Grand Knight's Message

Brother Knights,

The pandemic has changed everyone's world. It is forecasted that until we have a vaccine, to guarantee our safety, we will continue social distancing for a long time. Many people are alone with their wife and have no contact with family members except by phone or the internet with some communication software. We are isolated but not alone. A reminder of this fact was when my oldest daughter was about 5 years old and wanted to play on the lawn in the front of the yard. At the time I thought she should not be in front yard by herself with the traffic on the street. She said something along the lines that, "Papa, I will not be alone in the front yard because Jesus is with me." In response to that reply I did not have a rebuttal. I think sometimes we must not forget that we are not alone even though we are isolated in our home from friends and family.

Thank you for the volunteers who continue to work at St. Vincent de Paul and on Council issues. Also, thank you knights such as Mike Stenson who is helping seniors in getting groceries and required medication. Even though we have no specific activities plan at the moment there is still work being done behind the scenes by many by helping neighbours and loved ones.

Our Finance and Fundraising Committee is looking at our fundraising for the next year and expenses. Due to the pandemic some of our fundraising activities cannot take place. Hence, one objective is to increase our Gift Card participation. We are preparing a new program for Gift Cards. It is called "Buy all your groceries and gas with Gift Cards." By doing so you support your parish and your council. See our website on Gift Cards for more info. Talk to your spouse and make it so.

St. Vincent de Paul Society is asking for food donations. the society is accepting gifts of non-perishable foods such as canned goods, rice, pasta, and peanut butter as well as personal care items such as shampoo, toothpaste, toothbrushes, sanitary pads and disposable razors. Also, anything suitable for bag lunches such as packaged cold cuts, fruit cups and prepared cookies. Call 613-766-8432 to arrange pickup. Donations of money provide the most flexibility. A dollar stretches further than buying off the shelf. Money donations can be made online, by cheque or by cash. Also, arrangements can be made to pick this up.

In summary be prepared to help your neighbors, friends, etc where you can and stay safe. Remember you are not alone. Please help St. Vincent De Paul Society if you can and our Gift Card program. Vivat Jesus,

Robert Charest, Grand Knight Council 11886

A word from the editor

Your Prayers are needed

At the 14 April Council Meeting the Knights were asked to pray the following who are ill: Hudson MacIsaac, Dot Robinson, Marcus Hacault, and Beth Benton's family.

Who is Knight Sonny Hatton?

Knight Sonny Hatton grew up in Abbotsford, BC and enrolled in the Canadian Armed Forces in 1994 under the Regular Officer Training Programme. He was commissioned as an Artillery officer upon graduation from the Royal Military College (RMC) Kinston, Ontario in 1998 with a Bachelor of Engineering in Computer Software Engineering.

Colonel (Col) Hatton served two Regimental tours at 1st Regiment Royal Canadian Horse Artillery (1 RCHA) in Shilo, Manitoba where he honed his craft as an Artillery Officer and deployed as an Infantry Platoon Commander on operations. His staff experience includes: Personnel Assistant to the Commander of 1 Canadian Mechanized Brigade Group, the Army Experimentation Centre Manager; Staff Office to the Commander of Land Forces Doctrine and Training System; the J5 Plans Middle East and Africa desk officer and Acting Deputy J5 Plans at Canadian Joint Operations Command; and the Canadian Army G33/Deputy Director Army Force Readiness. He commanded E Battery, 2 RCHA (2009-2011) in Petawawa, Ontario and later 2 RCHA (2014-2016).

His deployments include: Platoon Commander with 3rd Battalion Princess Patricia's Canadian Light Infantry (3 PPCLI) in Bosnia and Herzegovina (2000); Task Force Kandahar Chief of Fires/Targeting in Afghanistan (2008-2009); and Deputy Commander of the Latvian Land Forces Mechanized Infantry Brigade and Commanding Officer of the Latvian Allied Augmentation Team in Latvia (2018-2019). In addition to his role force generating forces for international and domestic operations during his time as the Canadian Army G33, Colonel Hatton's domestic operations experience includes fighting fires in the interior of British Columbia (2003), security for the 28th G8 Summit in Kananaskis, Alberta (2002), and training Reservists for security detail during the G20 Toronto Summit (2010).

Sonny holds a Master's degree in Defence Engineering and Management from the Royal Military College (RMC) Kinston, and a Master's degree in Military Arts and Science from the US Army School of Advanced Military Studies. Col Hatton is currently the Chief of Staff at the Canadian Army Doctrine and Training Centre and the Director of Artillery for the Canadian Army. He is happily married going on 18 years and the couple has one child.

Outside of work, he loves woodworking and plans to build a cedar strip kayak this summer with Mark Haladay. He enjoys hiking, canoeing, and camping with the family and the best holiday is when I can combine all three together! Sonny rides a decade-old Triumph Tiger 1050 motorcycle that he absolutely loves. He got his license when he turned 40 – must have been a mid-life crisis sort of thing! In the past, when his time was not monopolized by the Army, he used to volunteer as a Catholic youth-group leader, previously here at Holy Name with Fr. Shea and with LifeTeen in Leavenworth, Kansas. Sonny was also a beaver/cubs leader when his son was younger, but that only lasted three years from 2013-2015 before he lost interest.

