Grand Knight's Message

Brother Knights,

Brothers in Christ, it's hard to believe that we are already 3/4ths through this Columbian Year – time sure seems to fly! Thanks to all who have participated in last Month's events 1) Helped and donated to the St. Vincent de Paul clothing and Food Drive, 2) St Vincent de Paul Lunch, 2) Church Lawn cutting, 3) Novena for Prayers, 4) March for Life, 5) Hwy 15 Clean-up, 6) Installation of Most Rev. Michael Mulhall as Archbishop of Kingston, 7) Parish Confirmations, 8) Holy Communions, 9) Easter Services and many more activities.

For those brothers who have not been active, there are several opportunities to get involved this month: 1) St Vincent de Paul Lunch June 12, 2) Rain Barrel sales May 11 & 18, 3) Blood Donations, 4) Holy Name Gardening May 18.

All of these events are listed on the calendar in this newsletter. Please put them on your calendar and join us. Charity, Unity and Fraternity are the first three of our core principles as Knights and, by participating in these and/or other activities, you are providing service to God and our parish community. This is why we are men called Knights!

Finally, when you attend any church or council function, including Sunday mass, PROUDLY wear your name badge and/or KofC shirt identifying you as a member of the Knights of Columbus!

God Bless,

Jim Laudanski, Grand Knight Council 11886

Your Prayers are needed.

At the 11886 Council Meeting 12 March 2019 the Knights were asked to pray the following who are ill: Dot Robinson, Hudson MacIsaac, George Elliott, and Mike Stenson.

Who is George Caron?

I was born in Vancouver and raised in the lower mainland. I was the eldest of seven children. During my childhood days my family lived in Vancouver, Burnaby, and Mission. After nine years, my father purchased a house in Maillardville, (French section) of Coquitlam.

In 1962, I graduated from Como Lake High School in Coquitlam. I worked for one year after high school to earn money to go to college. In high school, I played, varsity baseball, basketball and football.

In 1967, I graduated from Western Washington State University with a degree in psychology, anthropology, and sociology. After college, I worked in a variety of social welfare and children services in British Columbia. In 1971 I received my Masters of Social Work at the University of Calgary. I specialized in clinical, forensic social work with emphasis on child abuse. The same year, I first started to work for Corrections Canada in Alberta as a parole officer.

In 1973 I married Dina Vandenheuval, a nurse working at City Hospital, Saskatoon. We have 4 children and have been married 46 years.

In 1975 I accepted the position as Deputy Warden at the Prison for Women in Kingston. In 1979, I served as Warden at the Prison for Women until almost the end of 1987. Between 1975 and 1981 I received two degrees in Human Resource Management and Government Relations at St. Lawrence College in Kingston. After leaving The Prison for Women I was appointed District Director of Parole for Eastern Ontario, including Ottawa, Belleville, Peterborough and Kingston.

In late 1988 I became the Warden of Frontenac Institution in Kingston. In 1991, I was transferred to Regional Headquarters working in a number of areas. In 1997 I was employed with National Investigations with Correctional Services Canada. I retired in 2007.

Between 2005 and 2014 I served on Hotel Dieu Hospital's Board of Directors.

After retiring from Corrections Canada I wrote a true crime

book about my experience working at the Prison for Women. Recently, I am finishing an Adaptive Screen play hoping it will be made into a movie. I am presently writing a new fiction novel.

I joined the Knights of Columbus when it started at our church in 1996. Over the years I have served as inside and outside guard, Warden, and 3 years as a trustee. In 2007 until 2009 I was Deputy-Grand Knight. In 2009, I served as Grand Knight until 2011. During my time with K of C, I served as coordinator of the St Vincent de Paul meal program for 8.5 years.

The K of C is a positive organization that serve our parish, our community, and our country.

Knight Joe Payne

Prior to our meeting on the 12 March our council meeting held a First Degree ceremony for Joe Payne. Brother Joe, an electrician by trade, was responsible for wiring the council room when it was renovated. The Acting— Grand Knight mentioned that he found that he could read his notes now that he knows where the spot lighting switch is.

lighting switch is. Brother Joe at the moment is busy building a new home. He made need some help with some gruntly tasks in the future. He also purchased one of the remaining copies left of the Flying Fathers book from our fundraiser. Council 11886 welcomes him to the fold.

Contributions to St. Vincent de Paul

Picture at left - Joe Stenson is seen lifting a box of toothpaste donated by the Dentist Office located at the Rideau Town Centre.

