Grand Knight's Message

Brother Knights,

March is upon us; this marks the last part of the Fraternal Year. There are many things left to be done. Recruiting, of course; Programs that never stop; Mass at least weekly; and Lent, followed by Easter Season. I couldn't help noticing all the Catholics with the ash cross on their foreheads today, in the community here in South Texas. Things are different for us as Catholics and it is even more noticeable during Lent; the saying "I gave it up for Lent" is not "I gave it up for about forty days before the Easter Bunny visited." Be kind to our fellow parishioners always, but be even kinder to those that seem like they are a bit lost or confused during their pilgrimage to the church this year. The face of kindness is the best advertising any organization or church can get.

We are short of our targets for recruiting new members and new insured Knights. Please help us to achieve these goals and attain Star Council for the fourth straight year.

And of course, this is the time of the year when you start hearing terms like Officer Nominations, annual Budget, and Elections. Please do keep yourself aware of these announcements as they happen.

God Bless,

Jim Laudanski, Grand Knight Council 11886

A word from the editor

If you have content for Knight Moves please forward to the Editor - Robert Charest at [knights11886RC@gmail.com](mailto:knight11886RC@gmail.com) no later than the Tuesday of the week prior to the council meeting. If you submit after that there is no guarantee that it will appear in the next issue. Also, please forward any comments or feedback including errors on Knight Moves that you might have found.

I would also like to express my thanks to my daughter Natalie who has come to my rescue many times to help me deal software issues related to publishing this bulletin. Thank you Natalie. You are blessing to your father and to council 11886. There will no bulletin for the month of April. Hence, this one is lengthier.

Your Prayers are needed.

At the 11886 Council Meeting 8 January 2019 the Knights were asked to pray the following who are ill: Dot Robinson, Hudson MacIsaac. Marcus Hacault, George Elliott, the new Canadians who passed away in the recent Halifax fire.

Who is Kenneth Olivier ?

Picture at left: Kenneth is on the right, arriving in the port of Rotterdam aboard SS Arkadia in 1962.

My mother was Irish and converted to Catholicism when she married my father, who was French Canadian. I was born in Sudbury the eldest of 7 children, comprising of 5 boys and 2 girls. In my youth, I was an avid hockey player and won the most valuable player award in the Midget hockey league in my home town of Coniston. This recognition came with a trophy and \$25.00, which was a substantial amount of money in those days. My career ended when my family could not afford the hockey equipment and travel commitments of juvenile hockey. My hometown memorial arena is named after this legendary hockey player "Toe Blake".

Most of my early childhood was spent roaming the surrounding hills around my home town. I became an avid hunter and fisherman, like most of the families around town, to provide food for the family. To make a few bucks in the summer, a lot of my leisure time was spent picking blueberries. I attended St. Charles College in Sudbury until grade 11, then partially due to poverty, on January 7, 1960 I joined the Army. I later finished grade 12 and took some

financial courses in college.

Shortly afterwards I was on a train heading for London, Ontario for basic training with the Royal Canadian Regiment. After enduring 6 months of comprehensive hardship and losing 20 pounds, I graduated and was sent to CFB Kingston for trades training. Upon completion of my Lineman Qualification Course, my first posting was to 5 Signal Squadron on the base. My sport activities during this posting consisted of playing hockey and as a member of the boxing team.

During the Berlin crisis in 1962, most of the single army personnel throughout Canada were rounded up on short notice and told they were being sent to Germany. We left Montreal on a ship called the SS Arkadia heading for Rotterdam in the Netherlands. We encountered rough seas in the Gulf of St. Lawrence. I still remember objects flying everywhere and I was so sick that I swore I would never get on a ship again. When we arrived in Rotterdam, we took a troop train to Soest, Germany and from there to our base called Fort Henry. If you remember the movie the "Dam Busters" we were located about 6 kilometres above the Mohne Dam, which was breached during WW II.

Landing in Germany was like a new world where gasthofs (inns as we know them in Canada) and alcohol were everywhere. Coming from a small Northern Ontario town, where you had to be 21 years of age to drink, Germany was an eye-opening experience. We were very fortunate to be able to visit numerous countries. I also participated in the Nijmegen Marches in the Netherlands where we marched 40 kms. a day for 4 days or 160 kms. This was all after practicing for 300 kms. Our feet were messed up. What's ironic is my son, who is in the RCAF, participated in the same March 49 years later.

We endured many bugouts (recalls) and numerous major exercises during this period, which resulted in several vehicle accidents, personnel casualties and injuries. To put it bluntly we were at war without the bullets. Most Canadians are unaware that 474 Canadians are buried (124 Post-War military and 350 dependants) at the cemetery in Werl.

After three years in Germany, I was posted to CFB Petawawa and later to 1 Line troop CFB Kingston where I worked with permanent cable installation and tower construction throughout Canada. In 1967, I was posted back to Germany for another 4.5 years. In 1969, our troops later were relocated from Soest to the Lahr Airfield in southern Germany. On this tour I participated in the 25th Liberation of the Netherland ceremonies for a week and visited numerous gravesites where 5,015 Canadians are buried.