Sonny has a strong passion for the Artillery and have served the Regiment in various capacities in the past and am a member of the RCHA Brigade Association here in Kingston. He is also a member of the RMC Ex Cadet Club, although I have yet to make it out to any of the local chapter meetings. my son decided he was no longer interested.

Sonny first joined the Knights in 2006 and was a member of our council before being posted to Petawawa.

Council 11886 Donation from Gift Card Program to Holy Name of Jesus Parish

Picture at left: Knight John Schell, Deputy-Grand Knight presenting a cheque to Father Wes at the 5 PM mass 7 Mar.

Picture below: Knight Philip Henderson presenting a cheque to Father Wes at the 9:30 AM Mass 8 Mar.

Picture bottom: The GK submitted a cheque at the 11:00 AM mass 8 March.

There were two cheques presented at all three masses, but they were actually the same two presented.

\$200 was presented to the Priest's Pension Fund and \$1153 was presented to Holy Name of Jesus's Parish. This latter amount was raised from the profits from the Gift Card Program from those who participated from Holy Name of Jesus Parish. Holy Family Chapel was also given their share of the gift card proceeds which was \$729.

Anyone can participate in the program. However, it is the two parishes where we have knights who benefit for the program. If we sell about \$4000 worth of cards, we can raise over \$100 depending which cards are purchased. The great thing about buying a \$50 or \$100 card is that you can buy \$50 or \$100 of merchandise and yet we are raising funds by doing this. Depending, on the card the council gets 1-4% of the value of the card. Hence, the **Gift Card program is a fundraiser where you do not spend any additional money** to the cause. You just take an extra step in your purchase. This year we are asking all Knights to purchase at least their **Gift Cards for their Groceries and Gas** needs. At no cost to our participants it is an ideal fundraiser..

Donation to Holy Name of Jesus CWL for the Roses for Life

Picture at left: Knight Joe Payne, represented our council to present a donation of \$150 to the President of the CWL. Donna Payne, to support the Roses for Life campaign.

Donna, indicated she was please to accept the cheque and indicated, “*A very big thank you to you and your Knights for this very generous and thoughtful donation to our Council. Please know we appreciate everything your council does for our Parish and community. We will put this donation toward a very worthy and needy cause. May God and Our Blessed Mother continue to bless your Knights and our Catholic Women’s League members and families with wonderful health and the gifts of the Holy Spirit so we may continue to serve our parish and community.*” Also, she hopes she will accept more cheques from her husband in the future, as they do not have to be from the Knights, and this is the first cheque she has received from him. Joe, keep them coming.

Lending a helping Hand Program = Cleanup of Highway 15

In the spring and fall our knights, under the Helping Hand Program cleaned up a portion of Highway, from the 401 parking lot south to Tim Horton's. Unfortunately due to the pandemic all group activities were cancelled. However, it was completed anyway. There are a couple of rumours floating around on how this occurred. One was that Knight Gary Richards, again like in the fall when it was also cancelled for another reason, was not aware of this and cleaned it up over several weeks on his daily walk. Another is that Knights Tom Stenson, Stan Pietak Don Clark and Wayne Murray, who are immune from the virus came down from the heaven and completed the work.

Rumours are not necessarily true but they usually make a good story and it is being mentioned here as during these times everyone can listen to a good story or yarn. Knight Moves like any ethical and professional newsletter are obligated to keep their sources of information confidential, if asked. Our source, whose identity wishes to be confidential but is a reliable and creditable source, told us that 37 bags of garbage were collected along with other items which could not fit in bags. The picture above was taking by our Editor as proof of the collection. Due to the fact his camera does not have a wide angle lens, he was not able to take a picture of all the bags. Perhaps, some year we can purchased a wide angle lens to have on hand for just such occasions.

