## Grand Knight's Message

Greetings Brothers of Council 11886...as this Fraternal Year comes to an end, I wanted to share a recap of our successful year.

It was a pleasure to serve as your Grand Knight. I'm confident that we can find ways to grow, serve our community, and make a difference in Our Catholic Community of Holy Name and Holy Family Chapel. Remember we are linked by a common goal, to love and serve the Lord. We started the Fraternal Year with a good plan, we had some bumps but we have had an extremely successful year. As many of you know, our mission is based on charitable activities, which includes creating fundraising opportunities to support those charities. We were very successful in supporting our Gift Cards, Knight's Deals, Rain Barrel Sales, Tent Rentals, Pancake Breakfast and KofC Lottery. I want to thank Peter Scott for his leadership in Gift Cards and Knight's Deals.

The success of the fundraisers enabled the Council to fulfill its financial obligations and charitable activities. The Council also supported or hosted several spiritual events during this past year. Charitable activities included the following:

Seminarian Support. Our seminarian was provided with \$500 for his Seminary needs. Donations of:

\$2114 + to the SVDP + more collected during the food drives  
\$400 to Clothes for Kids  
\$600 to the Natural Family Planning  
\$1272 to Holy Name of Jesus Parish  
\$ 200 Global Wheelchair Foundation

\$1314 to Catholic Missions  
\$1000 to the KofC Ukrainian Relieve Fund  
\$557 to the Special Olympics Kingston.  
\$298 to Holy Family Chapel

Over \$8000 was donated! Congratulations.

Brothers Phil Henderson and Jean Pellerin maintained our financial/budgetary obligations. The Council recognized Knight of the year and Family of The Month recipients throughout the fraternal year. We also presented certificates of appreciation as recognized. On behalf of our Council I want to thank Brother Jean Pellerin for his many years as Treasurer. We prepared and served meals at SVDP thirteen (13) times, supports our parishes for BBQ's, First Communions, Confirmations, repairs and construction, lawn and grounds maintenance, served at school BBQ's , conducted school sporting events and highway cleanups

The Council sadly lost the wife of late Brother Jean Pellerin, Carol Pellerin and the daughter of Brother Ken Olivier, Karen Olivier. Council 111886 recently held elections and have voted in new officers for Fraternal Year 2022-2023. Congratulations to the new Executive. In closing, it has been my privilege to serve you as Grand Knight. I thank all of you for your support. I ask all of you to support our incoming Grand Knight, Pat Stenson, DGK John Schell and the other incoming officers of Council 11886.