In returning to Canada I was posted to CFB Edmonton and then to CFB Valcartier where I met my wife. After a short romance we were married 25 January, 1975. This was the best move I ever made. Within a year I was posted to Egypt for 6 months leaving my wife alone and pregnant. The only communications we had was by short wave radio from

Continuation of ...Who is Kenneth Olivier?

our headquarters in Egypt, near the Suez Canal. In the Middle East as a Sergeant, I supervised the maintenance and installation of telephone communications and antennae support structures at the UN Headquarters in Ismailia, Egypt, and Damascus, Syria.

I was able to visit Cairo and I climbed up and in one of the pyramids. While there I rode a camel and the owner would not let me down unless I gave up more cash. This posting was very interesting as I had my own jeep and I travelled throughout Egypt, Israel and Syria. As well it was dangerous; a forgotten fact unknown to most Canadians was that 50 soldiers lost their lives while serving on UN deployments, in Egypt.

Upon my return from my tour I was then posted to Carp where I was promoted and posted to CFB Petawawa. On this last posting I was in charge of the landline communications and telephone installation on the base and in the training area. We also did maintenance at various radar sites across northern Ontario.

I was later posted to Standards Squadron at the CF School of Communications and Electronics. We wrote trade specifications, assisted in identifying the Course Training Standards and then Designed then Developed the Course Training Plans for Lineman training. My prime responsibility was monitoring, overseeing, evaluating and changing course content as required and taking feedback from the students at all levels. After 28 years in the regular force I was posted to Ottawa Headquarters and decided to take my release.

However, I was offered a similar position with the Reserves along with designing and developing General Military Training courses for another 6 years, totaling 34 years of service. The hardest part of the position was satisfying Brother Robert Charest, who for 3 years was overseeing design and development of training. He was meticulous in ensuring clear and concise standards and plans; in other words, he could be a pain, but it came with a sense of humour.

My wife Thérèse's passed away October 4, 2018, from the effects of dementia. Presently I live with my daughter Karen. My son is married with 2 children and is trying to get a posting nearby, later this year.

I have been a Knight since the council was formed at Holy Name of Jesus, some 28 years ago. I have held various positions such as the Treasurer and the Guard positions on the council. My favourite activity that I have worked on as a Knight was when I helped renovate Monsignor Raby House alongside Brother Guy Lahaie. We worked six months doing the renovations.

Please arrive NLT 1:20 PM.

What? - A Family Afternoon of Reflection, a retreat for the family. Every Sunday Catholics profess their faith in Jesus when they pray the Apostle or Nicene Creed. These questions will be explored through two inter-active conferences.

Where? Holy Family Chapel at CFB Kingston. The K of C are sponsoring the event.

Cost? - \$10 per family or \$5 for single adults. pay for the event by Etransfer to rcharest@cogeco.ca or by putting money in an envelope in the church collection with, "Holy Family Chapel, 24 March Event" **no later than 17 March.** Limited to 70 attendees. A little Catholic humour - A must read for the spouses of all Knights

Who was Jesus?

There were 3 good arguments that Jesus was Italian:

1. He talked with His hands.
2. He had wine with His meals.
3. He used olive oil.

But then there were 3 equally good arguments that Jesus was Jewish:

1. He went into His Father's business.
2. He lived at home until he was 33.
3. He was sure his Mother was a virgin and his Mother was sure He was God:

But then there were 3 equally good arguments that Jesus was from Vancouver:

1. He never cut His hair.
2. He walked around barefoot all the time.
3. He started a new religion.

But then there were 3 equally good arguments that Jesus was Irish:

1. He never got married.
2. He was always telling stories.
3. He loved green pastures.

But the most compelling evidence of all - 3 proofs that Jesus was a woman:

1. He fed a crowd at a moment's notice when there was virtually no food.
2. He kept trying to get a message across to a bunch of men who just didn't get it.
3. And even when He was dead, He had to get up because there was still WORK TO DO.

Universities Hospitals Kingston Foundation Cheque Presentation

Council 11886 Cheque Presentation Season is unofficially Jan-Feb. Deputy-GK Robert Charest presented a cheque for \$620.00 from our Rain Barrel Fund Raiser to Lori Fagiani of the Universities Hospitals Kingston Foundation towards the new Providence Manor.

The Deputy-GK had some difficulty bringing the cheque as it was a windy and slippery from the parking lot to the Office of foundation. He fell off his walker, not rocker, and the cheque went flying in the parking lot. A passerby assisted him to get up and caught he cheque before it went down the street. The cheque was bent but Brother Robert straightened it out back to its position so that you would hardly notice that an accident occurred. He also had to touch up the GK's signature block.

This cheque brings a total donation from our council this year to the hospital foundation of \$1620 to the building of the new Providence Manor. Rainbarrels will be selling again this year. Contact Brother Robert Charest.

Ontario State Award Ceremony for Soccer

Sir Knight Pete Scott, representing the Ontario State on the 3 Feb state presentation awards, is seen standing with three of the five students who competed under council 11886 for the Soccer Competition. These students won at the school, council, district and also at the State level of the Competition. The ceremony was held after the 09:30 AM mass at Holy Name of Jesus Church.