Mike Stenson, George Caron, Joe Stenson and Paul Kennedy arranged to pick up donations after each Mass at Holy Name of Jesus Parish and Holy Family Parish on the base. Honouring War Veterans

On April 8th Brothers George Caron and Mile Stenson honoured two WW2 Canadian veterans. Basil Brosso, age 97 and Roland Durand, age 98 were part of the Allied invasion of France on June 6, 1944. The two soldiers were honoured at Trillium Retirement Care Home. The group watched a WW2 movie on the last days of Hitler's war machine. The group enjoyed some fresh coffee during the movie.

Catholic Humour

THE HAIRCUT!

Blessed are those that can give without remembering, and take without forgetting.

One day a florist went to a barber for a haircut. After the cut, he asked about his bill, and the barber replied, 'I cannot accept money from you, I'm doing community service this week.' The florist was pleased and left the shop.

When the barber went to open his shop the next morning, there was a 'thank you' card and a dozen roses waiting for him at his door. Later, a cop comes in for a haircut, and when he tries to pay his bill, the barber again replied, 'I cannot accept money from you, I'm doing community service this week.' The cop was happy and left the shop.

The next morning when the barber went to open up, there was a 'thank you' card and a dozen donuts waiting for him at his door. Then a politician came in for a haircut, and when he went to pay his bill, the barber again replied, 'I cannot accept money from you. I'm doing community service this week.' The politician was very happy and left the shop

The next morning, when the barber went to open up, there were a dozen politicians lined up waiting for a free haircut. And that, my friends, illustrates the fundamental difference between the citizens of our country and the politicians who run it.

As Margaret Thatcher said: Both politicians and nappies need to be changed often and for the same reason!

Knights at St. Vincent de Paul

Knights François Bédard, Ken Olivier, Ray Paquin, Scottie Smith, and Mac Robinson were the 13 March dinner team. They prepared the meal and served it. For some reason no singing was allowed at the event. Exact numbers were unknown but Ray Paquin approximated that 70 people had a delicious meal.

On the 10 April Knights Mike Stenson, Jim Laudanski, Mac Robinson, Scottie Smith and Ray Paquin were the dinner team members for around 75 people. The Knights work steadily from 0800 AM to about 1:15 PM. Many volunteers are known to take a nap when they return home.

Youth Award Presentations

Picture at left - Youth Director Robert Charest is seen with a student who is a District Award Winner for the Substance Abuse Poster Contest (alcohol abuse) and as well the highest female scorer in the Hockey Challenge at St. Francis Assisi School.

Continuation of Youth Award Presentations

Picture at left, Rowan Hick's K of C International Soccer Challenge Award Winner at the 10 year age level for boys. Picture below. Rowan holding his award.

This may be the first time in the council's history of over 28 years where we have had a participant in a youth sports activity win at the international level. There are 540 councils in Ontario and 17,000 in the world. However, not all councils participate in all programs but it is statistically significant. Pass the word along to all knights.

The Knights of Columbus Soccer challenge is a competition designed for players aged 9 through 14 to demonstrate the most basic of soccer skills - the penalty

kick. Each player is allowed 15 shots in the council level of the competition and 25 at the district and region levels.

The goal is divided into a series of five scoring zones. The upper corners of the goal, is designated as 20 points zones. The lower corners will be designated as 10 points zones and the central region is a five point zone.

On the 9 May, Rowan accepted the award and was interviewed by Doug Jeffries of CKWS and it appeared on the same day on the sports newscast. Well done Rowan.

Youth Activities

On Saturday 9 March the council had 5 students from three schools the council is responsible for who participated in the Eastern Region Basketball Competition in Brockville. One student from Holy Name came in 1st in the 9 year old group. The 4 other students came in 2nd in their age group. The student from St. Francis Assisi in the boys age 13 group tied for first place. He came in second after missing by a shot in the tie breaker. Well done students.

Below are pictures of the 1st (centred photo) and 2nd place students who won at the competition who attend edone of the three schools council 11886 are responsible for Youth Activities.

24 March - Afternoon of Reflection

A Family and Faith event for families in the two parishes of Holy Name of Jesus and Holy Family Chapel was held at Holy Family Chapel entitled an *Afternoon of Reflection*. All members of the family could attend this Lenten event all at once but in different areas of the chapel. The participants attended one of three areas. The adults were in the chapel under the direction of Bill Gervais, Head Deacon of the Diocese of Kingston. The youngest children were located in the choir loft, ages 4-7, under the direction of Naomi Roberge, who conducts liturgical instruction at the French Mass for the children. The older children, were divided into two groups: 9-11 and 12-15 and were located in the Chapel Annex. They were under the direction of the Youth Adult Group of Holy Family Chapel. In the children groups they had some Lenten activities as well as play/game activities.

