HOLY NAME OF JESUS COUNCIL 11886**

Grand Knight's Message

Brothers, another Fraternal year has come and gone. It's been a busy year of St. Vincent de Paul Lunches, Highway 15 Clean-up, Rain Barrel Sales, Church Maintenance, Soccer, Basketball and other School Programs, Round Table, Support of Gift Cards and Knights Deals and as well as the many various ways in which member Knights help and assist our Churches - Holy Name of Jesus and Holy Family, those in need in our community of Kingston, and the various charities which we support.

As I write to you for the last time this year as your Grand Knight, I am filled with joy because of all the great work we have accomplished together and all the great memories.

I would like to thank my executive for all the hard work and time you put in over the last year, thank you for helping run this council and all the events we do. A special thanks to my Deputy Grand Knight Robert Charest, you have been always there for me helping and filling in when I was not able to be there. You truly were a great Deputy and an asset to our council.

To all the members for the time and support you gave me and the council, without each and every member we could never accomplish all we do.

And to all the ladies, you are the backbone of the Knights. Thank you for the support you give to us and the help throughout the year.

Next year by working together, we will continue to work to making each year better than the last.

Thank you to all the members who have taken on positions in our Council, the positions require a couple hours a month extra but it is well worth it.

I end by saying once again thank you for all you do for our Parish, Community, and Council. It has been a great honour to serve you this past year as Grand Knight.

Finally, HAPPY FATHER'S DAY!

Jim Laudanski, Grand Knight Council 11886

A word from the editor

If you have content for Knight Moves please forward to the Editor - Robert Charest at rcharest@cogeco.ca no later than the Tuesday of the week prior to the council meeting. If you submit after that there is no guarantee that it will appear in the next issue. Also, please forward any comments or feedback including errors on Knight Moves that you might have found.

Your Prayers are needed.

At the 11886 Council Meeting 8 May, 2018 the Knights were asked to pray for: the following who have recently passed away: Father Antony Verunga's uncle, Ray Croxford, and Colonel G. Coady; for those who are ill: Sister Catherine Cunningham, and Hudson McIssac; and the Toronto sidewalk victims.

Who is Pat Murray?

Knight Pat Murray was born in Kingston and at the age of 6 moved from 218 Stewart St., Kingston to Code's Corners, Kingston Mills. His mother is from Hamilton and his father is from Kingston. He has two older brothers and a sister as well five younger brothers.

His father had served in the Navy, the senior service, during WW II. He served on a couple of frigates. During his career he received posting instructions to another frigate but then it was rescinded. Shortly after, during the war, that ship was sunk. Pat says he might not be here if his father had that ship assignment.

For Grades 1-8 he went to school at the old Holy Name of Jesus. He completed grade 1 in Monseignor (Mgr.) Raby House in a classroom which is presently our Knights meeting room. Rumour has it that one afternoon in grade 1 he was supposed to attend mass at Holy Name of Jesus but decided it was an enjoyable day for tobogganing. Unfortunately, his teacher was apprised of this rebellious streak and he was given the strap the next day for his faux pas. He says he has lived the life of a good catholic boy ever since. He remembers serving mass many mornings at Mgr Raby House at 7 A.M. for the small group of St Martha nuns living there. For grade 9

he went to Regiopolis which at the time was an all boys catholic school. It later became Regiopolis-Notre Dame Catholic High School as a result merging with Notre Dame convent. In grade 8, to attend the school, there was a form of entrance exam on Catholicism teachings which he had to pass to enter the school. For example, he was asked to cite the Lord's Prayer, etc. At that time parents had to pay for tuition to the school. In Grade 10-13 he went to Lasalle High School. For grade 10, when Lasalle High School was being built he attended Frontenac school from 1-6 PM. For this school year he had no excuses for being late but there may be a few occasions which he has forgotten

While growing up he has gone to school with many present and past Knights. He remembers fondly Brother Tom Stenson who was well known for his school tricks such as putting thumbtacks on certain people's desk chairs. When Brother Mike Stenson would drop by and visit for parties and dropping in at his house his dog would usually bite his behind. He also was friends with twins Peter and Paul Boyle.

At Lasalle High School he played defence end in football and played forward in basketball. In 1962-3 he was on Lasalle's football team won the City Championship. He also played softball for several years as his father coached many teams. He played the positions of pitcher and centre-field. A younger brother played junior hockey with the Kingston Canadians when they won an Ontario championship. The team is now called the Kingston Frontenacs.

Pat indicated that a girl by the name of Anne, who lived on a farm off the corner of Highway 15 and the 401, fell for his natural charm, his good looks and the fact that he was a good catholic. Her family farmed the area farm for over 100 years. In 1976, at the age of 25 he married her. They have three daughters: two are school teachers and the youngest is a nurse. They are all married and have given the Murrays nine grandchildren. With 4 women in the house versus living with 7 brothers, he had to learn new rules which he still follows today. For example, he still is in the habit of de-liquifying by sitting down on the toilet versus standing beside it.

