Grand Knight's Message

Picture to the left, District – Deputy Peter Scott (on the left) presents the Star Council Award to the Grand Knight Jim Laudanski. Council 11886 is one of 12 of the 540 Ontario councils to receive the award.

My Brother Knights and Families,

A New Year is upon us once again. We are thankful for a roof over our heads, a free democratic country, family and friends. As Grand Knight, I am thankful for you, our members. We have one of the best, most vibrant Councils in the Order all because you step up to the plate and exemplify the true calling of Knighthood – helping our widows and children, our Church and our community. Without you, we would have no Council. Congratulations to all for our work and receiving the Star Council Award for 2017-18.

Please pray for the family of Brother Wayne Murray who we lost in December 2018. Please also pray for our deployed members and their families. Please also support/attend the Basketball Free Throw Competitions on various dates, Family Bowling Jan. 13th and St. Vincent de Paul this month.

We will be selling the book "Holy Hockey", the Story of Canada's Flying Fathers as a fundraiser starting later this month. All books will be autographed by Father Tim Shea, Former Flying Father and Pastor at Holy Name. Cost \$30.

Once again, thank you for being a part of Holy Name Council 11886!

Jim Laudanski, Grand Knight Council 11886

Who was Wayne Murray?

Note; Wayne Murray passed away 15 December, 2018. He was interviewed for this article in August of 2018. The editor would like to thank his daughter Sandra who collaborated in reviewing and revising the article to the satisfaction of her father. The tense of this article was revised for this edition to reflect his passing.

Wayne Murray was born and raised in Kingston. He was the youngest of 4 children and went to QECVI. Wayne had always loved music and was so passionate about percussion that he saved up his own money to pay for drumming lessons beginning at the age of 14. This would later lead to a 28 year career in the Canadian Armed Forces as a musician. In 1963 he met and married, Mary Lou and said it was the best decision he had ever made. In fact this year, they celebrated their 55 wedding anniversary with their three children, six grandchildren, two great grandchildren, extended family and friends.

While in the Military, Wayne and his family lived in a number of places in Ontario and New Brunswick. Although he was never posted to Europe, he travelled throughout Europe with the band while Mary Lou held down the fort at home. He was celebrated in 1992 with a medal honouring the 125 Anniversary of the Confederation of Canada for his significant contributions to the band beyond his music. He often received applause for his Sparks xylophone solo while in the Ottawa and Kingston bands, and was in the Canadian Guards band for the changing of the guard on Capital Hill. Wayne also completed the very challenging Director of Music course in Borden before he retired in 1994.

However, Wayne has always felt most blessed by his family and his faith. Over the years, the Murrays fostered about 12 children, cared for Mary Lou's father who lived with them for several years, and Wayne's mother. Wayne has a family who takes care of each other.

In the last remaining years you would have found Wayne teaching himself how to play the piano, playing (and losing) Cribbage and Scrabble with his wife, and volunteering weekly at Providence Manor. Wayne had met many priests in all of his travels and was deeply aware of the sacrifices our priests make. He was careful not to criticize them because they are so dedicated to God's children.

To the left is a picture of Wayne in his younger years with a Canadian Armed Forces band playing a percussion instrument.

St. Vincent de Paul Events

On the **11 Dec.** the Knights of our council prepared and served a meal to about 70 people at St. Vincent de Paul. Picture at left, Knights Jim Laudanski (left) and Mike Stenson(right - you see his hands only) lay out the main course in a preparation tray. Ray Paquin (centre) is observing their assembly time per item to determine their efficiency. It was an ideal born from the GK's influence as an engineer.

Some Knights in the past have made errors by using white and brown bread for a sandwich vs having a completely white bread or completely brown sandwich. Our clients either want white or brown bread in a sandwich vs a combination of the two. In cases like this we have to disassemble the food item and remake it much to the dismay of the chef we work under.

