KNIGHTS OF COLUMBUS
HOLY NAME OF JESUS COUNCIL 11886

Volume 25 Issue 3

Kingston Mills

January 2019

Grand Knight's Message

Brother Knights,

I always find the holiday season goes by too quickly and then the reality of setting back to a routine sets in. Oh well, it was very nice to spend time with family and friends. I do not think I want any turkey and stuffing for a while yet and I am sure you all feel the same way.

I would like to thank all those who volunteered for the St Vincent de Paul Dec. events our Family Christmas Event in Dec., knights who are selling K of C lottery tickets and our three callers to remind knights of our meeting. The callers are Éric Latimer, George Caron and Mac Robinson.

As mentioned in the last issue of Knight Moves the degree requirements are going from four degrees to two. On the 2 January I started the year by going to a video showing of the new second degree ceremony at the Rainville church hall. **Admission Degree**(commonly known as the 1st degree, Formation degree (2nd degree) and **Knighthood degree** (3rd degree) will be replaced by the "**Exemplification of Charity, Unity and Fraternity Degree.**" The **Exemplification degree** (commonly known as the 4th degree) will remain as is. The new ceremony will be opened to the public and thus anyone can attend. The wave of secrecy for the degree ceremony will no longer be required All K of C members who presently have a 1sr or 2nd degree will be required to take this new degree. It is hoped we will have this new degree materials prior to the 1 Feb. If so, we will select a date as soon as possible. It will be conducted before a mass at Holy Name of Jesus or at Holy Family Chapel. The ceremony should take no more than 26 minutes.

Another major change happening, due to significant feedback from the field, is that the Quota for the Insurance Quota Pilot has been changed. In order to fulfill our insurance quota for the fraternal year, a council must hold one fraternal benefit night in conjunction with their field agent. If a council successfully holds one fraternal benefits night before 30 June it will meet the insurance requirement. In order to meet the requirement the following conditions must be met: be organized by the council; be promoted by the council both to membership and the broader parish community; draw a crowd of 10 eligible and membership men (either members or potential members). Spouses may attend as well.

Robert Charest, Grand Knight Council 11886

Your Prayers are needed

At the 11886 19 Dec. Council Meeting 2019 the Knights were asked to pray the following who are ill: Hudson MacIsaac, Jim Rowse, Roger Bédard , Fred McGillegan, and Marcus Hacault.

Who is Knight John Schell?

John Schell was born in Kingston and has lived in this area all his life. He is the 7th in a family with 5 brothers and two sisters. His mother was from Kingston and his father was from Gravenhurst in the Muskoka area. His mother graduated from a nursing program and went to Gravenhurst to work in a tuberculous asylum. While there on one of her trips back to Kingston, she was driven home by a taxi driver who insisted that she call him for the return trip back. This acquaintance, with time led to their marriage and they later moved to settle in the Kingston area. His father has been the Grand Knight of the Knights of Columbus at St. John's church.

Growing up John had 81 first cousins who lived in the Kingston area, including his cousin Father Tim Shea. John started school at St Mary's School in Odessa, but that school closed and then he went to Our Lady of Mount Carmel School in Amherstview. He did not particularly enjoy the 1.5 hr bus ride there and back home everyday. He then attended John Twenty Third School and then completed high school at Ernestown Secondary School back in Odessa.

Father Clement married John and his sweetheart at Holy Name of Jesus Church 35 years ago. They have three sons and a daughter whose fiancé is a Maritime Engineer in the Canadian Navy.

During and after high school he worked at the General Bakeries plant in Kingston for 15 years before Conrad Black sold it to Weston foods and it was then closed down. Weston bought it so they could use the Wonder Bread registered trademark. John then worked for Weston's Bakeries in Kingston for another 10 years until he was injured on the job. WSIB made it possible for John to a return to school and complete a 4 year program at St. Lawrence College to become a Computer Program Analyst. Upon completion he has worked in Asset Management for the Ontario Government for the past 18 years.

John enjoys wood working projects as well as spending time with his family camping, fishing or hiking either at home or in Halifax when visiting his daughter.

John joined the council in May of this year. He has volunteered his name to Pat Stenson to be on the Set-up the Tent list of workers. He is also hoping one day to be able to volunteer at St. Vincent de Paul. He says one of his recruitment jobs for the Knights, will be his youngest son; when he comes of age.

Knights of Columbus Prospect Page

The GK commenced a prospect page on the internet for our council. All prospective knights can learn more about the knights by signing up on the prospect page and they will receive information periodically on the knights so that they can become better informed prior to signing up. All knights are requested to upload this prospect page to their phone. If they have someone that is interested just have them a prospective client fill it out on the spot.