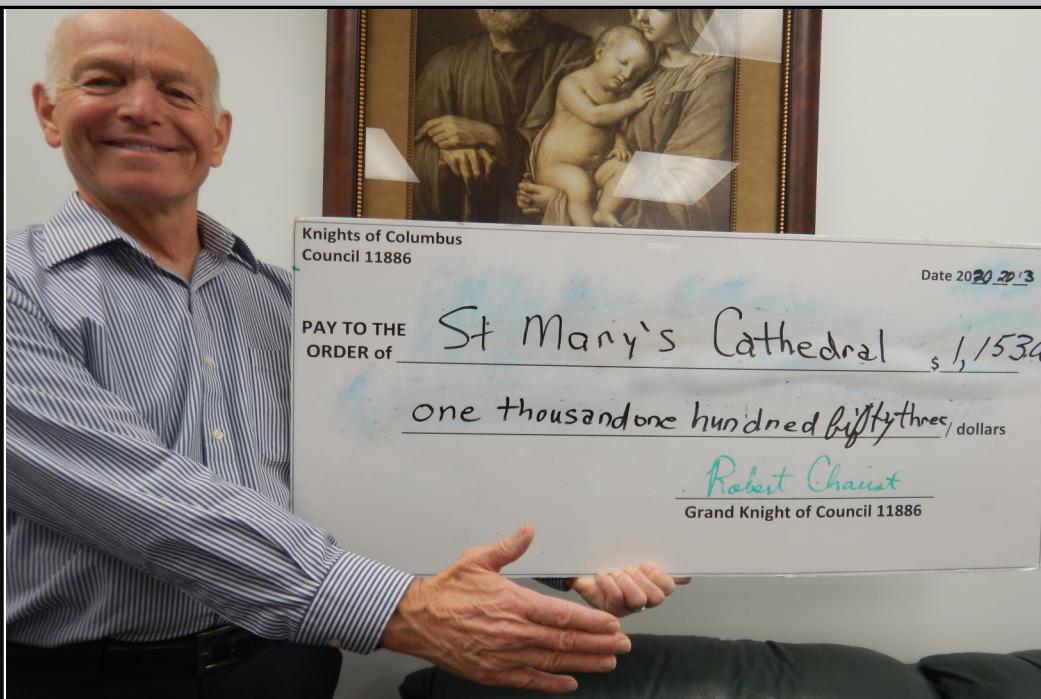

Presentation to University Hospitals Foundation for Providence Manor Build

Picture at Left: Lori Fannigan, Director of Annual Programs of the Kingston University Hospitals Foundation, receives a cheque for \$1153.00 for the construction of the new Providence manor. Our council pledged 5K to the program over 5 years. Our council fulfilled the pledge in 4 years and with the money raised from the Rain Barrel Sales gave a total of \$5,545 to the fund. The cheque from this program came from the profits of our Knight Deals program. Someday many of us Knights and our spouses may spend time in Providence Manor. Some of our Knights also donated privately to the fundraising.

Anybody can participate in Knight Deals and take advantage of the good deals. Visit our website. However, due to the pandemic everything our on hold.

Who is Knight Ray Paquin giving a presentation to?

Knight Ray Paquin is presenting, on behalf of our council, a cheque to Father Shawn Hughes of St. Mary's Cathedral. Due to the start of the pandemic he was not able to present it in person. Hence, he is simulating presenting the cheque to him with his broad smile and a handshake. After this task he had to go for a coffee break. The last time the Editor worked with him at St. Vincent de Paul he asked for a coffee break 30 minutes after he started. In summary, any task he receives requires a coffee break into or after the task at hand no matter the length and time required. Other than that Ray has no quirks than

that he likes his coffee, frequently.

The funds raised came from the profit of the Knight Deals program which sells tickets to various sports and artistic events. Knights Deals holds season tickets to Senators, Red Blacks, and other team games for seats on games at savings to the customers. It is open to all of the public. Many events are presently not being sold due to the pandemic. Visit our council website to learn more about knight deals.

St. Vincent De Paul Kitchen Duty

Picture at left: Knight Mike Stenson, in his work station, at St. Vincent de Paul is peeling and cutting potatoes to make a potato salad for a take away lunch.

When the pandemic broke out St. Vincent de Paul went from sit down lunches to a take-out establishment. Hence, the number of helpers required went from 5 to 2. In the month of April our council Knights worked at St Vincent de Paul on the 8 and 29 April. Ray Paquin worked with Mike on the 8th April. Mike indicated, "Ray turned on the radio today at St. Vinny's but the songs that played were a "poor substitute" for the GK's entertainment. Things went well otherwise." Jim Laudanski and Robert Charest worked on the 29th April.

and Robert Charest worked on the 29 April.

Picture at right : Knight Ray Paquin working in his cublicle.

Prior to the start of the pandemic our Knights had the tendency of preparing and serving a meal to about 70-80 people. On the 29th April the Knights catered a meal to 103 people. They started coming in for a meal at about 8:30 AM and it continue till 12:50 PM. Laurie, the chef, indicated that they are now seeing people they have never seen before. The largest amount they served in April was 128. I saw a boy who came in who if he was 16 years of age was pushing it. The people who come in are of all ages. Some parents come in with their children. We try to have a treat for the children above and beyond that they would normally get. Laurie expressed the concern of trying to meet the increase need.

Vincent de Paul Society is asking for food donations. the society is accepting gifts of non-perishable foods such as canned goods, rice, pasta, and peanut butter as well as personal care items such as shampoo, toothpaste, toothbrushes, sanitary pads, and disposable razors. Also, anything suitable for bag lunches such as packaged cold cuts, fruit cups and prepared cookies. Call 613-766-8432 to arrange pickup. Donations of money provide the most flexibility. A dollar stretches further than buying off the shelf. Money donations can be made online, by cheque or by cash. Also, arrangements can be made to pick this up.

St. Vincent de Paul is planning construction of new facilities. The dining hall sits 35 people at a time a time and the kitchen is so small that the knights now know what working in a kitchen aboard a submarine is like. The clothing and food section is also overflowing. Our council Fund raising committee is presently looking and a way that they could support this construction. More to follow in the next issue.
