HOLY NAME OF JESUS COUNCIL 11886**

Grand Knight's Message

Brother Knights,

First I would like to thank Pat Murray who helped in the Soccer Challenge. I regret that I missed him in the last issue. I also would like to thank the volunteers at St Vincent de Paul Lunch on the 9 October: Joe Stenson, Ray Paquin, Ken Olivier, Mac Robinson Robert Charest and Scottie Smith. Thank you our phone call reminders of meetings by George Caron, Éric Latimer and Mac Robinson.

Our grass cutting crew continued in October and are now taking a needed break from the activity. Thank you Jim Laudanski, Joe and Pat Stenson, and Paul Jackson. New volunteers are being sought for next year. If you enjoy being outside on a sunny day and driving a go-cart this job is for you.

We delayed and cancelled our highway cleanup but a volunteer Gary Richards cleaned up the 401/Highway 15 parking lot. Thank you Gary and Pat Stenson and his truck which hauled and disposed of the garbage.

November is the month of Remembrance. By the time this issue comes out we will have had our Memorial on the 9 November, for our Knights who have passed away in the last year: Stan Pietak, Wayne Murray and John Donald Clark (known by many as Don). We placed a plaque for each deceased member on our memorial bench which rests beside the Mgr Raby House near the big oak tree and the St. Joseph garden. Thank you Pat Stenson for cleaning the bench and getting the plaques. I would also encourage our members to attend one of the memorial services for our military members to attend one of the Remembrance Ceremonies in the Kingston area. Our memories may fade but we cannot forget them.

We are having a **breakfast at Holy Name Catholic School 17 November** in the Gymnasium from 08:00 - 1PM. Hence, you could attend before or after mass. Our Deputy-GK Roger Bédard is our organizer for the event and is an excellent cook. His wife even eats his cooking so it must be at least very good. Investigate yourself and bring your family and relatives. A donation to the event is requested.

On Sunday 8 December we are having a **Family Christmas Party** at Mgt Raby House commencing at 2:45PM. We will have hot chocolate and toasted marshmallows around a campfire with some Winter games. Depending on weather the games may be held in doors, sing Christmas songs in the church and then sit down to a Christmas Feast. The children will be divided into groups for some activities depending on age.

Robert Charest, GK

Your Prayers are needed

At the 11886 Council Meeting 8 Oct. 2019 the Knights were asked to pray the following who are ill: Hudson MacIsaac, Fred McGillegan, Philip Henderson's brother, Mike Stenson, Dorethea Foote, and Gloria Lambert. Also for Archbishop Bishop's relatives on the death of his father.

Who is Knight Gabriel Dallaire?

Knight Gabriel Dallaire was born and raised in Chicoutimi, Quebec. He has seven sisters and was the second arrival to the family. His father was a brick layer and he had his own business in this field. Gabriel has many memories of hard work in the summer months and holidays as his apprentice. He found that hauling cement and bricks up a ladder all day is a very difficult task. Growing up he enjoyed playing football and hockey. He also had an interest in electronics. In his teen years he constructed radios, batteries and toyed with all sorts of electronic equipment.

Upon completion of high school, he indicated having two choices: enter a technical college or join the Canadian Armed Forces (CAF) and be trained as a Communications Technician. He chose the latter and lived around the country and overseas for 31 years.