St. Vincent de Paul December Lunch Action Teams

The St. Vincent de Paul Team had two engagements in the month of December: Wed. the 12th and Fri, the 20th. On the 12th the team consisted of Brothers Jim Laudanski, Raymond Paquin, Mike Stenston, Robert Charest and Roger Levac who prepared and serve a meal of roast beef sandwich and soup with dessert to about 70 attendees. On the 20th December Brothers Jim, Mike and Ray returned to assist another group with the Christmas Dinner. Brother Robert was supplementary to the requirements but he had a job singing and assisting the musicians who played that day prior to the dinner. He rang the jingle bells when required.

Brother Mike, whispers, "At least the GK is not singing in the kitchen."

PizzaGate

On the evening of November 22, Council 11886 held a fraternal members evening by attending the Kingston Frontenacs hockey game at the Leon's Centre.

Our evening began with a pizza party in the St. Joseph's room at 5:30 PM. Oops the pizza never arrived, so we relocated our party to Bob's Pizza in the Rideau Centre. Everyone enjoyed pizza and beverages and a good deal of ribbing regarding the missing pizza, but hey, the pizza was fresher and hotter than it would have been at the St. Joseph's room. Some people just don't forget anything and the evening was filled with some friendly chirps about the forgotten pizza.

In total there were only eight people who attended but none the less we had a most enjoyable evening, complete with the Frontenacs doubling their number of wins to that point in the season by defeating Peterborough.

Picture at left: Brothers Robert Charest, Phil Henderson, Brother Pete Scott and his grandson. Also attended were Brothers Brian Reitzel with two of his sons, Brother Brad Reitzel and Brother Jeff Reitzel. Brother Brian had three generations at the game, Br. Brad and his son Nolan.

It was a fun evening of camaraderie and good-hearted ribbing and my thanks to everyone who participated. I am sure Robert, Pete and Phil have now forgotten about pizzagate! To ensure better attendance next year we will arrange the evening earlier in the fall, perhaps in October before Thanksgiving. We look forward to making many more memories in our Council activities.

Donation to the Construction of the New Providence Manor

Picture at Left: The GK, Brother Robert Charest presented, on behalf of the council, to Lori Fannigan, Director of Annual Programs of the Kingston University Hospitals Foundation the \$700.00 profit from the Rain Barrel sales Our Council pledged 3 years ago to raise 5K to the construction of the New Providence Manor. Brother Pete Scott was the impetus for this method of fundraising and we have done this for 3 years. Also, profits from Knight Deals run by Brother Pete went to raise money for our pledge At this time we have another \$608.00 to raise. Hopefully, we can pay the remaining amount by the end of this year.

Council Family Christmas Event 8 Dec

Our four hour family Christmas event took place on the grounds of Holy Name of Jesus Church. Upon arrival participants were welcomed with hot chocolate and toasted marshmallows from a fire.. We set up the St Joseph room with a coffee pot for those who wish to remain inside and chat. Our Community Director Jim Laudanski conducted some children activities outside such as Pin the Nose on Rudolph and Snow Art. Then his spouse Maguerite hosted a Christmas Carrol session in the church. Afterwards we sat down to a ham and turkey dinner. We also used the library room in the Mgr, Raby House for the younger children to play in, We had 60 people that planned to attend and we had 53 people who stayed for the supper. The event included 16 children from ages 5 months to 16 years The participant family couples were asked to bring a salad or a dessert resulting in a feast for Kings and Queens and many knights. To assist with the younger children Kayla Ringrose and Vince Henderson volunteered to help.

In addition to the Laudanskis work there were others behind the scenes, Pat and Mike Stenson setup for the event. Francois Bédard looked after supplying the bonfire. Joan Charest prepared the turkey and ham for the meal along with help from Jonas Cancino and Jeanne Turrcotte. Many others pitched in periodically and everyone pitched in the cleanup.

We tried to make this a green event as much as possible . We used china plates and non-plastic utensils which meant dishes were washed. We filled two small green bin containers with scraps and recycled anything we could resulting in one kitchen garbage bag.

Picture at right: Maguerite Lauddanski with children on the altar for the Christmas Carrol singing.

Picture at left: Some of the children at the meal. The Knight Moves roving reporter tried to get a picture of all the children. However, due to their constant movements in and out of the picture this is the one out of 10 pictures where he captured the greatest number of children.
