Grand Knight's Message

Brother Knights,

17 November Breakfast. Thank you Roger Bedard and your team for making and serving a lovely breakfast for Holy Name of Jesus Parish and Holy Family Chapel parishioners. Many thanks to all our volunteers: François and Pauline Bédard, Robert and Joan Charest, Jonas Cancino, Sébastien Généreux, Robert Bouvier, Blair Macfie, George Caron and Philip and Marjorie Henderson. Also, a special thank you to the spouses of the Knights whom we could not have done it without their help.

Some of our council members have been busy selling K of C lottery tickets to raise funds for the council and Ontario K of C charities. Thank you Mac Robinson who can sell one booklet of tickets per hour at James Valu-mart as well as George Caron, François, Bédard, Joe, Pat and Mike Stenson.

22 Nov Knights Nite Out - Thank you Brian Reitzel who organized the event. Those who participated witnessed the Kingston Frontenacs win their game 5-3 after a losing streak of 11 out of 12 games. We observed first hand, history in the making. It was so significant that we forgot that Brian forgot to order the pizza that night.

At this time of year we must think of families and those who are less fortunate than ourselves. The last time I volunteered at St Vincent de Paul there were three young families who came for a meal. We had some leftovers and I was able to give each family some. I could see the thankfulness in their parents eyes, However I gave them very little and I wished I could have given more. We have so much and many times we do not realize it, Let's pray for those less fortunate than ourselves and consider charity at this time of year including food banks where the requirements for their services seem to be increasing.

Enjoy time with your families over the holidays.

Merry Christmas and a Happy New Year. Drive safely

Robert Charest, Grand Knight Council 11886

Your Prayers are needed

At the 11886 Council Meeting 12 Nov. 2019 the Knights were asked to pray the following who are ill:
Hudson MacIsaac, Mac Robinson, Lawrence Kennedy and David Manryk.

Who is Knight Roger Lamarche?

Knight Roger Lamarche was born in Cornwall, Ontario. He is the oldest of four children and has two sisters and a brother (who presently resides in Kingston). His parents are from Cornwall as well. His father worked in the cotton mill and when that factory closed, he worked for the local school board. Roger played hockey and baseball growing up. His grade 12 graduation was from St. Lawrence High School in Cornwall where he had become fully bilingual.

After graduation he worked at the cotton mill for a couple of years. Roger met the love of his life, Emma, when they both worked at the cotton mill. They had an on-and-off again relationship for about 4 years

before they both said. "I do." They have one son (lives in Ottawa) and two daughters (one resides in Kingston and the other in Arizona).

After working a couple of years at the mill, Metropolitan Life Insurance hired Roger as a clerk. In 1964, the insurance company transferred him to their Ottawa Headquarters. One of his early jobs was to act as an auditor for the sales representatives. On one of his audits he discovered some irregularities in the expenses of one of them. As a result, the employee was fired, and Roger discovered the representative in question had attended school with him.

Eventually he became the supervisor of the office where he remained till, he retired in 1998. In the year 2000, Roger travelled to Myrtle Beach on a golf trip for a week. While he was away Emma investigated moving to Kingston. She found a home in Kingston and when Roger came back, he found out that it was decided they were putting up their house for sale and moving to Kingston. Their home sold in five days.

Over the years Roger continues to be an avid sports participant. He bowled 5 pin three times a week in the elite league in Ottawa. He played old timer hockey for several years. He also played junior and senior hockey (4 years in the Cornwall Petros). In Ottawa he was also the game sportscaster for the Gloucester Rangers in the community of Gloucester. He also umpired minor league baseball for several years.

Roger joined the Knights of Columbus in 1964. Over the years he has been involved in many church related activities. He presently attends St John's Parish in Kingston.

St. Vincent de Paul Lunch Action Team for November

The St. Vincent de Paul Team on the 13 November consisted of Jim Laudanski, Mike Stenson, Robert Charest,, Ray Paquin and one other knight who has been momentarily forgotten. The Menu prepared by the team was a salad and a colourful stew which appeared delicious with baked goods for desert. About seventy diners enjoyed the meal. For those who attended I am sure this was their most recent nutritious meal of their day.