His father built the first house on Marion Crescent (218) with many other dads from the co-op as his was the largest family at the time. The land belonged to the Department of Veteran Affairs and the homes belonged to the families. Sir Knight Basil Brosso was involved in designing the houses in the subdivision and was instrumental in the creation of the subdivision. Refer to the September 2017 issue of Knight Moves for more details.

Who is Pat Murray?

His first job was at Millhaven Fibre where he stayed for 9 months. He then went on to work at Northern Telecon (at the time it was called Northern Electric and underwent 4 name changes after that). He had worked in various positions at Northern Telecon. He first worked as a forklift driver, then in shipping/receiving, and then in the division where digital switching frames used in buildings were made. In 2003, after 31 years he took a buyout package from the company. With his wife still working he decided to go back to work and do something new and commenced working at Corks Winery and has been there ever since.

Pat was one of the original Knights who enrolled when Council 11886 was formed in 1996 with Sir Knight Gary Richards as Grand Knight. He has served on various councils as a Trustee and Sports Director which is now called the Youth Director. Over the years he has been involved many activities in the council.

St. Vincent de Paul Lunch

Knights Mike Stenson, Joe Stenson, Robert Charest and Scotty Smith prepared and served the lunch meal at St. Vincent de Paul to about 80 people on Wednesday 10 May. Unfortunately, we had to work a bit faster as we were short one person. We made a lovely salad and sandwich. The meals always appear scrumptious but unfortunately we are not able to sample any of the meal unless there are leftovers and that rarely happens. By the time we clean up after the meal it is usually 1:15—1:30 PM. Robert was glad that there were not any pots to scrub as he normally does the dishwasher job as they normally require a lot of elbow grease to clean. Unfortunately, he broke a few dishes that day but he was not fired from the job much to the chagrin of those helpers who do not appreciate his musical talents and abilities.

Spring 2018 – Council 11886 Highway Clean Up

Knight Mike Stenson (**right**) tells younger brother Pat (**left**) : “I want you to clean the other side of the road.” Pat replies: “I can’t do that, who is going to supervise my bigger brother. Besides. You are forgetting I am in charge of this operation. “

Visual interpretation of photo contributed by the Editor.

We gathered another big load! The annual Highway 15 Clean Up event took place Saturday the 12 of May. We had a smaller crew this year however, we filled a half ton truck to over full with garbage bags. Last full we had two trucks filled.

The weather was perfect and the efforts of everyone were even better. Our Grand

Knight was on site early and by 7:30 AM we had (6) Knights dressed in safety vests and picking up debris all the way from the 401 Ramp to Startek near Tim Hortons.

I missed getting photo's of all the participants but I sure want to say “Thank you” to Jim Laudanski, Scotty Smith, Ray Paquin, Mike and Joe Stenson. We headed up to Bennett’s Value Mart with coffee's afterward to visit our DGK Robert Charest who was selling rain barrels in another fundraiser that our council is supporting. I can’t imagine how much garbage would be on that stretch of Hwy 15 if we had not been performing this council effort to Keep Ontario Clean. It would be staggering if we had all we have collected over the past 15 years piled up to view at one time. I was at a Canadian Tire a week ago and a young lad stopped me to say hello and he said he remembered me from the Hwy Clean Up about 10 years ago. That young lad was John Clark the son of Don Clark who used to bring along his sons to assist us. The support of everyone that has participated over the years has been very much appreciated & I’d like to give a special shout out to two of those Knights, Don Clark and Dr. Stan Pietak.

Rain Barrel Sale

Knight Robert Charest (**left**), on the 12 May weekend, enjoying his coffee brought to him by Highway the clean-up crew including Brother Mike Stenson (**right**). It was a welcome sight to see his fellow knights that morning as business was slow and the coffee and donut were a morale booster. Robert had a booth selling rain barrels adjacent to the Bennett's Valu-mart. Mr. Bennett is always helpful to the Knights in their fundraising endeavours. The profits from the sale of the barrels are going to the construction of the new Providence Manor. Over the space of the campaign 58 barrels, including 2 x 1000 litres water containers, and ancillary pieces were sold for a total of over \$3600. The total profit raised from the almost 3-month campaign has not yet been calculated but it should be over \$600 and a generous Knight benefactor is doubling the funds raised.

Robert tried everything he could think of in his marketing strategy. You may have noticed him walk around the Greenwood Park, Highway 15 and Grenadier Park areas with a rain barrel sale sign on his walker. Unfortunately, his wife Joan did not want to walk with him on his walks as she found he was attracting too much attention to himself but that was part of the plan. He also wrote to his MP Gerretsen who sent out a notice in a tweet that we Knights were selling rain barrels. The MPP, and Kingston East city counselor were also contacted. Mr. Boehme was provided with flyers to pass to his fellow counsellors and he added a link to our website.

