**KNIGHTS OF COLUMBUS
HOLY NAME OF JESUS COUNCIL 11886**

Volume 23 Issue 8

Kingston Mills

September 2018

Grand Knight's Message

Brothers,

I trust that you and your families have had a relaxing and safe summer. As a council we are beginning our new year with a renewed activities for our churches and community.

Please be aware that the Knights of Columbus has instituted a new program called Faith in Action.

Faith in Action is the new umbrella for all Supreme Council-recommended programs, replacing Surge with Service.

Building the Domestic Church While Strengthening Our Parish remains and is the foundation to the vision and ongoing strategy for creating strong and dynamic parish-based councils. This will include resources for spiritual renewal and the integration of family, council and parish life in a complementary relationship. The Faith in Action program model is an evolution of the Building the Domestic Church initiative and focuses on the most direct way a council can impact its parish community – activities. All of the programs included in Building the Domestic Church have now been integrated into the Faith in Action model or retired. There is now only one model that encompasses all Supreme-recommended programs and it is Faith in Action. This year will be a transition year to the new program. Please work with your officers to support this new initiative.

We have planned a great year, so jump on board to enjoy the riches of participation to your church and community. Together we can accomplish miracles.

Please continue to support our Knights Gift Card Program and Knights Deals (Events Tickets).

Jim Laudanski

Grand Knight

A word from the editor

If you have content for Knight Moves please forward to the Editor - Robert Charest at rcharest@cogeco.ca no later than the Tuesday of the week prior to the council meeting. Also, please forward any comments or feedback including errors on Knight Moves that you might have found.

Your Prayers are needed.

At the 11886 Council Meeting 8 June 2018 the Knights were asked to pray for: the following who have recently passed away: the three priests in the Philippines who were killed; for those who are ill: Denise Pellerin, Hudson MacIssac and Catherine Cunningham, our Bishop's brother, and Terry Orr.

Corrections of this column in June, 2018 Edition: Catherine Cunningham, sister of Scotty Smith, is not a Sister in the sense of a nun. Also, Hudson MacIssac had a typo in his surname. Regret errors to the Smith family.

Who is Brian Reitzel?

Sir Knight Brian Reitzel was born in Kitchener, Ontario. His father was an architect. His lineage for the last four generations comes from being the middle son of a family of three boys. His father was the middle son of a family of three boys, as well as for the other two previous generations. Brian also is the middle son of three boys and he also has three sons. The statistical possibility of this happening would be in the category of very rare to highly improbable.

He was quite an athlete as he played on hockey, football and on fastball teams. One of the team's he played hockey with was selected as one of sixteen from Canada

to play in Guadalajara Mexico for an amateur World Cup Tournament. He found this a unique experience, playing at an elevation of 7,000 feet, as the air was thinner, and one ran out of breath quickly.

Brian went to a high school for Catholic boys called St. Jerome. His favourite subject was history. He was fascinated by a school history project on the Warren Commission which investigated the assassination of John F. Kennedy. He made friends with a girl by the name of Esther who went to St. Mary's Catholic high school. They would meet frequently on the steps of St Mary's church which was located centrally between their schools. They both had a twinkle in their eyes for each other and years later they were married. Esther's father thought he was a good Catholic boy and was his sponsor to become a Knight. Esther and Brian have been married 41 years.

After high school, Brian entered a Business Administration Program at Wilfrid Laurier University in Waterloo. During his first year of his program he worked part-time at a store of the Liquor Control Board of Ontario (LCBO). Prior to completion of his first year of university the LCBO offered him a full-time job. The job opportunity was too good to be refused and hence he rolled the dice and completed his first year. In doing this he did not leave his studies as he now became a part-time student in his off hours which took him six years to complete the 4-year degree. However, during this time he worked full time, got married, moved to Cochrane Ontario, had his three sons and was a Knight at his local council. In so doing, Brian developed very good time management skills and his wife Esther at his side the entire time.

He worked for the LCBO for 31 years. Besides Kitchener-Waterloo and Cochrane, he also worked for the LCBO and lived in Dryden, Sault Ste. Marie, and his final years in Kingston where he was the District Manager for Eastern Ontario.

During his retirement Brian aspired to become a deacon but did not meet the minimum age requirements. He then ran in the 2006 Kingston municipal election as the councillor for Kingston East but came in second to Leonore Foster, the incumbent. He tried again in the 2010 election and won. He was the councillor till the next election in 2014 when health reasons prevented him from running again. Brian has many stories of his life as a councillor.

