Grand Knight's Message

Brother Knights,

I would like to start off by saying thank you to all my Brother Knights and their Families for all they do for our Council, Community, and Parishes. Without all of you we could not do the great work we accomplish each year. There are so many ways to be an active Knight from volunteering at our events to praying for our fellow Knights. Each of us has talents and interests in our lives and by using them we are active within the knights. At mass we may usher, we may help out at the food bank, we may assist with an event in our community, each time we are seen doing good works we are a Knight doing good works. This is how we are all key components to the order, all active and working for God. So again, I thank you all for your good works.

In April we celebrated the rise of our Lord Jesus Christ. What a wonderful time Easter is giving us the opportunity to celebrate our Lord and all he has given us through his death and resurrection.

We had several events in April including hosting a very successful 2nd and 3rd Degree ceremonies. Thank you to all who organized and assisted during the day. On May 9 -11 is the annual March for life in Ottawa. Please attend if you can.

At this month's meeting we will be electing the new executive for the 2018-2019 fraternal year. If you have been thinking about becoming an executive member come out this month and be nominated, it is always good to have new blood on the executive with fresh ideas to move our council forward.

Lastly Brothers, this month we celebrate Mother's Day. Remember to make it a good day for your Moms and wives they very much deserve to be celebrated. Also, do not forget the most important mother, Our Mother Mary. Take some time this month in prayer and meditation. Contemplate on all our Blessed Mother has done for us and pay honour to her. As we always honour our Blessed Mother all year round, it is in this month we must give special attention and homage to her.

God Bless,

Jim Laudanski, Grand Knight Council 11886

A word from the editor

If you have content for Knight Moves please forward to the Editor - Robert Charest at rcharest@cogeco.ca no later than the Tuesday of the week prior to the council meeting. If you submit after that there is no guarantee that it will appear in the next issue. Also, please forward any comments or feedback including errors on Knight Moves that you might have found.

Your Prayers are needed.

At the 11886 Council Meeting 10 April, 2018 the Knights were asked to pray for the following Knights and their family members who are ill: Hudson McIssaac, Marcus Hacault, Sandra Colp, Marcus Hacault, Hudson McIssaac, Don Clark, Stanley Pietak, and the Bronco Hockey Team.

Sir Knight Raymond Croxford passed away the morning of the 3 May.

Who is John Byrnes?

John Byrnes was born and raised in Kingston. He has two younger brothers, one who lives in Kingston and the other is in Ottawa. His father passed away when he was eleven years of age. For high school he went to Queen Elizabeth Vocational Institute which last year was demolished. He was among the first cohort who was no longer required to complete grade 13 for graduating. While in school he enjoyed the sciences and sports. He played football for three years and rugby for four years. He stated the latter is played by gentleman. He also spent time in the Army Cadets.

Upon completing high school, he decided he wanted to become a lawyer. He worked three different jobs for a total of 80 hours a week to raise money to attend university. On this path he heard that the military educated people to become lawyers. Hence, he visited a recruiting centre and joined the Canadian Forces in 2005. He realized afterwards there were some caveats to reach his dream which he did

not have.

He is now a Master-Corporal and has just over twelve years in the Canadian Forces. He was trained as a Signal Operator. As a Signal Operator he would set up and operate communication equipment. This occupation later became known as the Army Communication Information System Specialist (ACISS). After his qualification training in Kingston he was posted to 8 Wing in Trenton where he remained for a year. From there he was posted back to Kingston and sent to the Canadian Forces Joint Signal Regiment where he remained for nine years. While there he had the following major deployments:

- * 2008 - 2009 – Seven months in Kandahar, Afghanistan;
- * 2009 - 2010 – Six months in Vancouver supporting the Olympics;
- * 2011 - Five months in Cyprus staging the forces withdrawal from Afghanistan; and
- * 2014 - 2015 – Six months with the Multinational Force and Observers in the Sinai.

In the summer of 2017 he was posted to 765 Communications Squadron located in Tunney's Pasture in Ottawa. The unit supports all deployment missions. He has the following decorations:

- * Peacekeeping Medal;
- * Multinational Force Observer;
- * Afghanistan Medal with a Campaign Star;
- * Canadian Forces Decoration (arriving shortly).

