Grand Knight's Message

Brother Knights,

I am writing to you from Corpus Christi. We are now 3 weeks into Lent. Please continue to be generous in your gifts of charity and time to the poor and less fortunate during this period. Holy Week and Easter are approaching. This is truly a very special spiritual and Family time. Please pray for all of our Knights and Families during this time. Please extend a special prayer for young Marcus Hacault as he starts a clinical trial the week of March 12th in Michigan.

Thank-you in advance for supporting our Hosting of Degree Saturday April 07.

Thank-you for your support for DGK Robert Charest and our Officers while I am away.

God Bless,

Jim Laudanski, Grand Knight Council 11886

A word from the editor

If you have any content for Knight Moves please forward to the Editor - Robert Charest at rcharest@cogeco.ca no later than the Tuesday of the week prior to the council meeting. If you submit after that there is no guarantee that it will appear in the next issue.

Also, please forward any comments or feedback including errors on Knight Moves that you might have found.

Note: There will not be a Knight Moves for the month of April and the next issue will be in May.

Your Prayers are needed.

At the 11886 Council Meeting 13 February, 2018 the Knights were asked to pray for the following Knights and their family members who are ill:

Hudson McIssaac: Mackenzie Robinson's brother Greg who is terminally ill; Marcus Hacault, Helen Hanley, and Victor Lafrenière.

Who is Mackenzie Robinson?

MacKenzie (Mac) Robinson was born in Montreal but later lived for a period in Shawinigan, Quebec. He was the oldest of three children. He has a sister who now resides in New Zealand and a younger brother, eight years his junior, who is terminally ill and lives in Prince Edward Island. His father was a mechanical engineer who worked at the paper mill in Shawinigan. While there his father car pooled to work with a young lawyer, by the name of Jean Chrétien. Mac said that is how he had firsthand knowledge about the man who later became our Prime Minister in 1993. In his early years Mac also spent a year in Saskatoon, Saskatchewan where one set of his grand-parents lived.

For his high school years. the family had moved to Baie Comeau, Quebec. While there he knew of another individual. who also later became a Prime Minister, by the name of Brian Mulroney. His recollections of him were not positive as he was known to have been kicked out of

high school and was a street character. While living in Quebec he, learned some French, but there were sufficient people where he lived who spoke English that made it possible, in his words, "to have their own English economy and never speak French all week". For example, in his teen years he delivered an English daily newspaper, the Montreal Gazette, to 70 customers that provided him with pocket money and first year university expenses.

He attended the University of New Brunswick and graduated with a Chemical Engineering Degree in 1966. He then moved to Kingston as he was hired as a process engineer by the Dupont Company, which in the 1990s later became known as Invista. Shortly upon his arrival he went on a blind date arranged by his roommate. The young lady, by the name of Dot, was known as the Kingston Collegiate and Vocational Institute Athlete of the year for 1966 who played a variety of sports. They were smitten with each other and they married later that year. They have two sons and seven grandchildren. His secret to later marriage life is as follows: Since 1999, every year on 1st January, as husband and wife, say to each other "We look forward to the future and we do not talk about anything unpleasant what happened before."

The following year in 1967 Dupont downsized, and he was one of many who became unemployed. He had gone to teacher's college over two summers and later became qualified to teach school at LCVI in Math and Science. He taught there for a year and then moved to Port Colborne for employment where the family stayed for three years. They then moved to Windsor and he gained employment at the Ford motor company plant where he remained for 35 years. Mac had taken courses and while there he became an industrial electrician at the plant. He enjoyed his time working for Ford.

Mac is a continuous learner. Over his career he always took some courses in one field or another. He also taught electricity, on a part-time basis, one night a week at St. Clair College in Windsor for 20 years. In 2007, Mac retired, they sold their home and travelled for four years in the U.S. and Canada. They went to Texas and Florida in the winter and Rideau Acres in the summer. They then decided to settle in Kingston where his wife's family resides. He enjoys living in Kingston as it is a medium size city that has many things to offer to its

Who is Mac Robinson?

residents. He also still has a campsite at nearby Rideau Acres.

His main hobbies, currently, is reading and watching TV news an hour each morning involving Donald Trump. He indicates that the news about Trump provides the best reality TV. He finds it riveting and amusing. He also serves communion Monday morning at Providence Manor and is a regular worker with the Knights at St. Vincent de Paul. In the past he was a bowler but is now a slow pitch softball player.

Mac was born and raised as an Anglican. His grand-parents were Chinese missionaries until 1922 before the time Chairman Mao came into power. Later in his adult life, when his oldest son was in school, the whole family decided to become a Catholic. Shortly after, he joined the Knights of Columbus council in Windsor. He has had held many positions in the Knights including Deputy-GK, GK, Editor of the council newsletter and a Navigator as a fourth degree Knight. As Editor, he won a provincial award.

The thing he has enjoyed about being a knight over the years is that he has met and worked with a lot of good people. Four ideals stick in his mind about the knights:

- * A wife and husband must both work an event. The wife usually outworks her husband;
- * People pay money (tuition) to learn what I learn in various executive positions;
- * A Grand Knight is a team event. You need many quality co-workers; and
- * To recruit a new knight you must also recruit his wife.

K of C Pancake Breakfast—Sunday 11 February

Left - A picture of the hungry crowd at the breakfast.

At the January Council meeting it was decided to conduct a pancake breakfast for parishioners at Monsignor Raby House on the Sunday, 11 February, before Ash Wednesday. The plan was to serve people from the 3 Holy Name of Jesus Parish and 2 CFB Kingston Holy Family Parish masses.