Brian and his sons are avid outdoorsmen. They all enjoy fishing and hunting. One son is a Catholic school principal, another is a local businessman and the third works for a pharmaceutical company who trains surgeons on new equipment procedures. All three sons are also members of the Knights of Columbus.

As a knight, Brian has been on five councils. Over the 42 years, he has held most Knight positions from outside guard to Grand Knight of Council 11886. Since 1983, he also has been a Eucharistic minister. Brian is feeling very blessed and thankful for God's gifts He has provided.

Note: The basis of this article is based on an interview of Brian conducted by Knight Moves roving reporter Robert Charest.

St. Vincent de Paul Lunch

Knights Jim Laudanski, Mackenzie Robinson, Roger Levac, Pat and Mike Stenson prepared and served the lunch meal at St. Vincent de Paul to about 90 people on Wednesday 9 June. Regretfully, there was no one who sang at the event much to the chagrin of the St. Vincent de Paul Team. However, as noted in the picture below Knights Jim Laudanski (picture at left) and Mac Robinson were able to put on a smile at the event. Which Knight has the best grin?

Council 11886 Tent Rental

Sir Knight Pat Stenson and his volunteers has been busy over the summer months with setting up our tents for rental from the council. For example, St Martha's Catholic School rented tents for their annual school barbecue. In addition, the cathedral for Bishop Scott's 50th anniversary borrowed some as well. This meant Pat and his volunteers must take one hour to set up a large tent and sometimes two are required for set-up. Well done Pat and his team of volunteers which usually include his brother Mike and Joe.

Make it Right - Council 11886 Holmes Team

Last spring our Council chose a member of our Church Community at Holy Name of Jesus Parish. Karla Nichols, former Church Secretary and widow of "Honourary" Catholic Bob Nichols, who needed some help to complete an addition to her home to accommodate her niece's family.

Brother Knights Paul Jackson, Peter Scott, Pat Stenson, Paul Boyle and your Grand Knight provided labour and materials for drywall and bathroom work. Thank-you for all you efforts. |"They make it right" is their motto.

Council's 11886 donation address is **KNIG009249**.

Holy Family Chapel End of year Barbecue

On 9 June, Knights Scotty Smith, Dave Manryk, John Moreno, Robert Charest along with a few parishioners set up and cooked a barbecue of hot-dogs, hamburgers and sausage for over 80 people. We were blessed with a sunny day with a nice breeze and no wasps. Knights John Moreno organized a soccer game with the young boys and girls which permitted the parents to chat. Well done John. In addition, the padres from the Base Protestant Chapel attended the barbecue.

D/GK Robert Charest set up a white board and two chairs on either side of it with the following words written on it as an attention grabber:

“\$1:00 for a chat with a member of the Knights of Columbus. “ However the \$1:00 was stroked out and replaced with \$0.50 to increase participation.

Despite telling persons of interest that I only wrote the fee as an attention grabber he was able to raise \$1.75. There were no serious contenders willing to complete a membership form or consider it. The last visitor only had \$0.25. However, some awareness of the organization was made.

Special Olympics Track Team

Picture at left are the javelins used by Kingston's Special Olympics Team.

Picture at left, Special Olympics Javelin team members demonstrate their technique. Our council donates \$500 per year to the Special Olympics. Last year our funds were used, in part, to purchase these javelins, Team Coach, Michael Hart indicated that in a few years he forecasts that his team will be very good. The team practices from mid-June to Mid-August one evening a week. They also partake in other sport activities throughout the year.

Council 11886 BBQ for Knights and their Spouses- Friday 22 June

A crowd of about 49 Knights and their spouses attended the end of year barbecue at the Grand Knight's residence. The main course selection consisted of steak, chicken or salmon. The Editor had the steak and he described it as, "The best one I have ever had in my memory bank in the last 39 years." The BBQ was cooked by François Bédard and Luc Lahaie with assistance from Ross Mackenzie. The salads and deserts, presented a difficulty as there were too many to choose from

Father David Berezowski (picture below on the left) , the former chaplain of Holy Family Chapel at CFB Kingston, is presented, by the Grand Knight(GK) Jim Laudanski, with a copy of the icon which Holy Family Chapel received as a result of the efforts of Sir Knight Scotty Smith. Brother Scotty was persistent in a period of almost two years in trying to get the icon for the Chapel when Father David was the chaplain. In the end he obtained it for the chapel and also received a second, smaller copy, which as Round Table Chairman thought it would be befitting if Father David received it.

(In the picture above right) The GK announces, to the gathering, that Deputy/Grand Knight Robert Charest is the Grand Knight of the year of Council 11886. He appears surprised as he was preparing to take a picture of the announcement. Brother Raymond Paquin stepped in to take the picture.