He joined the CAF in 1965 and went to CFB St Jean in Quebec for Basic and Lan-

guage Training. Afterwards he underwent his technical training as a Communications Technician at CFB Clinton, which has since closed. His first posting was to CFB Cold Lake, Alberta where he spoke English everyday which would have been a challenge from home. In 1970 he was posted to CFB Lahr, Germany. Then in 1974 he was posted to the CF School of Communications and Electronics (CFSCE) as an instructor in the rank of Master Corporal. He taught the courses in English and French resulting in a six-year posting as his talents were in demand. In 1980 he was sent CF Station Inuvik where he worked closely with the Community Research Occupation. This occupation intercepted communication traffic in that part of the world. In his off hours he was asked to repair technical equipment at the high school and the local businesses. He indicated there was not much to do in Inuvik, so he kept busy and this extra work did just that. In 1983, he was then ventured off to CFB Gander, Newfoundland. The CF allotted him 20 days to drive to this posting. The most direct route is 8,893 kilometres. This was a once-in-a-life-time road trip. His fuel pump died, and he had it replaced in Dawson city. After, being there 4 years, the forces sent him to CFB Kingston back to CFSCE to teach junior communication officers in their occupation training. From this position he was promoted to the rank of Master Warrant Officer and went to CFB North Bay which had the responsibility operating the Early Warning System. The forces introduced the Force Reduction Plan where they went from a force of 78 or so thousand personnel in uniform to 66 thousand. Gabriel was captured in this wave and retired and moved to Kingston in 1996 for a third time.

In 1974 Gabriel met his wife when he travelled home to visit family in Chicoutimi. He was at the local curling club and met a young lady who was a nurse in Shefferville, Quebec and was visiting her sister in the town at the time. She fell for him as he had a superb mustache. Of course, there were other characteristics and attributes as they wed a year later. Nicole is originally from Grand Falls, New Brunswick.

After being retired from four years and completing all his projects in his new house, Gabriel was offered a civilian position under contract at CFSCE at CFB Kingston to teach Electronics in English and French for the new technicians. He enjoyed teaching at the school, and he did this for 16 years until 2016.

Gabriel's hobbies are electronics and woodworking. He joined Holy Name of Jesus council of the Knights of Columbus when it was established in 1996 as Gary Richards as GK. He has been involved in fund-raising activities such as the famous Garage Sales, etc and the community events such as the BBQs, picnics and highway cleanup.

St. Vincent de Paul Lunch Action Team for October

Picture at left- Mac Robinson (far left) and Joe Stenson preparing the turkey stuffing as Raymond Paquin has one of his regular coffee breaks and supervises.

The St. Vincent de Paul Team on the 9 October consisted of Mac Robinson, Ken Olivier Scottie Smith, Joe Stenson, Robert Charest and Ray Paquin The Menu: prepared by the team was soup, ham sandwiches, fruit for dessert. Seventy-eight diners enjoyed the meal.

The knights also help prepared the thanksgiving dinner by all working about an hour on making the stuffing. That is certainly a lot of stuffing when you make it for three large turkeys.

Council Donates to Clothes for Kids

Picture at left : GK Robert Charest donated a council cheque for \$400 to Julie and Bill of Corus Entertainment for the Clothes for Kids Campaign.

Corus Entertainment which operates the CKWS TV station volunteer to operate the campaign every year. They are the local organization for Coats for Kids which ensures the funds stay in the community. The \$400 donation will purchase 8 snowsuits. The council may donate any time during the year and the funds will be used in the fall purchases.

Brother Ray Paquin completes Environmental Certificate.

There is a requirement for the Family and Community Director, and the GK to complete the Environmental Safety certificate which is 4 hours of computer based training. However, last year we were able to get two other people qualified on a classroom course which was conducted in our council room. Ray Paquin was presented with a certificate at the 8 Oct meeting. Regretfully the picture did not turn out so the readers will not see two pictures of him in this issue.

Knights Moves is still looking for a Knight who can take a picture at a moments notice.

Marian Prayer Program 2019-2020

The 2019-2020 Marian Prayer Program presents the 18th Marian image(pasrtey shown above) sponsored by the Knights of Columbus, this time of Our Lady Help of Persecuted Christians. Each Knights of Columbus jurisdiction receives several Marian images, which serve as the centerpieces for prayer services conducted in churches and council meeting places throughout the Order for the duration of the initiative. Since its inception in 1979, the Knights of Columbus' Marian Prayer Program has held more than 166,900 local council and parish prayer services with some 20 million participants. This year, the prayer service is intended to raise awareness of the plight of Christians persecuted for their faith and to stand in prayerful solidarity with them.