May the Peace of Christ be with all of you and your families! Vivat Jesus

Jim Laudanski, GK

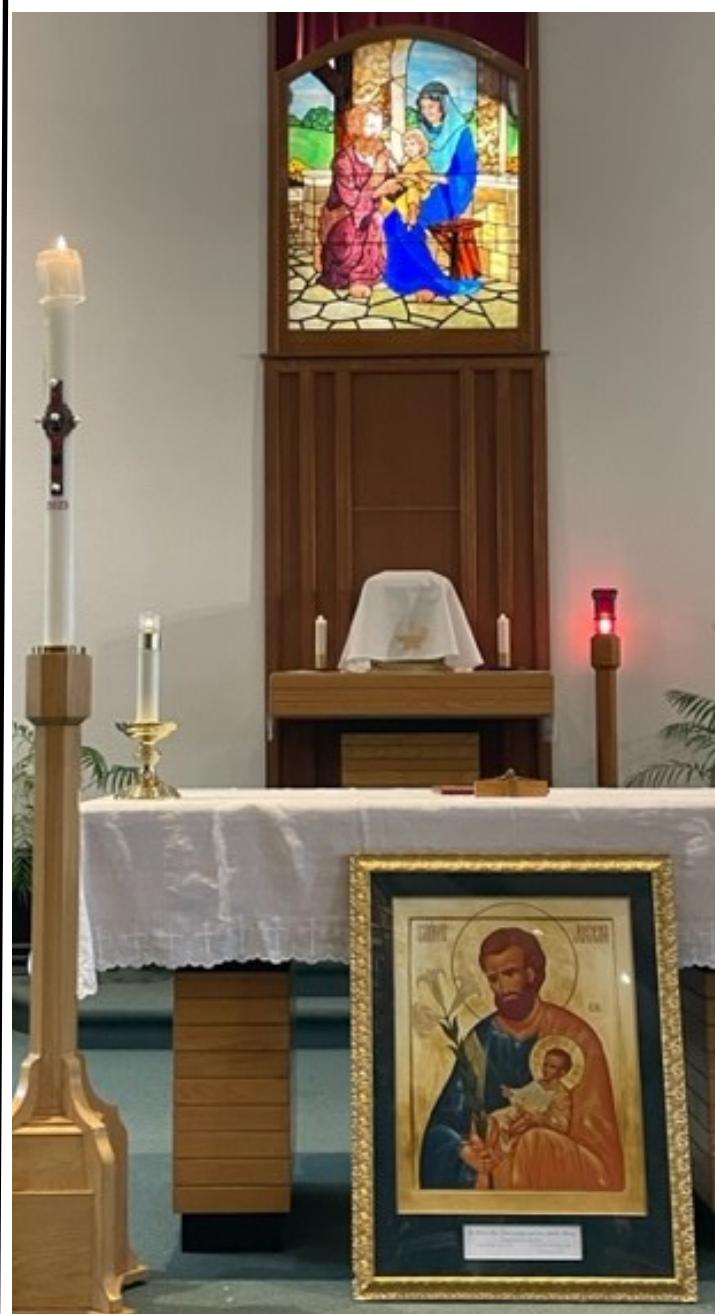

## Visit of Bishop of the Military Ordinariate to Holy Family Chapel - 30 April, 2023

**Picture at left:** The photos show the St. Joseph's Icon on the altar and the presentation of Confirmation pins from our Council by SK Ray Paquin (SK Scotty our Round Table Chairman was busy firing up the grill). Knight Steve Bycock helped with the BBQ set-up, then presented a gift to each of the confirmation candidates on behalf of the CWL.

On Sunday 30 April, a bilingual mass was co-celebrated at Holy Family chapel, CFB Kingston by the Bishop of the Roman Catholic Military Ordinariate of the Canadian Armed Forces, Monseigneur Scott McQaig and Lieutenant (Navy) Father Gleb Pistruga, curate of the chapel. This

mass included the confirmation of six teenagers and one adult who had been prepared for this sacrament by Dr. Holly Garnett, an Associate Professor of the Royal Military College of Canada. This preparation included other persons at different Canadian Forces Catholic chapels and was done on-line for those at a distance. This was the first sacramental in preparation reaching out to chapels at other Canadian Forces bases in Canada.

The chapel was fortunate to have on display the K of C icon of St. Joseph for this occasion. This icon, shown in the picture at the bottom left, is being circulated to parishes by the Knights of Columbus initiative. District 20 Deputy, SK David Caracciolo, organized the loan of the icon to the chapel as well as to other parishes within the Kingston area.

Following the mass, the congregation enjoyed a BBQ lunch in a gymnasium across the street from the chapel. Roundtable Knights under direction of SK Scotty Smith helped set-up and conduct the BBQ with Scotty serving as grill-chef.

### Holy Family Chapel Gift Card Donation

Round Table Chairman, Scotty Smith presented the chapel's portion of the Gift Card Donations for 2022 to Father Gleb. The amount was **\$298.42**. This same amount went to the council for their donations. Hence, the efforts of chapel members buying gift cards resulted in a total of **\$596.84** which can be used for the public good. Let's all participate using Gift Cards. For the chapel contact Scotty Smith.

