secure retirement. Joe believes in the mission of the Knights of Columbus to protect families by providing economic security and stability. Only by helping others can we truly "Live a Significant Life." Here are some of the topics Joe will cover:

1. The importance of "Living a Significant Life" that goes beyond merely accumulating wealth
2. Eight steps to financial security
3. Capital markets explained in 5 minutes
4. The importance of having a plan and a partner
5. Why long-term care doesn't have to be a financial nightmare
6. How to turn hard earned assets into reliable retirement income
7. Protecting your loved ones with life insurance
8. Why patience pays when claiming CPP
9. Six risks to a secure retirement and how you can insure against them

His talk will give you new insights into your financial affairs without losing sight of your faith and values. **To register contact Stephen Henderson, our Fraternal Insurance Advisor.** Refer to page 10 for his contact info.