Volunteers at the breakfast included Fr Wes, who started the ovens for us, Brothers Philip Henderson, Pat Stenson, Joe Stenson, Mike Stenson, Peter Scott, Jerzy Prugar, Mac Robinson, Blair MacFie, Scotty Smith, Francois Bedard, Roger Bedard, and David Ringrose. Knights were assisted by family and friends who also volunteered: Patti Stenson, Anna Prugar, Marjorie Henderson, Kayla Ringrose, Lynn Scott, and Alain and Alice Fontaine.

Despite freezing rain on the day of the breakfast, we still had a very good turnout and based on the feedback that was received, the social, pancakes, sausages and syrup were very much enjoyed by all those who participated. In all, approximately 90 parishioners from both parishes took part in the breakfast. A special thank you to Brother Fern Delisle who produced and donated the maple syrup for the breakfast.

Award Presentations for Council/District Poster and Basketball Competitions

Left—13 February, after attending Ash Wednesday Mass with the students of Holy Name of Jesus School, Pat Murray and Robert Charest are seen standing with the Basket Free Throw and Poster Contest winners

Above – 16 February. Principal Karen Moran and Robert Charest are seen standing with the winners of St. Martha Catholic School. It was pyjama day at the school. Regretfully, Robert forgot his K of C pyjamas.

Above—23 February, Robert Charest, standing with the winners of St. Francis Assisi Catholic School. Robert, his wife Joan, Jerzy Prugar and his wife Anna attended mass with the students at Holy Family Church prior to the award ceremony. Regretfully, the grade 7 and 8 class winners could not attend the presentation but these four appeared glad they could.

A little Catholic Humour

Words from our District Deputy

As Spring officially arrives, let us look forward to the signs of new life, and perhaps new beginnings.

Thank you to the 15 Knights who took the four minutes or less needed to respond to the interest survey. The results will be given to your Grand Knight for his use in development of the Council Programs. There was an overwhelming response of Knights who wanted to become more involved with the church. I am hopeful that is more than just a click in the box. Your own council is hosting a three-part education series on the Triduum coordinated by SK Jerzy Prugar. Your council is also hosting the Way of the Cross Friday 16 Mar at both 9:30 AM and 7:00 PM. Two great opportunities to become more involved in your faith.

Of course, there would be no Easter Sunday, if it were not for the events of Good Friday. Consider why that Statutory Holiday exists. For the Knights who are concerned about taking time from family for Knights stuff, devote a family hour to the real reason for the holiday, make it a family outing, attend Good Friday Mass together. 2:30 PM Way of the Cross, 3:00 PM the Passion and Communion at Holy Name of Jesus.

Another family outing could be the Presentation by Fr Rosica CEO of Salt and Light Television. His presentation theme is "Pope Francis at 5! Where is the Bishop of Rome leading the church?" Presentation begins 7:00 PM Saturday 7 April, children 12 and under are free for the presentation tickets available at the door. Or make it a family meal out! Meal begins at 5:30 PM. Advance reservation required by 30 March.

Your council is close to meeting the requirements of Star Council, the weak link is lack of Knights joining the investment program. A \$300 RRSP or TFSA contribution is enough to qualify you as an Insured member, no actual insurance required. Will **you** be the difference?

Family of the Month

The name for the January Family of the Month was confirmed to the Editor just after our February newsletter was published. Regrets.

Sir Knight Raymond Paquin's family was selected for the month of January. Congratulations to the Paquin family.

If you have not already done so, by the time you get this newsletter it will probably be too late to submit a name for the February Family of the Month which must be in by the 15th day of the following month, which in this case is the 15 March. For the March Family of the month the council has until the 15 April. Please submit by the **10 of April** your submission(s) to the GK Jim Laudanski. Contact information for all members of the executive are located in the last pages of every newsletter. The format to be used in your submission is as follows:

Member Name: _____

Membership Number: _to be provided by GK _____

Spouse: _____

Children /Ages: : _____

Home Address: _____

Our council's "Family of the Month" was selected for the following reasons:

Regional Basketball Free Throw Competition Winners

Left—Daniella Boudreau of St. Francis Assisi Catholic School and Alex East of Holy Name of Jesus Catholic School receive their medals from one of the Knights involved in the Regional Basketball Free Throw Competition held 3 March, at St. Mary's School in Brockville.. Daniella Boudreau came in 2nd in her age level of 12. She missed the first place student by one point for a potential tie. Alex East of Holy Name of Jesus came in second in his age level of 10.

Four of the other eight potential candidates for the Regionals from our council had a hockey tournament and could not attend. Another, who had scored 22 out of 25 baskets at the district level had a basketball game which conflicted with the event. The other three candidates did not advise why they could not attend. It is suspected that if they were all able to attend they may have swept a good portion of the medal podium.

Consider Donating Blood

Our council's members have been donating blood for over ten years.

Year	Donations	Year	Donations	Year	Donations	Year	Donations
2006	25	2009	32	2014	22	2017	23
2007	36	2010	52	2015	18		
2008	45	2011	38	2016	23		

George Caron acted as coordinator for blood donations for our council which agreed to donate 25 units per year. The table at right indicates our donation record. As you can see our council's donations have dropped off since 2014. We encourage our members to consider donating blood. If a member donates blood please advise Canadian Blood Service staff to refer your donation to our donation address **KNIG009249**.