Knights of Columbus Prospect Page

The GK commenced a prospect page on the internet for our council. All prospective knights can learn more about the knights by signing up on the prospect page and they will receive information periodically on the knights so that they can become better informed prior to signing up. All knights are requested to upload this prospect page to their phone. If they have someone that is interested just have them a prospective client fill it out on the spot.

Knights of Columbus - New Degree Ceremony

The new Degrees will be in effect 1 Feb 2020. Basically all new Knights will attend a single degree ceremony that will be conducted at the council level, in a church, following a mass. The ceremony will permit families and friends of the candidates and any other parishioners. The new degree will give the participants the status of 1st, 2nd and 3rd degree and will be eligible to serve on the executive. Current Knights not having attained 2nd or 3rd will be required to complete their journey by taking this degree ceremony. District Deputies were briefed on the new degree protocol at the scheduled DD Meeting between 29 November - 1 December 2019.

Just One Hour

It was St. Pope John Paul II's hope and great desire to see the establishment of perpetual Eucharistic adoration in all parishes and Christian communities throughout the world. Every cardinal, bishop, pastor, clergy, religious and lay person is encouraged to do all they can to fulfill this mission.

We are fortunate to have Eucharistic adoration within Holy Name of Jesus Parish which takes place every Thursday in the Chapel of Monsignor Raby House. I made a commitment to spend an hour a week at Eucharistic adoration about 20 years ago and it has been a very important life experience for me. I have heard or read encouragement from John Paul II, Mother Teresa and Pope Francis who all made their own commitment to spend one hour each day in Eucharistic Adoration and they found as I have that you will experience a peace the world cannot give in this noisy and troubled world. It can give you strength to face difficulties of life. No better place to present your requests and express your needs.

An invitation is extended to each one of us to come and adore.

To quote St. Teresa of Calcutta: "Be faithful in small things because it is in them that your strength lies".

To give one hour a week truly is a small thing. Reach out to our parish office at Holy Name of Jesus church if you can give just one hour a week for the next 30 days and you may find it easy to make a long term commitment.

The time you spend with Jesus is more precious than any other time.

Donation to St. Vincent de Paul

Picture at Left - Mike Stenson, Chancellor and our Coordinator for our council's helpers at St. Vincent De Paul is seen presenting a cheque of \$500.00 to Laurie Day, the chef. Laurie directs our volunteers when they work in the kitchen and ensures our knights adhere to the rules and regulations of working in a public kitchen.

St. Vincent de Paul runs a number of programs, a lunch program, food bank, and a clothing distribution centre for the less fortunate. For the knights who have worked in the kitchen they can attest their facilities are cramped and need of enlargement. In November, the organization purchased some land nearby to construct new facilities. In the coming year they will be seeking donations for construction. Our council will consider a potential request for funds in the coming year. Council 11886 has been a great supporter of the organization and all of volunteers have gained an appreciation of their humanitarian work. Our donation will be well spent.

Family Breakfast Hosted by Council 11886

On November 17 our council hosted a family breakfast from 8 AM - 12:30 PM in the gymnasium at Holy Name of Jesus School. Roger and Tracy Bédard organized the event for the 80 people who attended. The menu consisted of scrambled eggs, hash brown, sausage, bacon, Polish potato pancakes and croissants served with coffee, tea and juice for the children. Many thanks to all our volunteers: François and Pauline Bédard, Robert and Joan Charest, Jonas Cancino, Sébastien Généreux, Robert Bouvier, Blair Macfie, George Caron and Philip and Marjorie Henderson. Joan Charest worked very hard to ensure our Polish Community felt included in the event by making 140 potato pancakes prior to the event. Of course, her husband helped too by supervising. We also want to thank the Polish family that donated 4 beautiful cakes for a breakfast treat.

This was a very successful event as we made a \$320 profit. Thank you to everyone who supported it.