## Winner of the K of C 50/50 Lottery Draw on 30 April - is from Kingston

The last draw for this fraternal year was held on April 30th at the Ontario State Convention. The winner of this final draw took \$ 16, 976. The winner is a member of the St. Paul's parish in Kingston. The next sale of lottery tickets will take place September.. Our portion of this final frater year lottery, 25% of total sales sold from our council lottery website . \$47.50 will be donated to St. Vincent

## Community Event - Highway Cleanup - 17 April

On Sat, the 17 April twenty-four Knights and volunteers converged on Highway 15 between Tim Horton's on Innovation Drive and the Park and Ride just north of the highway 401. The city of Kingston under the Spring Cleanup Program provided garbage bags for the event. From our efforts Knights Pat and Mike Stenson filled up both of their pickups with garbage bags and other forms of garbage. The Tim Horton's on Innovation Drive provided donuts, tidbits, coffee and hot chocolate.

The Knights who attended were: Pat Jordan, Ivan Marche, Pat Stenson, Mike Stenson, Raymond Paquin, Robert Charest, Justin Yoo, Father Gleb Pistruga, Geoff Hampton and Gary Richards. Gary made no secret he came for the donuts. He stills hold the record for eating 3 donuts at a cleanup.

Other volunteers included a P.J. Lee, Brian Mayfield, two young men known by Pat Stenson, Paul Paquin, Justin Yoo's son and daughter, a woman with three little ones who passed by and mother asked to volunteer her family's person power, Gleb Pistruga's daughter and G. Hampton's son also came. We had 7 children who get their children busy for 2 hrs working for their community. The Knights clean-up is a mother's dream machine.

At 08:30 AM We had the adults and children over 12 year olds commenced working on Highway 15, on both sides of the highway, walking south.

At 9:30 hrs. the volunteers e children under 12 years of age elected their chosen donut and commenced working with their parent.

At 10:00 AM a passerby supplied us with another dozen donuts and a box of Tim Horton's coffee. Garry Richards was happy. Thank. You.

The cleanup ended at about 10:30 AM. The weather cooperated and we all had a good morning which was Part of "Pat Stenson's Exercise Program." Contact Pat S. for this and other Exercise programs such as lawn cutting, leaf cleanup and others which come up with as required.

Regretfully, for some unexplained reason all the pictures the Editor took of the event did not seem to work out. He accidentally, took many selfies of himself and others did not materialize. Everyone must have a good laugh on this and remind him to bring his camera and not use his phone in the sunshine.

## A word from the Editor

## Council 728 ( St Mary's) Received Division 40 and Ontario State Quota Awards

**Picture at left:** GK of 728 Stephen Henderson, our former Fraternal Advisor up to last year, receives from S/K Al Debenetti, DD of District 93, the Award from State for receiving the Highest Quota in Division 40 for Enrolling new knights and also for the entire Ontario State. Grand Master, David Cupido, responsible for the Kingston Assembly is present as well

Council 728 exceeded their quota of Knights by 280%. Every year each council receives a quota of new knights they should target to enroll to compensate for transfers, deaths, etc to help maintain the health of their council. Our council is still working on accomplishing their goal of 5 new knights. We had 1 new Knight enter the council, Steve Fujimura. He has already worked at St. Vincent de Paul lunch program and our Rain

Barrel Sales Day and pickup on the 26 May. We have an additional knight enrolled but he has not completed his Exemplification degree and we have 3 knights transferred. Unfortunately, transferees do not reduce our quota but we do welcome their presence to our numbers.

Our council wishes to congratulate Council 728 and GK Stephenson on this extremely significant accomplishment.

## Ten Set up by Potential Prospects and their Sister Elisabeth

On June 5, S/K Pat Stenson, our Tent Coordinator, enlisted Nathan, Samuel & Marcus Hacault to set up the tent for a funeral that afternoon. Our council attempts to look at prospects early in their lifetime and these boys hopefully one day will become Knights. They have the foremost principles, Charity as well as Family down pat.

Later, they took down later the tent as well.

Of course they were also assisted by their sister Elisabeth but also help and provided sage advice on the task.