On Wed the **19 Dec.**, Knights Mike Stenson and Robert Charest attended a last minute invite to the St Vincent de Paul Christmas Party for the volunteers held after the day's lunch. We had a feast of pizza, pie and pop. Later the participants decorated a ginger bread man cookie which was judged for its quality decoration. Mike had

placed the letters "K of C " on his but did not win a prize for his creativity. The latter part of the afternoon was spent playing games. All attendees received a gift so they must have behaved well all year. It was a fun afternoon.

On Friday the 21 three Knights (Jim Laudanski, Joe Stenson and Robert Charest). along with some other volunteers from different organizations, prepared and served the Christmas meal. We carved up eight turkeys for a crowd of 96 people. Many of our guests took some turkey and other leftovers home.

Photo at left—Knight Jim Laudanski in preparation for the Christmas dinner is seen buttering buns for the meal. At the time of this picture he had at least 100 more to do. As Grand Knight Jim gets involved in doing everev thing at events. His fellow knights often wonder if his wife knows he is so handy in the kitchen.

4th Degree Christmas Party

The annual 4th degree Christmas Party was held at the Fatima Centre on Monday 10 Dec. One can always count on an excellent meal at this hall as well as enjoy the pleasant surroundings for the evening. A contingent of Knights and their spouses from Council 11886 attended. The 4th degree knights who attended were Roy Gould, Garry Richards, Roger Levac, Guy Lahaie, Ray Paquin, Mackenzie Robinson, Father Anthony Werunga, and François Bédard. There were a few highlights to the evening regarding our council.

Knight Roy Gould, left in the picture, had won the 50/50 draw. Upon the announcement he jumped up from the table, clicked his heels to the astonishment of the Knight Moves roving reporter who clicked this photo only moments after he performed this act. Garry Richards, sitting at the right in the photo, shows his astonishment as well as excitement for his fellow knight who won the draw and performed this gymnastic feat.

Knight Mackenzie Robinson and wife Dorothy (Dot) celebrated their 52 wedding anniversary at the event. In addition, Dot (Dorothy) won two bouquet of flowers,

Family of the Month Submission

Submit a name for the January 2019 Family of the Month (by the 7 February to the GK (thru Family Director) Contact information for all members of the executive are located in the last pages of every newsletter.

The format to be used in your submission is as follows:

Member Name: _____

Membership Number: to be provided by GK (thru /family Director - Jean Pellerin) _____

Spouse: _____

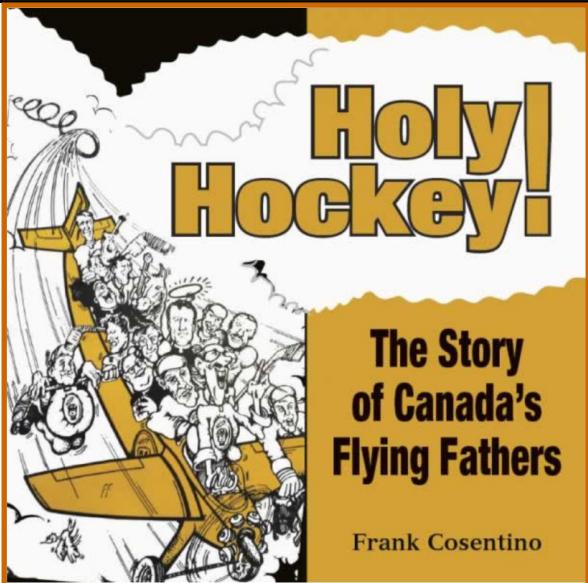

Children /Ages: : _____

Home Address: _____

Our council's "Family of the Month" was selected for the following reasons: In accordance with the Surge Manual base your council's recognition of a family based primarily on the following questions:

Does the family pray and attend Mass together? Has the family made significant contributions to the Church, community and/or council?, Does the family enjoy one another's company? Does the family communicate openly and honestly? Does the family spend time together?

The Story of Canada's Flying Fathers

The Flying Fathers are a group of Canadian Roman Catholic priests who regularly tour North America as a hockey team, playing exhibition games against local teams to raise money for charities. The organization was founded in 1963 by Brian McKee and Les Costello, two priests from Northern Ontario.