A barrel was also sold to Sir Knight Gary Richards who appeared to be an expert negotiator. Robert was not an expert like Garry on negotiation.. To make the sale Robert had to deliver a rain barrel to his daughter in Portsmouth. Robert's predecessor last year for the fundraiser, Sir Knight Pete Scott would probably have said, "You should have charged him the \$15 delivery fee." If I did that, I probably would not have sold him the barrel. Perhaps, next year I can succeed in doing so in selling him another one.

Robert had assistance from the fellow knights Pete Scott for his social media abilities and advice, Steve Coombs and Paul Jackson graciously volunteered with less than an hour notice to unload an 18 wheeler truck. The truck arrival dates changed twice which meant I had little time to find replacement help if that help could not come on the alternate days. Paul also assisted on the two rain barrel pick-up days where customers pick up their barrels they had purchased or reserved. If it would not have been for their help that truck would not have been unloaded. Christine, the church secretary, also helped the unloading by checking off the inventory as it came off the truck. The good Lord made it all come together.

At the time of the printing of this newsletter we had 5 rain barrels left for sale (Colours of them are terracotta, blue and black). Contact the D/GK if anybody is interested in purchasing. Cost \$55,00 (includes HST) a a \$10 charitable gift receipt provided at a later date.

Gift Card Program

Thank you to the Knights who demonstrate charity by sacrificing in order to use gift cards as part of their shopping routine.

Thank you to the Knights who demonstrate Unity and Fraternity by supporting the program so it can produce funds for the charitable work of the council and parish.

Not participating yet? Its easy. Gas, Groceries, Clothing, Restaurants, Sports and Leisure, Entertainment, Department Stores, Health and Beauty, Office and Electronics, Home and Garden, surely there is something you can support?

Next order deadline is Sunday 17 June 6 PM .

Note from Editor. - In reading this from Sir Knight Peter Scott conducting the Rain Barrel Fundraiser has reminded me of the difficulty and the amount of time required to raising funds for good causes. For the rain barrel fundraiser I felt sometimes it would have been easier to write a personal cheque for the funds raised except it provides the Knights with some visibility in the community. The Gift Card program is raising funds for us to support our causes with very little time and effort required. If you have not participated as of yet, I suggest you start with one card and grow from there. Also, it is a way you can participate in the Knights if you are very busy with work and family. We can all participate in this.

Words from our District Deputy

Congratulations to every Knight who willingly volunteered to take an executive position. Thank you to the Knights who served this past year and opted to take a supporting role.

The Council's success can only be measured by the willing participation of the members, even shut ins can assist by being part of a phone committee. There is no excuse not to be involved.

I look forward to Installing the new Executive and supporting your council in the coming year as it continues to grow and support the parish communities of Holy Name and Holy Family Chapel.

A Little Catholic Humour

A little girl was sitting on her grandfather's lap as he read her a bedtime story.

From time to time, she would take her eyes off the book and reach up to touch his wrinkled cheek.

She was alternately stroking her own cheek, then his again.

Finally, she spoke up, "Grandpa, did God make you?"

"Yes, sweetheart," he answered, "God made me a long time ago"

"Oh," she paused, "Grandpa, did God make me too?"

"Yes, indeed, honey," he said, "God made you just a little while ago."

Feeling their respective faces again, she observed,

"God's getting better at it, isn't he?"

Holy Family Icon Arrives at Holy Family Chapel

Former Grand Knight Scotty Smith (**2nd from left**) of Council 11886 has been trying for over a year and a half to get a copy of the Holy Family Icon, which was exhibited in the past year at various churches where Knights resided, for Holy Family Chapel at CFB Kingston. On Sunday 3 June his efforts were met when he presented the icon to Father Anthony Werunga (**5th from left**) at the 11:00 mass. Father Werunga is seen blessing the icon. Also present for the occasion was the Diocesan Director A. D Benedetti (**1st from left**), the Grand Knight of Council 11886 Jim Laudanski (**3rd from left**), and the District Deputy Peter Scott (**4th from left**) escorted by Sir Knight Raymond

Paquin (not seen in photo but his feathered headgear as he is hidden by Father Werunga),

Sir Knights Scotty Smith and Jim Laudanski also presented Knights of Columbus rosaries to the 9 English boys and girls who had completed their first communion at the mass. Two children received first communion at the French mass on the 6th of May.

Note from the Editor: Anyone interested in being the photographer at Council's 11886 events please contact the Editor of Knight Moves.