He has a twelve-year-old son. He attended Holy Family Chapel and was recruited by Sir Knight Scotty Smith in 2015 to join the Knights. As a Knight he has been involved in the chapel activities. He states regretfully he had to go away a lot with the service and was not able to participate in many Knights of Columbus activities. At the time this article was being written he was planning to partake in the 7 April 2nd degree ceremony.

Veterans Luncheon

Left to right :

Jacques Reumont,

Basil Brosso,

Michael and George Caron

Contributed by
Knight George Caron

On February 26, 2018 I invited two former members of the Canadian Armed Forces that I knew served during the second world war to a special lunching meal. I believe veterans should be acknowledged not just on Nov 11 (Remembrance Day) but any day during the year. Unfortunately, Dr. Roy Brown, a pilot, (age 92) was ill and could not attend. The second member was our Brother Basil Brosso. Basil (then age 96) served in the Normandy campaign. Basil was provided a tasteful lunch at the Kingston Senior Association Center including a decorated chocolate cake with a Canadian flag displayed on top which was made by cook Eve. Music was provided by Michael Caron. Mr. Jacques Reumont, a Board member of the Senior Association and myself were also present. Basil received a nice applause from the other diners. Canadians appreciate Basil and Roy's valour and contribution during the second world war. Thank you.

St. Vincent de Paul Lunch

Brothers Mike Stenson, Pat Stenson, Mac Robinson, Roger Levac and Robert Charest made a nutritious meal and served it to about 90 meals Wednesday 14 March at the St. Vincent De Paul kitchen. Of course, we were under the supervision and tutelage of their Head Cook. We made a few mistakes, but we were able to correct them prior to meal time. We ran out of our entrée, chicken soup, and we saw how the cook was able to make a soup replacement. She grabbed some frozen peas, frozen corn kernels, and a chicken soup base and made a soup in no time flat. We were all impressed.

The 10 April saw 6 Knights helping out at St. Vinny's to serve approximately 110 meals to the needy. Many thanks to Pat, Joe, Mike Stenson, Scotty Smith, Ray Paquin & Mac Robinson for their dedication to this worthwhile event. It was very much appreciated by the patrons.

Gift Card Program

Knight Scotty Smith (**seen at left**) is presenting an envelope containing a cheque for \$356.68 to Father Antony Verunga at Holy Family Chapel, at Canadian Forces Base Kington. The proceeds were made from the profits of selling Gift Cards to the congregation in the last year. The Chapel does not have a large congregation, but the money would easily pay for the majority of the two annual barbecues we have in the year. Father Verunga was pleased.

Queen's Inn Welcomes WW II Veteran

A. Macdonald on a rather frequent basis. You could say that if these walls could talk, this humble pub saw some of the groundwork being laid for our nation. The hotel once lodged horses in the rear livery stables while the guests took a room for the night. The Queen's Inn is one of the oldest continually operated Inns in Canada. It was purchased in 1970 by Ron Mitchell and is operated today by two of his children, Kathy Cornell (shown below) and Richard Mitchell. We learned that Ron had unfortunately gone

on to meet his maker on April 16th, only three

days prior to our visit. The business is in very capable hands and is the closest you can find to the "Cheers Bar" depicted in Boston for the T.V. series.

For as long as I can remember, Coppers Bar (named because of it's copper top bar) has displayed memorabilia from historical events that have been milestones along the journey of life. You can see a framed front page of The British Whig marking D-Day as well as the surrender along with other priceless collector items. Any War Veteran enjoys the surroundings as Baz did. Kathy made a special note on the blackboard before our arrival that not only welcomed, but thanked Baz for his service. Another patron even made a special stop to shake his hand and to express his appreciation of him and his many now deceased comrades.

It was a most enjoyable and informative afternoon as is most time spent with someone so well versed in our history. We all look forward to another outing when time permits.

