Your Prayers are needed

At the 11886 Council Meeting 10 September 2019 the Knights were asked to pray the following who are ill: Hudson MacIsaac, Fred McGillegan and Victor Lafrenière.

Who is Knight Fern Delisle?

4th Degree Knight Fernand (Fern for short) Delisle was born in St. Sylvestre, Quebec (located about 50 miles south of Quebec City). His father was a farmer and his mother a teacher. He comes from a family of six children, 2 boys and 4 girls. He Is the 2nd youngest in the family. The mixed family farm had about 30 head of cattle and 100 chickens. In the spring of each year the whole family worked in tapping the maple trees for its sap. He jokily stated that he started tapping trees and collecting sap while still in diapers, but he was six years old. The farm was hard work as they had 4 work horses but no tractor. He worked the farm before and after school and went straight to bed at the end of the day. Due to the farm work and as he lived 4 miles from the nearest village, he did not have the opportunity to play any team sports.

In 1954, at the age of 15 his family sold the family farm and moved to Montreal. There, Fern commenced work as a labourer on construction. In 1961 he became an Iron Worker. He worked on the building of Ville Marie in Montreal from the 350 ft. level to the top floor. This is not a job to take on if you are apprehensive of heights. In 1961 he moved to Hamilton, for work as an Iron worker. The only two words he could speak in English upon arrival in the city were, "Yes and No." Today he speaks both official languages fluently. He was in a car accident in the early 1980s and due to the injury, he sustained, it affected his balance. As an Iron Worker on tall buildings that is not a good position to be in. Hence,

he retired in 1985 as an Ironman Foreman on job sites. He also had an injury from a steel beam which made his lower back sensitive to the touch. Hence, knights are advised not to slap him on the back as the following law of physics will apply," For ever action there is an opposite an equal reaction. "In 1988 his family moved to the Kingston area.

He married his wife Yvette in 1958. She came from the Lac St Jean region of Quebec. Hence, Fern nicknamed her Blueberry. They had four children; two girls and two boys. As well they voluntary fostered a girl from the age of 12 till she was 20 years of age. She has remained part of the family. In 2002, regrettably Yvette passed away from cancer. She maintained her silence of her sickness to the very end.

In February 2004 Fernand went to a funeral in Oshawa and it seems romance was in the air. He met a lady by the name of Patricia (Pat) who was from Whitby. She asked him for a piece of wood product. Shortly after they started courting. Fernand at one point asked her, "Do you want to wear my name?" Pat thought this was unusual proposal, but she accepted his humour and they were married by Father Shea on 18 Dec 2004. They did not see their rings till they arrived at the altar and Pat said, "I can play this game too."

Since retirement, Fern makes children toys out of wood which are like pieces of art. The craftsmanship is superb. Fern and Pat go to various shows throughout the year to sell them. In 2010 Fern decided to buy 40 acres of land where he has a sugar shack. Next year they will celebrate having their 10th annual barbecue at this location for family, friends and council 11886 and their spouses. Champagne will be served. Every year the knights are also invited to attend which is scheduled as a meeting in the woods.

In 2005 in Fernand was approached by Knight Roy Gould to join the K of C. Fern has served in the position on Inside Guard and assisted in many other activities. However, since he lives a 35 min drive down the highway from our council meeting location this is difficult in the wintertime and to participate in functions. His donations of his maple syrup to the our council Pancake Breakfast event is enjoyed by all.

Youth Activities-Soccer Challenge

Pat Stenson trying to stop the soccer ball but it went thru his legs. At the event someone yelled "Pat, stick to hockey," The voice sounded like one of his brothers.

In the month of September our council was involved in conducting the soccer challenge at St Francis Assisi, Holy Name, and St Martha Catholic Schools. A total of 114 children participated. All events were conducted in a different morning at the three schools. Knights were kept busy by their leader Paul Jackson. No breaks were permitted. It is a good thing we do not have a union representative (chuckle, chuckle). The volunteers were Joe, Pat and Mike Stenson, Ray Paquin, Mac Robinson, Margaret Jackson, Stephen Coombs, Scottie Smith, Marguerite Laudanski (who helped us with the initial school coordination) Philip Henderson and Robert Charest. It was remarked that if we could harness the children's energy we could solve some of Ontario Hydro's present and future energy demands.