## St Vincent de Paul - Lunch Program - April 12, May 10 and 31

On Wednesday, **April 12th, 2023**, Ray & Jeanne Paquin and myself prepared 155 takeout lunches for patrons of St. Vincent de Paul. Pictured here, Jeanne is bagging up fresh grapes for the taking while Ray is on route to replenish his water supply for the seemingly endless demand for coffee. The meal was a simple but popular "Shepherd's Pie" with a fruit salad that appears in the photo beside Jeanne. There were other food offerings free for the taking such as avocados, tangerines, bagged flour, breads, apples, oranges and the grapes. We completely ran out of those items as the supply has been diminishing while the demand has been consistent. The sun made for a much more pleasant outdoor dining experience for people to consume their lunch. A new starting time for volunteers has been established by the management and that time is now 8:30 AM instead of 8 AM. Three different people dropped off donations for those in need during our five hour time there. Those times sill be put to good use. **Submitted by :** Chancellor Mike Stenson

On **Wednesday May 10th**, Jim & Marguerite Laudanski joined my self along with the former secretary for Holy Name School to assist our very capable "Cook Leslie Inglis" to prepare a simple takeout lunch of a pasta with meat sauce and a kale salad for about **150** needy patrons.

### Gift Card Profit Donation to Holy Name of Jesus

**Picture at Left:** Knight John Schell presented a cheque to Father Wes of Holy Name of Jesus Church.

The cheque for \$1272 was the parishioners 50% portion of their 2022 Gift Card Profits,. The other 50% goes to the council for their good works and donations. On this Saturday May19th John also presented a girl with a Rosary for her First Communion which is part of our Sacramental Gift Program.

For our Publicity purposes and to encourage parishioners to participate Knight Bob Bouvier presented the same cheque at the Sunday morning mass and Knight Pat Stenson did the presentation at the Polish Mass. Also, Pat, by attending the mass is very slowly learning Polish. We wish him well in this endeavour

## Council 11886 Immediate Reaction Tent-Set Up Force Sees Action

**Picture at left in wet clothes:** Kniights Jim Laudanski, Paul Jackson, Stephen (Steve) Woods and Mike Stenson in his stylish/practical rain outfit.

Well done On Saturday May 20th, Brother Knights Jim Laudanski, Paul Jackson, Steve Woods and myself all gathered at Holy Name Church to erect one of the council tents for the Catholic Women's League plant sale. The call came in just after 11 AM and the team went into action after lunch in the rain for about 2.5 hours. Normally, it would take a team of three about 45 minutes if they were very familiar with the process.

It was a wet build for all four of us as we completed the job using some old & established trial and error methods. In the end we did get the shelter built, tarped and tied down. There definitely was a learning curve to it and we four are now better prepared to assist in upcoming builds. Sunday the 21st was the takedown. Knights Jim Laudanski, Pete Scott, Mike Stenson, Paul Jackson, and Robert Charest took down the tent and store the next ay it in about 30 minutes

**Note:** In the future there is an instruction sheet in one of the tent boxes one can use. Also, the Knights in our council are required to be able to operate in all weather conditions. Please remember that when the next call comes in and our team must be dispatched.

**Picture at left:** Proof of completion of the task at hand.

## Recent Donations to St. Vincent de Paul Donations

**Picture at right:** On June Tegan receives another cheque addressed to St. Vincent de Paul for \$205. This is from donations from parishioners to St. Vincent de Paul

In the near future the council will also donate the funds raised in our K of C lottery ( \$47.50) and \$180 from parish donations to St. Vincent de Paul.

## 8 June - Veronica Veil Shelter Volunteer Appreciation Knight

**Picture at left:** Far left, Father Shawn of St. Mary's Cathedral is seen presenting a bouquet of Flowers to Ann Lyng who was instrumental in the set-up and operation of the shelter 7 days a week. She had a standing ovation.

**Picture below:** Two of our Council Volunteers: Left Knight Joe Stenson with spouse and Pat Stenson with spouse attending the dinner.

The Veronca Shelter was open for 112 days due to the participation of over 100 volunteers, (about 50% of them were Knights). The volunteers contributed 4,480 volunteer hours. Ann Lyng, the coordinator for the shelter, herself contributed at least 672 volunteer hours. (2 hours at the beginning and 2 hrs. at the end of the day coordinating changes.)