The activities for the four groups were conducted simultaneously. They came together in the afternoon break and children met their parents and had a snack. Unfortunately, the coffee for the adult group was not warm enough which was unfortunate. The organizer suspects a fuse was blown in the chapel. There were 26 Adults and 13 kids at the event. Of these 7 were with the Holy Family Chapel Young Adults Group. The youngest of the children received a balloon upon departure from the event. They came from our council storage room and had the knights crest on them.

This was conducted as a green event. All of the napkins were placed in the compost bins, the cups were rinsed and put in the recycle bin. The plastic food containers were also recycled. Looking back, we should have advertised this as a green event.

An evaluation questionnaire was completed by 8 individuals and the results compiled. Overall, the comments on the event were positive. One of the comments on a questionnaire is as follows:

Thank you for this beautiful day- spiritual, uplifting as a gift to myself and my family as a Lenten experience. My little grandchildren, 5,7,8 years of age, my granddaughters age 13 and 14 thoroughly enjoyed their day. The little ones loved "God Rocks: and painting a cross - they are excited to have more. Thank you. If you plan another event next year I promise you we will attend and I will encourage others to attend. They don't know what they missed.

Picture at left, below is the 4-7 age group who are busy painting a cross. **Picture at right, below-** shows a member of the Young Adult Group with some children of the 9-14 age group with one 6 year old who wanted to be with his older sister. We let him remain as our aim was to be flexible as possible with the children.

Presentations of Knights of Columbus Certificate of Appreciation.

Picture at left- DGK Robert Charest is seen presenting the Council's Certificate of Appreciation to Naomi Roberge. Naomi planned and conducted the Afternoon of Reflection for the 4-7 year olds with the assistance of her beloved husband Vincent. They had their hands full that afternoon as there was a lot of kinetic energy which had to be channeled thru group activities. Naomi made the afternoon a successful event. Thank you Naomi.

Continuation of Presentations of K of C Certificate of Appreciation

Picture below - Round Table Coordinator Scottie Smith is seen presenting (picture at right) the Council's Certificate of Appreciation to five members of Holy Family's Chapel Young Adult's Group: Holly (Group Facilitator), Melany, Sébastien, Elizabeth and Xander. The group was responsible for planning and conducting the activities for the 9-14 age group at the Knights Afternoon of Reflection on the 24 March. . The teen portion of the group were so busy they did not want to partake in the mid-afternoon break. However after the break ended the coordinator for the event gave them the left over food snacks and this disappeared in their inner sanctum.

Knights Efforts in the Middle East

The simple hard truth is that Christians are on the verge of extinction in the Middle East. We must not allow this to happen. Another way Knights live their mission of charity is our work in the middle east. Since 2014, Knights have committed \$20 million to aid Christians and those of other religions in their care. The Christian Refugee Relief fund helps those Catholics who are affected by the conflict in the Middle East, with donations going to medical aid, reconstruction costs, helping those who are fleeing their homes, and assisting those fleeing the genocide that is being committed. Donations can be made through this link: <http://www.kofc.org/en/charities/christian-relief/index.html> .

All Knights on Deck

Every Knight is a recruiter for the Knights. If you know someone who is interested have them to join on line at type in "KofC/joinus", and include the council number 11886 to join. Council receives a \$5 credit per capita. No form 100 work by the FS is then required. Also, the fee for registration is \$30 by credit card. Upon completion of registration they will belong to the state vs the council until they complete their first degree from us. Please detach the table below of info as a reference guide on recruitment and place in your wallet. It is easier than carrying forms and pamphlets. Our Council credits the \$30 towards their dues for the year. Cut the box below and insert the piece of paper in your wallet to be used for recruiting.

Highway 15 Cleanup by Council

Normally twice a year our council's Knights pick up the litter on Highway 15 from the Highway 401 parking lot to the Tim Horton's . Originally, we were scheduled to clean Mon 29 April 5:45 PM but due to the Toronto's hockey club game that night it was delayed to the next night Tues 30 April. However, the weather forecast was for rain but our council knights have been known to work thru all weather conditions. Due to darkness creeping upon us we could not complete about 200 yards of the highway.

43% of the Knights on the clean-up team were Stensons (Mike, Pat and Joe) and the remainder were Jim Laudanski, Raymond Paquin, Robert Bouvier and Robert Charest. We picked enough garbage to fill Pat's pickup. We found all sorts of things, some unbelievable. Mike and Robert picked up the iron items and cans for recycling. Robert also recycled plastic containers that he found.
