**KNIGHTS OF COLUMBUS  
HOLY NAME OF JESUS COUNCIL 11886**

Issue 8

June 2021

## Grand Knight's Message

Hello Brother Knights,

The month of May has been a busy month compared to others in recent memory. We have had a Rain Barrel Event and the No FEE Exercise Program (lawn cutting, sanding the presbytery porch at Holy Name of Jesus Church). We have participated in the lunch program at St. Vincent De Paul, our Recruitment Committee has also been putting in many hours, as well we have had some knights participate in Manure Spreading on Holy Name of Church Grounds. Also, the A-Team of our fixer-uppers has repaired the leaks in the vestibule of Holy Name of Jesus Church. Thank you to all members who had participated in such a diverse group of activities. It sounds like the Knights of our council can do almost anything they put their mind to. This also demonstrates the wide variety of talents the council possess.

Commencing 1 July, our Council website address has changed to <https://11886knights.github.io/>. Thanks to our Webmaster, Knight Sébastien Généreux, who found a no-fee requirement location to host our it.

The Supreme convention occurred on the 2nd weekend in May. The link for the convention is below. If you click on the photo of Carl Anderson, the former Supreme Knight, you may listen to his presentation. It is a very powerful one and is recommended everyone to watch it. The 50 or so minutes viewing will be well worth your while.

Homework for June - While your memory is fresh refer to page 7 and complete the Fraternal Survey for Jan-Jun and continue updating it as needed for submission by 1 Jan, 2022.

We may have on-site meetings in Sep. or Oct. As part of the Knights of C opening procedures, all Knights will be required to be vaccinated prior to attending any on-site meeting. Meanwhile, please stay safe by observing the required precautions.

Robert Charest, GK, K of C Council 11886

## Your Prayers are needed

Knights are asked to pray for the following who are ill or in distress : Derien Smith, Ken Oliver, Roy Gould, David Cuden, Roger Cole, Christine Newman and Larry Kennedy

## No more leaks from the roof of Holy Name of Jesus Church's Vestibule

**Picture at left:** Brother Pete Scott, on scaffolding and Mike Stenson, below scaffolding were on the vestibule repair project in early May.

On a sunny day in early May, after our last rainfall that month, Brother Pat Stenson gathered an A-Team of Do-It yourselves consisting of Brothers Mike Stenson, Pete Scott, and Paul Coulter to complete the final caulking work on the vestibule roof. The estimate to do this work was in the figure of 20Ks. This as they say, in budget talks, is a most significant figure. Their help was very much appreciated and it is a huge savings to the parish expenses. Let it rain.

## The Manure Spreaders

On Saturday the 15 May, under the careful direction of Claire Fjarlie – Brothers Pat Stenson, Glen Johnson and 2 year old - son, and Robert Charest along with Robert Campbell (spouse of Claire) and son Francis were manure spreaders for the flower gardens at Holy Name of Jesus Church grounds. Brother Pat brought two loads of manure in his trailer and used his off-road vehicle move the trailer around the grounds. All the others distributed the manure judiciously around the plants and shrubs.

Claire indicated that this manure delivery will alleviate the requirement for any further fertilizer for the year. The plants seem to love the nutrients of manure. Brother Glen's son found that manure had worms in it. He brought his shovel and pail for the task. Also, surprisingly the manure did not smell bad as could be imagined as manure from my childhood recollection of having a strong odour. However, there were faint wisps when rummaging a shovel full from time to time. The sun shined and after 2.5 hours the job was done.

## Some needed pandemic Humour

Two Mafia hitmen are walking deep into a forest in the middle of the night.

One of them says, "I gotta admit I'm scared out here."

The other replies, "You're scared; I gotta walk back alone"!!!

## Family of the Month for April 2021

**Picture at Left:** Marcus, Glen and Lilianne Johnson with new born daughter Maia.

Knight Glenn Johnson family's were nominated as family of the month for April. Glen, Lilianne, Marcus & Maia and were presented with this honour at the May General Council Meeting. Maia was very good. Marcus was a bit restless but as you can see from the partial screenshot below of our Jitsi council meeting, taken by Brother Philip Henderson, he decided to stay for a bit of the meeting. Of course, he was intrigued by the GK's puppet Sam which he uses to get the attention of the children long enough to do virtual presentation.

Later on that week Marcus volunteered with his father at the Manure Spreader Event. Refer to page 2 of this newsletter for details. The council would enroll him but there are age requirements.

## Family of the Month for March 2021

**Picture at left:** From left to right Michael, 2 year old daughter and Emma Crespo.

Knight Michael Crespo and wife Emma and daughter were nominated for the Family of the month for the month March. Michael has been a former Faith Director with our council. He also has assisted with recruitment fairs on the base and at St. Martha School. Emma is a missionary with the Catholic Christian Outreach.

## No fee Exercise Program (Grounds Maintenance at Holy Name of Jesus)

**Project 1 - Church Lawn Care:** In all this takes approximately 7 to 9 person hours weekly and it involves rider mower, push mower and power trimmer work. We need volunteers to assist the regular crew. The schedule for this work is very flexible. This is an **excellent exercise program with no fees attached**. Ride the tractor but please try not to get stuck like one of our Brothers does on occasion (no names are mentioned to protect the identity of the individual(s)). Contact Brother Pat Stenson. Refer to page 9 for contact details.

**Project 2 - Knights** are planning a re-build the front porch of the rectory sometime this summer. Peter Bodnick who was a former Knight from our council may take the lead on that project. Pete will supply the expertise and guidance and the Knights could the support staff. He is going to do a detail investigation and then provide plans and his pricing to complete it. If you are available, contact Brother Pat Stenson.