Summer Liturgical Camp - Holy Family Chapel

Picture above - Right to Left - Knight John Moreno, participants Katarine and sister Natasha.

Picture above right - Evelyn with younger sister Audrey, **picture below** - Audrey's thoughts may be: Why do I have to listen to my big sister at church too?

The Holy Family Chapel of Canadian Forces Base Kingston held a Summer Liturgy Camp for the Children. It was held for an hour or so twenty minutes after the Bilingual Mass during the summer. The Seminarian with the chapel for the summer, Robert Fraser and John Moreno, both Knights, conducted the camp. The first portion was on the liturgy and the second was a fun activity such as a game. Some additional members of the chapel were asked to provide certain instruction for some portions of the camp. John Moreno, our youngest Knight from Council 11886 describes the first four sessions in the para below.

Summer Liturgical Camp Description

June 24th: First day of Youth Liturgy Camp. We first completed an Ice Breaker activity with the children so that we would know a bit about each other and any interesting tidbits. After the ice breaker, Fraser explained the importance of helping out with the mass, why they should all become involved, as well as what different tasks they can do during the mass. The day ended with a trip to the waterpark across the street with the kids and parents.

July 8th: Second day of the Youth Liturgy Camp. The camp day started with splitting into two groups depending on what mass tasks the children wanted to learn about. I taught the children in my group how to alter serve, the importance of alter serving as well as how to alter serve. Fraser led the other group of children in which he taught them about the collection of offerings, bringing the offerings to the priest conducting mass, as well as why this is done. There was sadly no activity on this day.

July 15th: Third day of the Youth Liturgy Camp. The material covered on July 8th, however was focused on confirmation of the material. We then devoted our attention on what they did not remember and their chosen mass tasks. The day closed with an activity led by Holly, talented member of the church choir, in which she taught the children how to sing a very simple song in Latin. Father Antony was so impressed by their singing that he came out to listen.

July 22nd: Fourth day of the Liturgy Camp. The children fulfilled all of the various roles in a mass ie altar server, collection of the gifts, reader, etc. They were each accompanied by an adult who served as a prompter when required,

Note from John Moreno. I had a wonderful time helping with the Youth Liturgy Camp which was started by Fraser and Anne Hanley, our pastoral assistant at the chapel. The children are very fun to work with, willing to learn, and catch on quickly. ...continuation on next page.

Continuation of Summer Liturgical Camp - Holy Family Chapel

Though it is a small group of 8 people I believe that this has been important in making the camp effective as it is an environment in which more individual time can be spent on helping the children learn and to answer to their interests. I also believe that the camp is a wonderful way of getting more young children involved in the Church. This is not just a way to get the children more interested but as well make them able to participate in the mass and experience the mass in a whole new way. In summary, participation breeds interest.

Another reason why I believe this camp is greatly important is to provide the children with good role models. I remember when I was at their age levels I did not have the most positive role models in my life to influence me. Therefore, I believe it is extremely important as a young person to try to be a positive role model for them. It is important for me as a young Catholic and as a Knight to steer them towards the word of God and to God's family, my family. During the course of the Youth Liturgy Camp, myself and our other camp counselor Fraser had an amazing time! The kids we taught learned so much and gained a lot of love in regards to helping with mass duties. During the days when the youth helped lead the mass they showed amazing skill and expertise in their chosen tasks during the mass. I know I am very proud of them and cannot wait to keep on working with them in the future! They are a shining example of the youth that we need in our churches that will help lead the next generation of our church and will eventually help guide the church through the priesthood, groups like the Catholic Women's League, and our very own Knights of Columbus.

A Little Catholic Humour

The Sunday School Teacher asks,

"Now, Johnny, tell me frankly do you say prayers before eating?"

"No ma'am," little Johnny replies, I don't have to.

My mom is a good cook."

A little girl became restless as the priest's sermon dragged on and on.

Finally, she leaned over to her mother and whispered,

"Mummy, if we give him the money now, will he let us go?"

Note : The Knights' Deals opportunities are not just for the Knights but for everyone who would like to attend the events. By organizing the events we get reduced prices on tickets for our customers and our margins of profits are kept low. The profits are in the area of 2-5% which provides our council needed funds to conduct our activities in our community. The ticket seats are also well placed in the milieu which you may not necessarily be able to get otherwise. Also, if you do not wish to drive to and from the event this would be an excellent alternative. Please consider this alternative as we believe it is a win-win situation for our customers and us.