Our council also had volunteer participation at the shelter. They were as follows: Pat Jordan, Joe Stenson, Pat Stenson Ray Paquin, Bob Bouvier, Robert Charest and assistance from Roger Levac.

## Family of the Month - Change in Requirements

This submission wishes to inform the council in the change of requirements for Family of the Month. I thought if the Editor and GK in the period of this change did not know about this then other members do not and hence this brief article in our newsletter. The information I received was from the "Faith in Action Booklet" provided in Member Management which members of the Executive have access to and also form 1843 dated 9/20. This means this was changed in the Covid period. I am told that the DD mentioned it at one of our meetings but as scribe I missed this completely. Why the change? I suspect for recruitment purposes.

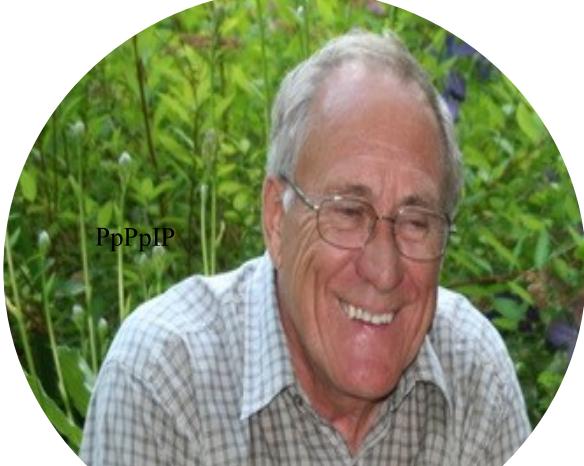

The Faith in Action Booklet describes all K of C programs under the 4 pillars of Faith, Family, Life and Patriotism. The family of the Month is a **featured program** meaning it attributes one additional point and thus one less requirement for an additional Family Activity in the year. As indicated in page 12 of the booklet: "Promote and support the development of strong and vibrant families."

"Each month, the council Family of the Month committee selects one parish family that models Christian family values and visibly lives them every day. Each council establishes a committee to recognize a deserving Family of the Month and Family of the Year. Each participating councils also selects one of the previous twelve Family of the Month winners to represent the council/parish as the potential international Family of the Years. The K of C family of the Year is chosen Supreme Council and recognized each year at the annual Supreme Convention." page 12.  
The certificate reads as follows: "Family of the Month Awarded to the family of \_\_\_\_\_ who has served as an inspiration to our parish, community, and council by supporting and strengthening Catholic Family Life."

## Holy Name of Jesus Lawn Mowing and Go-Cart Team

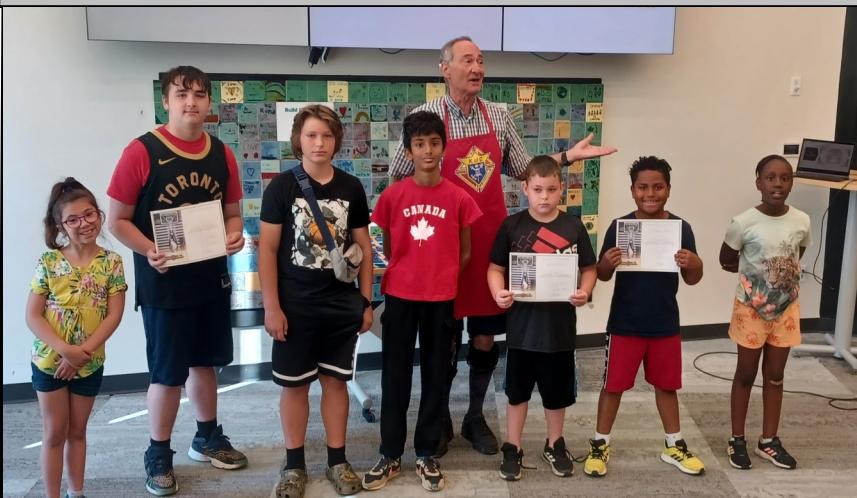

**Picture above:** The team with their equipment. From left to right, Knights Paul Jackson, Joe Stenson, Mike Stenson, Jim Laudanski and Pat Stenson