Council 11886 will be selling the book "Holy Hockey", the Story of Canada's Flying Fathers as a fundraiser starting later this month. All books will be autographed by Father Tim Shea, Former Flying Father and Pastor at Holy Name. Cost \$30. Details of the fundraiser are forthcoming. If you cannot wait contact the Editor and he will compile a list for submission.

Supplies are limited.

Gift Card Program

Thank you to 32 Council Knights who participated at least once in the program helping its success. Together along with many other parishioners we raised \$3932 towards council and parish needs. Could you imagine what would be possible if more council members participated on a regular basis? It costs you nothing, this is money you are spending already but spending with gift cards truly can make a difference. 2018 profit will be turned over to council executive for disbursement decisions.

Knight Deals Program

While few Council Knights support the program it still managed a \$1997 profit for 2018 and saved 834 participants many dollars off of event costs. Sadly about \$1400 worth of tickets went unused due to lack of interest. The event choices are continually reviewed hence why only one Blue Jay bus trip will be offered this year and Red-blacks Season Seat inventory reduced.

2018 profit will be turned over to council executive for disbursement decisions.

Never too early to reserve your seats. Blue Jay Sunday 30 Jun, Honda Indy 12-14 July, Come from Away Thursday 22 Aug, CFL Season begins again in May! Still 12 Senators games unsold. Details on the website www.knightsdeals.ca

District Deputy Farewell

Many Knights know that I am a principle driven person; thus, should not be surprised that when something happens that violates those principles I would not stand idle and ignore it. Recent actions/decisions of our State Board did just that. While I am a committed volunteer I am also "all in" or not in, kind of guy so I could not in good conscious be seen to be supporting the current State Deputy. I am still happy to be a Knight and am still committed to the great work that happens at the council level in support of parish, priests and community. If circumstance change I may again choose to work on behalf of the State Board in a leadership position, but until those changes occur, I thank each of you for your support during my tenure as District Deputy. Vivat Jesus

Sir Knight Peter Scott

A Little Catholic Humour

A little girl became restless as the priest's sermon dragged on and on.

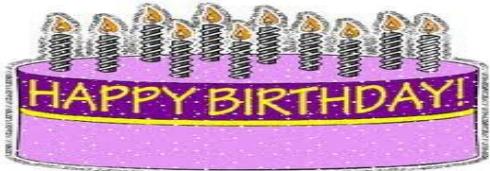

Finally, she leaned over to her mother and whispered,

"Mummy, if we give him the money now, will he let us go?"

Reminders

- * Every Knight is a recruiter for the Knights. If you know someone who is interested have them to join online at <https://www.kofc.org/apps/newjoin/en/registration/index.html>, and include the council number 11886 to join. Council receives a \$5 credit per capita. No form 100 work by the FS is then required. Also, the fee for registration is \$30 by credit card. Upon completion of registration they will belong to the state vs the council until they complete their first.
- * The simple hard truth is that Christians are on the verge of extinction in the Middle East. We must not allow this to happen. Another way Knights live their mission of charity is our work in the middle east. Since 2014, Knights have committed \$20 million to aid Christians and those of other religions in their care. The Christian Refugee Relief fund helps those Catholics who are affected by the conflict in the Middle East, with donations going to medical aid, reconstruction costs, helping those who are fleeing their homes, and assisting those fleeing the genocide that is being committed. Donations can be made through this link:
<http://www.kofc.org/en/charities/christian-relief/index.html> .

Note : The Knights' Deals opportunities are not just for the Knights but for everyone who would like to attend the events. By organizing the events we get reduced prices on tickets for our customers and our margins of profits are kept low. The profits are in the area of 2-5% which provides our council needed funds to conduct our activities in our community. The ticket seats are also well placed in the milieu which you may not necessarily be able to get otherwise. Also, if you do not wish to drive to and from the event this would be an excellent alternative. Please consider this alternative as we believe it is a win-win situation for our customers and us.