The two children on the left are from St. Martha Catholic School and the one on the right is from Holy Name Catholic School. The one on the right also appeared on the 4 Feb, CKWS Jeffries sportscast about the soccer competition. He had about 10-15 seconds of fame on the television.

Presentation to Sir Knight Scotty Smith

Photo at left. At the February Council Meeting Acting Grand Knight Robert Charest presented Sir Knight Scotty Smith with his Grand Knight Ribbon. This Ribbon is presented to former serving Grand Knight.s. Scotty had been Grand Knight for a number of years. He presently is performing the duties of Round Table Chairman and the coordinator/seller of gift cards at Holy Family Chapel.

Photo below. After the February Council Meeting, Brother Robert is seen admiring Brother Scotty's new winter coat which he received from Supreme as a gift for his recruiting efforts. Unfortunately, Scotty does not recollect the exact number of knights he has recruited but brother Robert is one of them. The council has been emphasizing that every knight is responsible for recruiting.

Youth Activities

Picture at Left - Award Winning Students from St. Martha Catholic School with two Brother Knights.

Brothers Greg White and Robert Charest visited St Martha School the 1st of March and presented awards for the Christmas Poster Contest, Substance Abuse Poster Contest, and Basketball Free Throw events.

Some awards were at the school level, others at the council level and others at the district level.

Four schools participated in the Christmas Poster Contest for a total of 33 students. Three schools and the total number of students who participated in the other competitions are as follows:

- ◆ Substance Abuse Poster Contest - 29 students (numbers were a bit down from the previous year);
- ◆ Basketball Free Throw Challenge -139 students (an increase of 38 students from the previous year);
- ◆ Hockey Challenge—29 Students. This competition had not been conducted by the council for a number of years. Only students at the 12 -14 age bracket were permitted to compete. The council would like to thank Knight Pete Scott for donating the score board (*seen in the photo below*) for the competition.

Picture at left—Brother Ray Paquin is shown with some grade 4 students at St. Francis Assisi Catholic School who wanted to try the Hockey Challenge.

The students who were to partake in the hockey competition at the school were delayed by an hour by another activity. Hence, as part of their gym class the Knights were asked by a grade 4 students if they could try our Hockey Challenge activity. Knight Ray Paquin is seen coordinating, or trying to.

Photo below at left—Brothers Ray Paquin and Pat Stenson try out the competition.

Hockey Challenge Event at Holy Name School while awaiting for students to arrive for the competition.

The roving reporter for this bulletin was proud of this action photo of Brother Pat, as the timing of the picture appeared perfect. As to whether or not if Brother Pat actually scored, please contact the reporter as that is not considered newsworthy to appear in the bulletin. Pat loaned the hockey sticks used in the competition.

Pat, thank you. Brother Knights, if you have any hockey sticks you can donate for the competition in future years please let the Editor know so he can pass this info on.

Sunday, 3 March, Pancake Breakfast at Holy Name Catholic School

This year's pancake breakfast was different from those of the past several years and the biggest change was the breakfast's location. With the great turnout that we had last year and noting how crowded the St Joseph's Room in Monsignor Raby House after the 9 AM mass, it was concluded we would need a larger venue to accommodate the recently combined 9 am and 10:30 AM masses. Therefore, we moved the breakfast to Holy Name Catholic School across from the church, a location that we had used for various functions in years gone-by.

Volunteers at the breakfast included Brothers Philip Henderson, Pat Stenson, Joe Stenson, Mike Stenson, George Caron, Peter Scott, Blair MacFie, Scotty Smith, François, Bédard, Roger Bédard, Robert Charest and David Ringrose. Knights were assisted also assisted by family who volunteered: Marina Stenson, Marjorie Henderson, Kayla Ringrose, and Lynn Scott.

Despite the change in breakfast venue, we still had a very good turnout and based on the feedback that was received, the social, food and new location were enjoyed by all the nearly 90 people who participated this year, including parishioners from CFB Kingston's Holy Family Parish. Finally, we'd like to offer a special thank you to Brother Fern Delisle who again produced, and donated, the maple syrup for the breakfast.

In a free raffle, Cheryl Rondeau won four Kingston Frontenac tickets for the 15 March game. They were ticket for seats in a prime rink location. The tickets were donated by an anonymous donor.

Below are a couple pictures taken at the event. Note the K of C balloons in the right. They were a hit.

Tuesday 5 March Pancake Supper - Holy Family Chapel

Picture at left - Marcus Johnson, 3 months old and son of a knight, gained the majority of the attention at the event.

Forty-six people showed up Holy Family Chapel's pancake supper on Shrove Tuesday, 5 March. Knights Dave Manryk and Scotty Smith manned the grills with help from parishioners for help with the additional requirements. Attendance was down this year but not the appetites. The Catholic Christian Outreach Lent Dinner was scheduled on the same evening which many parishioners attended. Father Antony and some parishioners attended both meals but there was no calorie counting that evening. The Knights Moves roving reporter performed the quality control by tasting the

sausages and the pancakes early in the evening..