Pat Stenson is the coordinator of these activities. Those who drive the mowers drive them like go carts which appear to be fun. Please contact Pat Stenson to volunteer. Enjoy the experience of driving a go-cart mower at reasonable speeds but do not get stuck. They commence in May and end in Sep. It takes about 7-9 person hours in total for a lawn cut and volunteers are given pre-set areas to cut unless one of them is away.

**Picture at left** is a key member of the team. Roger Levac supports them by waving his wand and by doing so he can do what they can do in a month (chuckle). In summary, he supports the team in other ways.

## Basketball Challenge - Certificate Presentations at Schools

After each Basketball Challenge the results are collated ensuring all forms have been signed by the parents and to verify the name on the form if is legible. For each school we determine who is the highest scorer in an age group for boys and girls in each school and amongst the schools we conduct the challenge. Those who have the highest score in an age group receive a certificate. Since we conducted the challenge late in the fraternal year we did not forward the results to state.

In the **picture at left** S/K Robert Charest is presenting, on Wed 31 May, the certificates to St. Francis Assisi students. On the 30 May he had presented the certificates to the students at St. Martha. He commenced the two presentations by asking if they knew what a member of the K of C was. I received some interesting answers. Conclusion, we need to market more what we do.

## 2023 Special Olympics Ontario School Championships - Opening Ceremony 6 June

**Picture above:** Tuesday 6 June at the opening ceremonies of the 2023 Special Olympics Ontario School Championships at the Athletic Recreational Centre Complex at Queen's University Campus. This High School activity of Special Olympics has not been conducted since 2019. Twelve hundred students participated in the ceremonies and the Special Olympics events. The City of Kingston Police organized this Special Olympics event and asked the Fourth Degree Knights to help in the Opening Ceremonies processioning in the Olympic Flag, leading the marching band and escorting the many athletes.

As a council we have done a lot for Special Olympics. We helped sponsor a Curling team which went on to become Ontario and National Champions. We also sponsored a local track team in the past. However, the exact details were sent on a Friday and I had the Council Ex meeting on Tues. I decided to not miss this opportunity and attend.

Twelve Sir Knights attended the event. We were invited to a VIP Reception beforehand and it had a lovely meal from a buffet. The fun part was leading the students from high schools in the various districts to parade into the facility. The students entered the hall with a punk band playing music and you could feel the energy and excitement in the facility. I went into my dance routine with my walker and encouraged the students entering the complex to follow me and move with the music. We had a blast. If you have a chance to attend one in the future please do. The Assembly is encouraging 3rd degree Knights to participate in their events as well. However, the details were very much receive in the final hours and could not be dispatched within reason to the councils.

The Knights have a long history with Special Olympics. In the 60s John F. Kennedy's sister wanted to get involved in such an activity. She was married to a member of the Knights of Columbus who was able to commence activities in this area and I imagine this is how Canadian Knights then got involved as well. I have to reread parts of our history books the council has to confirm.

## 1 June - Team of Knights Participated in St Martha's BBQ Team

Picture at left, from left to right:

Knight James Schoenberg, one of our new knights, with GK Jim Laudanski cook hotdogs and dish them out to Knight Paul Coulter for distribution. S/Knight Phil Henderson is taking the picture and Robert Charest's walker is bumping into enrollment prospects, accidentally, of course. He left the BBQ with three potential names. The GK picked up and returned the BBQ to the shed. That trailer will come in handy in future tent-set ups now that Jim is an expert in putting up a tent without instructions (chuckle).