**Project 3 -** We also have a big job of scraping the peeling paint on the upper porch and this is outside the scope of the re-build. Joe Stenson was going to initiate that effort as soon as the vestibule roof caulking job is done. If available, contact Brother Joe Stenson. Joe had Brothers Pat, Paul Coulter and Mathieu Larose start this work on the 31 May.

## Priestly ordination of Michel Quenneville

**Picture at left:** Father Michel Quenneville at his ordination with Archbishop Michael Mulhall.

Priestly ordination of Michel Quenneville took place on 22 May at the Cathedral of St Mary of the Immaculate Conception. Celebrated by Archbishop Michael Mulhall of the Archdiocese of Kingston. Prior to this day, Father Michel had been our Council seminarian since at least 2016. Due to the restrictions the invitees were limited to his immediate family. He has a sister, and two brothers. Prior to joining the priesthood, he had work as a Chemical Engineer in Calgary Alberta. Over 290 people attended the ceremony virtually.

The next day he celebrated his first mass at 2 PM. Due to restrictions the invitees were again limited to his immediate family. However, about 100 people attended the mass virtually.

## Rain Barrel Sales and Pick-Up Day– Friday 28 May

**Picture at left :** Our Rain barrel Display booth just prior of the arrival of the he Rain Barrels at the Rideau Town Centre. The picture of the barrel in front is a rolling composter with three other barrels on display. One of the two Roberts on the council set up a rain barrel with a diverter, which is a device which controls the flow of water. Brother Mike Stenson, who has a keen eye for detail, questioned the hose hook up. It seems one of the two Brother Roberts on the council hooked up the hoses incorrectly. Which Robert was the culprit? If you said it was Robert Bouvier you may be or you may not be correct. Perhaps, it was Robert, the GK! Is that possible?

This sales Event was organized by Brother Pete Scott who also runs the Knight Deals and Gift Card Fundraisers. He is

our major fundraiser knight for the council. Without his support and business acumen for these projects it would be a big dent in our ability to fundraise for these works. The sale commenced on-line on the 22 March, Earth Day, and ended the a few days before the 28 May. The sequence of the Knights day of adventure and suspense are as follows:

**6:30 AM**—on the morning of Friday 28 May, Knights Robert Bouvier and Robert Charest, commonly referred as the two Roberts, moved into the Rideau Town Centre and captured 7 parking spots on the high ground for our Rain Barrel Sales and Pick up Day Display booth. They then commenced setting up for the day.

## Continuation of Rain Barrel Sale and Pick-up Day 28 May

**Picture at left:** Brother Paul Coulter (left) and Paul Jackson are placing spigots and hoses in the barrels in preparation for sale.

**6:45 AM-** Knights RV to a designated position for action in the Rideau Town Centre, awaiting the truck delivery of barrels. The Knights were: Pete Scott, Paul Coulter, Paul Jackson and volunteer Ryan Scott.

**7:05 PM -** An 18 wheeler truck arrived and this last group of Knight arrivals unloaded the almost 200 barrels in under an hour. A number count was made and the barrels were made ready for sale. This year they had what is called "Ugly duckling barrels" which were functional but slightly less appealing to the eye. These barrels were \$20 cheaper than the normal \$55 cost. In all there were six different barrels being sold and picked-up by purchasers, including a 1000 LITRE TANKS. We had 14 of these tanks. They were all sold.

**8:15 AM -** Knights Pat and Joe Stenson arrived with a pickup pulling a trailer carrying 25 or so barrels, which had been delivered the week before, for the sale as they could not put all of our load on the 28 May delivery. They were quickly unloaded and the Stenson Brothers returned to get the remainder. **9:00 AM -** The second load of Pat's trailer was unloaded.

**9:15 AM -** Knight Ray Paquin arrived with Hot Chocolate, Coffee and Donuts. On a day which rained, snowed and was cold, the hot chocolate and coffee was a welcome treat. After some sustenance some members were relieved of further duties.

**9:30 - 6 PM -** Knight Mike Stenson arrived to relieve some of the early risers. Along with Mike Knights Pete Scott, Robert Charest, Ray Paquin, and Robert Bouvier helped with sales and with the moving of the barrels to the customer vehicles. It was slow to start with but fairly steady after lunch. In addition, to the barrels which the majority were pre-purchased, we sold about 15 or so barrels and some tanks. As the day progressed the box of donuts disappeared. It is not certain if Brother Mike Stenson and Brother Ray are tied to Brother Gary Richards record of eating 3 donuts at a Knights' Event. Please ask them if this is the case.

**6 PM -** Brother Pat arrived with his pick-up and trailer and Paul Jackson returned to assist in taking the remaining rain barrels back to our storage location. The remaining Knights cleaned up our display area. The GK picked up the 12 display signs on Highway 15 and area as he was reminded earlier in the day by a city by-law officer to do so.

We would like to thank James Valu-Mart for letting us set up adjacent to their garden centre as well as the 10 Knights and volunteer Ryan Scott for their day's efforts. A special thanks is owed to Brother Pete Scott for organizing the fundraiser. The money raised will be distributed at follows: Non-military priests' retirement fund - \$200; Canadian Catholic Missions - \$200 and the remaining, which we do not yet know the final amount will go to St. Vincent de Paul new construction. This is estimated at this time to be about \$1400. With our Video fundraiser we are hoping we can write a cheque close to 5K for this organization. We have some barrels remaining which we hope to sell in the later part of June.

## St. Vincent de Paul Lunch Program.

**Picture at left:** Brother Mathieu Larose, Ray Paquin and spouse Jeanne Turcotte.

These volunteers prepared and handed out 115 meals. Brother Ray, who loves his coffee, was too busy to take one. He suffered tremendously as a result.

Thank you for helping your community.