The icon was at Holy Name of Jesus Church from the 29 Oct – 4 Nov and at Holy Family Chapel from the 4-11 Nov. A mass using the booklets provided was celebrated 5 Nov at Holy Family Chapel. The program occurs every two years. Last year Holy Family Chapel received one of the Icons depicting the Holy Family. Prayer booklets and prayer cards are part of the materials of the program.

Just One Hour

It was St. Pope John Paul II's hope and great desire to see the establishment of perpetual Eucharistic adoration in all parishes and Christian communities throughout the world. Every cardinal, bishop, pastor, clergy, religious and lay person is encouraged to do all they can to fulfill this mission.

We are fortunate to have Eucharistic adoration within Holy Name of Jesus Parish which takes place every Thursday in the Chapel of Monsignor Raby House. I made a commitment to spend an hour a week at Eucharistic adoration about 20 years ago and it has been a very important life experience for me. I have heard or read encouragement from John Paul II, Mother Teresa and Pope Francis who all made their own commitment to spend one hour each day in Eucharistic Adoration and they found as I have that you will experience a peace the world cannot give in this noisy and troubled world. It can give you strength to face difficulties of life. No better place to present your requests and express your needs.

An invitation is extended to each one of us to come and adore.

To quote St. Teresa of Calcutta: "Be faithful in small things because it is in them that your strength lies".

To give one hour a week truly is a small thing. Reach out to our parish office at Holy Name of Jesus church if you can give just one hour a week for the next 30 days and you may find it easy to make a long term commitment.

The time you spend with Jesus is more precious than any other time.

26 Oct Diocesan Knights Training Day

Picture at left: Knights attending the Diocesan Training Day. From Left to Right; Pete Scott, Raymond Paquin with his coffee of course, and Jean Pellerin. Robert Charest is behind the camera.

Periodically the Diocesan conducts a Training day or morning. Wayne Fink, the Ontario State Training Coordinator presented a lively session on the 26th October at the St. Mary's Parish Centre. There was no nodding off to sleep. Presentation focused on three areas: Executive and Directors responsibilities, the Faith in Action Program and How to Conduct a Business meeting. Three Items of general interest mentioned on this day which may be of note for all Knights are as follows:

- ◆ Military personnel who are Knights will be waived dues for the coming years. As Council 11886 have at least 10-12 military members it is estimated that we will lose at least \$400 of income, Of course, due to our small council, we are suggesting these members consider a donation;
- ◆ This is the start of the year when 4th degree knights are requested to wear the new uniform;
- ◆ Councils are permitted to conduct e-transfers but they must do so thru an unique email address;
- ◆ For Family of the Month we do not require to select a knight from the council but from the parishes that our council is affiliated with;
- ◆ Minutes of a meeting can be done electronically as long as we file a paper copy in our records. Paper records must be kept for 10 years;
- ◆ 1728 forms on each knight's volunteer hours, provided by FS, must be completed to ensure the K of C maintain their non-profit status. Last year the K of C donated 188 million dollars; and
- ◆ GK commenced a prospect page on the web for our council. All prospective knights can learn more about the knights by signing up on the prospect page and they will receive information periodically on the knights so that they can become better informed prior to signing up. All knights are requested to upload this prospect page to their phone. If they have someone that is interested just have them a prospective client fill it out on the spot.

Highway Cleanup

Picture at left: Gary Richards picked up the equivalent of 8 large bags of garbage of the Highway 15/401 parking lot.

We planned our Highway 2 Cleanup from the parking lot of Highway 15/401 parking lot to the Tim Hortons on Highway 2 on the same day as the Federal Election. At our meeting in Oct we thus delayed it till the 28 Oct. However Gary Richards was not at that meeting and he was accidentally omitted in an email by the GK delaying the event till the 28 Oct. Hence, he showed up to clean up the highway until darkness. He was a true knight and he carried on. Pat Stenson disposed of the garbage afterwards. Due to the large amount of water in the ditches and the fact we lost another 14 minutes of daylight by the 28 Oct the GK cancelled the cleanup till the spring.