The Knights were requested to provide the BBQ and experienced BBQ staff. The initial plan was to cook **1500 hot dogs** for the students and their families I think the 30 degree heat had a good dampening effect on these numbers but they were passing our freezies which to all were a welcome treat. The families, shown in the picture at left, after picking up their hotdogs and treats( freezies chips,etc) sought shelter in the treed playground park in the school yard. Many hands, including students, made light work. However, our cooks Jim and James, had the added heat to contend with. Movie

## 26 May 2023 - Rain Barrel Pick-Up and Sale Day.

The preparations for Rain Barrel sales started in January ( Permission from council on where profits will go to , marketing plan, marketing flyer, Knight Deals website, getting permission from Independent Store to conduct the event in their parking lot etc.) Knight Pete Scott took the lead on this with Knight Robert Charest as his assistant.

The sale was supposed to start on **Water Day - 22 March**. World Water Day is an annual United Nations observance day held on 22 March that highlights the importance of fresh water. The day is used to advocate for the sustainable management of freshwater resources. Hence, a good day to start selling water barrels. Unfortunately, RainBarrel.ca where we get the water barrels from did not put up our portion of their website till **23 days** after that date. Hence, we missed out on some marketing time. Some of our flyers distributed to business did not occur. Green tractor and the Independent Store allowed us to put up a display in their area.

The night before the event Pete was busy updating his spreadsheet from RainBarrel.ca. Brother Robert was busy making and putting up signs along key positions of highway 15. As there is a law about putting up such signs and a \$500 fine Robert ensures, with permission from the bylaw officers, that the signs are removed immediately after the sale. We were supposed to have the truck arrive the next day **at 7 AM** in the Independent parking lot. That night Pete received an email that the **truck would not come near 9 AM** and hence he sent an email for our volunteers to unload to come at this time.

The next day Pete, Knight Steve Coombs( he did not read the email) and I arrived at **6:30 AM** to set up on the seven parking spots before staff arrived for work. Luckily, Steve was there to help. Next the truck showed up at **7:40 AM**. Hence, there was just the three of us to unload the truck. While Pete worked inside the 18 wheel truck and handed the barrels down Steve and I moved them to the correct spot. The trucker who is not required to unload was big and a strong lad and decided to help us. He worked twice as fast and harder than Steve and I and the load was unloaded in half an hour. We received 22 barrels in addition to those we had sold and asked for.

**0900 AM till about noon** - Joe Jansen, Ray Paquin, Paul Jackson with Steve and us helped out setting and selling the rain barrels. Pete, did some deliveries in the area for a good part of the morning. For the Kingston area he charges \$10 per delivery which basically covers his gas and he donates part to the sale.

**1200 - 1300 hrs**— The team who worked that morning were relieved (except for Pete and I) by the arrival of Steve Fujimura, Joe Stenson, Pat Stenson and Joe Stenson. Pat, Joe used a big trailer to move some of the extras to Mgr Raby House Garage. They made at least two trips with about 33 barrels in each lad.

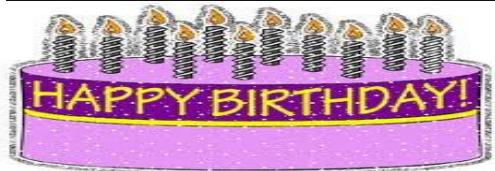

**17:30 hrs.** - We closed our stand and packed up. Then I went around I took the signs down. In taking up the signs down I found our balloons across the street in the ditch. For some reason Paul Jackson knot tying skills did not hold them

By **7 PM** I had unloaded my vehicle and went to bed. Long day for me.

Tim Hortons on highway 15 provided us with a box of coffee and two of Hot chocolate. We thank them As we had a lot of hot chocolate for some reason we gave some to our first customers. By noon our coffee was cold. Ray Paquin use the Good of the Order funds to buy us some sandwiches and a fruit tray.

We now have about **50 rain barrels left over** from the sale and Pete will continue to sell them over the summer. Hence, if you, family members are interested have them please visit Knight Deals or telephone the Knight Deals number in the advertisement for that in this website.

Pete and I would like to thank all of our volunteers who pitched in and made it a successful. We also thank Joe and Pat for using their truck to make trips with the trailer. **Submitted by:** S/K Robert Charest