St. Vincent de Paul Lunch Crew for the month of September

The St. Vincent de Paul Team on the 11 September consisted of Mike Stenson, Team: Mike Stenson, Steve Coombs, Scottie Smith, and Bob Lalonde (a Knight transferring to our council) who arrived about 1030 AM (he was a very good, dedicated dishwasher, almost as fast as the GK. Is that possible?) The Menu: prepared by the team was salad, chicken sandwiches, chocolate cake and apple pie. Seventy-eight diners enjoyed the meal.

It was quite warm and felt sweaty but not one Knight perspired as they were Knights.

Four Knights enter Council 11886

On the 17 September, Council 11886 conducted a First Degree Ceremony and four new Knights entered the council. In the picture above, from left to right are the new Knights: Jonas Cancino, a 4th year student at the Royal Military College; Sébastien Généreux, a junior officer posted to the Communications and Electronics School (CFSCE) at CFB Kingston; Éric Latimer, a university student; and Justin Yoo, also with CFSCE. The last three are parishioners with Holy Family Chapel. GK Robert Charest and FS Phil Henderson with assistance from Scottie Smith presided over the ceremony. Our District Deputy Denis Keefe attended as well as Ray Paquin, Pete Scott and Stephen Henderson. Jonas and Sébastien enjoyed the butterscotch squares and brownies provided at the Meet and Greet afterwards, freshly made by Joan Charest, that they took the remainder for their snacks for the week.

Their degree certificate identifies the degree as being in honour of John Don Clark, a Knight with the council. Don served the council since 1997 and had a career in corrections. He was a former Warden of Kingston and Prison for Women. Don passed away shortly after the degree ceremony,

Holy Family Chapel Mass and 22 Sep BBQ

Holy Family Chapel commenced their posting year with a Meet and Greet BBQ. The Knights set up tables and chairs, cooked the BBQ meal, and took down the table and chairs with help from some of the parishioners. Families brought salads or deserts. Due to several Knights being away Knights Scottie Smith, Ray Paquin and Sébastien Généreux got their exercise that morning. Ray Paquin said he very much enjoyed his nap that afternoon.

Over 45 parishioners attended the BBQ after the 10:30 mass. The BBQ was blessed with good weather but wasps visited the area.

Council 11886 and Meet and Greet

Council 11886 held an Installation Ceremony for their new executive 28 Sep at Holy Name of Jesus Church at 6 PM presided by District Deputy Dennis Keefe. Parishioners at the 5 PM mass were invited to attend the ceremony and some took the council up on the invitation. The spouses of Executive members received a red rose. It is well recognized that spouses support their husband in their knighthood.. As well, many spouses assist the council in their events. This was a small token of the Council's appreciation. Some Parishioners also received roses.

After the ceremony was a Meet and Greet in the St. Joseph room of Mgr. Raby House attended by 42 persons consisting of Knights and family members.. Guests invited were our District Deputy Dennis Keefe, our insurance representative Stephen Henderson and his spouse, and Roseanne Hogan . Knight Steve Coombs looked after the refreshments, DGK Roger Bédard greeted people as they arrived, Sébastien Généreux (one of our newest Knights) was the student hockey challenge supervisor, and our student helpers for the children Kayla Ringrose and Caterina Macfie. Kayla and Caterina are teenage children of Knights. Children activity stands were set up in a tent beside the outside entrance meeting room of Mgr Raby House.including our hockey challenge scoring board. The tent for the event was set up earlier in the day by Pat and older brother Joe (older brother by at least half an hour) set up and took down the tents. We had our newest tent for the event which has plastic windows on its sides. It is a lovely tent but a bit more difficult to put together. We recyled all cans and plastic containers and placed the food wastes in the recycled bin. At the end of the event everyone pitched in to put and clean things up. We only had a small bag of garbage as a result.

Regretfully photos of the event did not turn out and Knights Moves is looking for a new photographer. Please apply to the GK.

Council 11886 Gift Presentation at Baptism

Photo above - Claire Gamble being held by father Kevin with mother Lyla standing by his side.

Sir Knight Gary Richards presented to Claire, at her baptism on Sunday 6 October at the 9:30 mass at Holy Name of Jesus Church, on behalf of council 11886, a pewter Christmas ornament of Holy Name of Jesus Church. His wife Jean, also presented a gift on behalf of the CWL. Since the spring of 2018 the council has been given this gift to wedding couples and at baptisms at Holy Name of Jesus Church. A suitable gift is still being looked at for the baptisms and weddings conducted at Holy Family Chapel. It is hoped that the gift will be a constant reminder to the child and the married couple where and when they took these sacraments,