Raising Funds for Providence Manor

A rain barrel and composter sale is taking place at the time of publication of our newsletter till the 17th May. It is a fundraiser for Providence Manor which must be rebuilt. Providence Manor is the only catholic institution of its kind in Eastern Ontario. Who knows, some of us may live there one day. One generous Knight in the district will match any funds, up to 100K, raised by the Knights. You can request a barrel or composter on-line and pay in cash when you pick-up your purchases. On Saturday 12 May from 09:00 AM—5 PM the Knights will have a display at the Rideau Town Centre off Gore Road where you can purchase a rain barrel but you will be required to pick it up two weeks later. Delivery can be made in the Kingston area for a nominal fee. Barrels cost **\$55 including HST and a \$10 Revenue Canada receipt for a charitable donation**. Similar barrels were on sale at Canadian tire two weeks ago for about \$125 plus HST. Visit for more information: rainbarrel.ca/kingstonkofc/

On April 19th, 2018, Raymond Paquin, George Caron, Pat & Mike Stenson joined Basil Brosso at the Queen's Inn, at 125 Brock Street for a beer and burger. It was a small pre-birthday celebration for Baz's upcoming 97th that he celebrated on May 2nd.

This venue (outside of building shown below) was ideal in that it is steeped in history and offers a fantastic atmosphere for the many patrons. Built in 1839, it often saw Sir John

District Level Winner - Poster Contest

Brother Robert Bouvier from council 11886 is seen presenting a District Award to Triston Vince of Holy Name of Jesus School. She came in third in the 8-11-year-old division of the Christmas Poster Contest. She is one of three children in this year from our council's three schools we are responsible for who has won a Regional Area Award. Another student, Alex East, from the same school won an award for coming 2nd in the Basketball Free Throw Competition. A third was from St. Francis Assisi School in basketball also.

Departure of Jonathan Balfour

Jonathan joined council 11886 in September, 2017. He was posted to CFB Kingston at the school of Communications and Electronics. On the 7 May of this year he was posted to CFB Borden. He participated in various ministries of the mass at Holy Family Chapel. Seen at left is Sir Knight Scotty Smith, the Round Table Chairman of Holy Family Chapel, wishing Jonathan well on his new posting. We expect Jonathan will return to Kingston for various courses in his military career.

Words from our District Deputy

Election time again and your council is preparing to elect the leadership for the 2018-19 Fraternal year. Congratulations to each person selected. There are lots of non - elected positions in support of the Programs where others can actively lead as well. Strut your stuff in support of the Parish Community. My First question will be how and when do you want the Installation of Officers to be conducted?

Diocesan Training Day is Saturday 9 June. This is a great opportunity to learn more about conducting yourself in a council executive position. My observation across the District is that there are Knights who have been in positions for years, never bothered to take any training, and are coasting along. A true shame that they are not striving to achieve their full potential.

Note by Editor: Last year the Training Day was held from 08:30 AM till 13:30 hrs. Raymond Paquin and Robert Charest attended as trainees. It was felt that it was well worth and not only for novices but for all Knights, including those who have been in executive positions. Also, there was benefit in talking to Knights involved in other councils and how they approach

★ ★ Knight Deals—Blue Jays VS Orioles 10 June ★ ★

Blue Jays Day Game - 10 June vs Orioles. I could use some help with this one. A group of about 25 people have supported us one game each year for past three years, so this year I let them select the game. They chose thine. Then the key coordinator for the group learned of a schedule conflict so the group is not participating, I currently only have 8 people on a 33 passenger bus. If you are at all interested in seeing a Blue Jay game live, please consider 10 June vs the Orioles. Not a baseball fan? Then please tell your neighbours, coworkers, relatives and help me fill the bus. \$100 per person is game seat and bus fare. Extra seats available for friends and relative in the GTA to meet you at the game and sit together. Details www.knightsdeals.ca

A little Catholic Humour

Ms. Charpentier asked her Sunday School class to draw pictures of their favourite Bible stories. She was puzzled by Michael's picture, which showed four people on an airplane, So, she asked him which story it was meant to represent. "The Flight to Egypt" was his reply. Pointing at each figure, Ms. Charpentier said, "That must be Mary, Joseph, and Baby Jesus. But who's the fourth person?" "Oh, that's Pontius - the pilot!"