The Canadian Walk for Veterans

The Canadian Walk for Veterans took place 2 June at Rideau Acres. The Knights from Gananoque provided the Knights to host the Veterans Walk BBQ which provided meals for four hours. As they are a small council, they requested assistance from 11886 and three Knights volunteered : Roger Bédard (**2nd from left**), his father François, a former GK (**6th from left**) and Mac Robinson. Also a

former GK(**4th from left - his back is turn**) volunteered for the event. This was also a threshold test for our council's barbecue to be held on the Friday 22 June. Congratulations are in order as they all surpassed the requirements of this test and now can be the volunteers for our BBQ. Now that their names are in print involving our BBQ the Deputy-Grand Knight will accept them as volunteers without having to put their names forward for this assignment. Well done.

The organizer, of the event, Knight Stephen Bearwood, who is now the Grand Knight elect of the Gananoque Council, expressed his deep gratitude for their help. Our three Knights helped make their event successful. It is a certainty that the two former Grand Knights provided welcomed advice and suggestions to the members of the smaller council members at the event. Bravo Zulu as they say in the Navy which translate to "Well done."

Catholic Women's League (CWL) BBQ Receives Support from Council Knights

The CWL at Holy Name Chapel. were responsible to hold the 51st Annual Convention of the Military Ordinariate Provincial Council. The Knights were requested to conduct a BBQ for the attendees on Sunday 4 May to over 100 attendees and members of the congregation after a bilingual mass. The Knights of Council 11886 showed up in force with their A team. The GK Jim Laudanski, DGK Robert Charest, Honourary Roundtable Chairman Scotty Smith, Brother Mike Stenson with his Tundara pickup truck which proved invaluable for moving the tables and chairs, Brother Rory Moore whose brute strength can move a commercial BBQ without any assistance, Brother Dave Manryk the Grill Master, Brothers Jonathan Balfour, and Brother Ray Paquin worked the event. The barbecue was held in the gymnasium at the Family Resource Center. All had a hearty meal of hotdogs, hamburgers and salads. Three officer cadets showed up in their Scarlets which added colour to the event and they came back for seconds which was a testament to the great food.

Newer Fridge arrives at Holy Name of Jesus Kitchen (In Mgr Raby House)

One of the Kitchen fridges in the Mgr Raby House kitchen passed away. Christine, the church secretary, asked our GK to help find a replacement. The GK immediately responded by sending an email to our members and Brother Glenn Johnson and his wife responded that they had one to donate. Brother Mike Stenson volunteered to get his brother's trailer and Brothers Ray Paquin and Glen Johnson helped him move the fridge to the new location. The Immediate Reaction Trio of Knights made short order of the task and made the church secretary, Christine, very happy.

The knights concluded another successful story of Council 11886 Knights of Columbus history.

Consider Donating Blood

Debbi Barfoot, Territory Manager of Canadian Blood Services, gave a presentation at our May council meeting on donating blood and the Partners for Life Program. Some of the points of her presentation were:

- * A person could donate even though you are over 71 years of age;
- * call 1 888 2 DONATE (1-888-236-6283) to ask if you are eligible to donate or have any questions on donation. Even though you may be on medication you may still be able to donate depending on the medication;
- * a male can donate every 56 days and a female can donate every 44 days;
- * if you had tattoos or any body piercing done you must wait 3 months before you may donate; and;
- * the blood clinic in Kingston at Gardiner's road has a lack of donors in the summer months and clinics are conducted on a regular basis.

From January 8 to our council meeting in May our council has donated blood 8 times in the Partners for life program. Our council goal is to donate blood at least 25 times in the year. In some past years we have donated over 50 times. Please visit www.blood.ca and Call the 1 -888 – 2 Donate.

Let's give blood and Give Life. Even our Knights who are outside of our immediate area can get involved.

Council's 11886 donation address is **KNIG009249**.

First Communion at Holy Name of Jesus Catholic Church

Ten boys and eight girls did their first communion at 1:30 PM on the 6 MAY at Holy Name of Jesus and At 3 PM, later that afternoon, there were an additional sixteen boys and ten girls. In addition, on the 29 April one girl did her first communion as well. Council 11886 of the Knights of Columbus gave black rosaries with black pouches for the boys and mother of pearl colored rosaries with white pouches for the girls. Sir Knight Garry Richards did the honours. His wife Jean, who represented the Catholic Women's League, presented each child with a remembrance gift consisting of a cross on a coloured cord.

Note : These Knights' Deals are not just for the Knights but for everyone who would like to attend the events. By organizing the events we get reduced prices on tickets for our customers and our margins of profits are kept low. The profits are in the majority area of 2-5% which provides our council needed funds to conduct our activities in our community. The ticket seats are also well placed in the milieu which you may not necessarily be able to get otherwise. Also, if you do not wish to drive to and from the event this would be an excellent alternative. Enjoy the ride there and back. Please consider this alternative as we believe it is a win-win situation for our customers and us. We believe you could not attend the event for cheaper prices. The events are an excellent value for the money.