Words from our District Deputy

7 Apr Marathon Day! The 7 April Marathon Day consisted of conducting an Admission Degree(1st), Formation Degree(2nd) and Knighthood degree(3rd) ceremonies, one after each other, on the same day. It was a very busy but a rewarding day! Thank you to all Knights who assisted. It was a project bigger than I knew I could complete on my own and your assistance assured success.

Although there were no Candidates for the Admission Degree, the preparation was not in vain and I expect the council executive is now ready to conduct an Admission Degree when required. 15 Knights were exemplified in the Formation Degree and 26 Knights received full Knighthood in that Degree Ceremony. Father Rosica's noon hour chat certainly inspired a few hearts to be stronger in their faith. It was great to see Council Knights rallying around a single goal. To all, I extend my heartfelt thanks.

I would consider conducting a Formation and Knighthood together on a single day again. My challenge is that to do so implies a meal and a meal implies workload and costs. I will endeavour to find another host council to share in that effort.

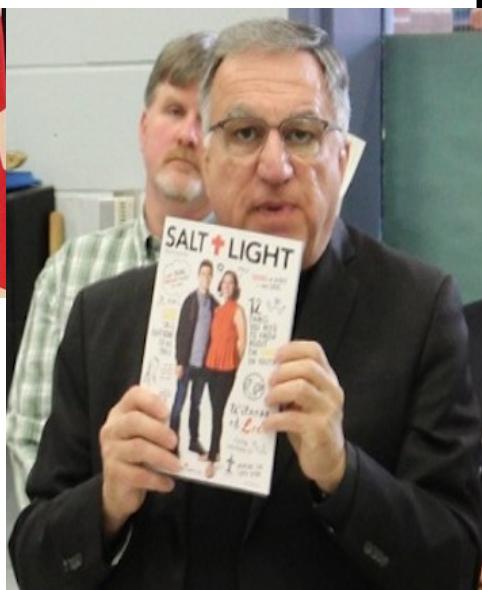

In the meantime, the Formation Degree team was certified and will be conducting other degree events. The Knighthood degree team is also available on short notice, whenever you have a few available let me know, It can be done on week nights or weekends, depending on the teams availability.

The Council was also represented at the Salt + Light Banquet as well. We were 91 diners, a number far lower than I hoped but everyone left inspired. Father Rosica has expressed his gratitude to having the opportunity to meet each person and he certainly appreciates the \$1320 in funds that the event raised.

Above, 2nd from left stands Brother Rory Moore from council 11886, with ten other formation degree recipients.

Family of the Month

If you have not already done so, by the time you get this newsletter it will probably be too late to submit a name for the April Family of the Month which must be in by the 15th day of the following month, which in this case is the 15 May. For the April Family of the month Please submit by the **10 of May** your submission(s) to the GK Jim Laudanski. Contact information for all members of the executive are located in the last pages of every newsletter. The format to be used in your submission is as follows:

Member Name: _____

Membership Number: _ to be provided by GK _____

Spouse: _____

Children /Ages: : _____

Home Address: _____

Our council's "Family of the Month" was selected for the following reasons:

St. Martha and Holy Name Schools Students' Confirmation

On Thursday 12 April, there were 29 St Martha students scheduled for confirmation. On that evening Sir Philip Henderson presented the Holy Spirit pins provided by the Knights of Columbus . Below is a photo from the confirmation of St Martha students.

On the 11 April, Sir Peter Scott, our DD, presented the Holy Spirit pins, also provided by the Knights, to the Holy Name School students at their confirmation. Archbishop Brendan O'Brien administered the sacrament each night.

Consider Donating Blood

Our council's members have been donating blood for over ten years.

George Caron acted as coordinator for blood donations for our council which agreed to donate 25 units per year. The table at right indicates our donation record. As you can see our council's donations have dropped by about half in 10 years. We encourage our members to consider donating blood. If a member donates blood please advise Canadian Blood Service staff to refer your donation to our donation address **KNIG009249**.
